—WEDDING BELLS.—A very pretty wedding took place at the home of Mr. and Mrs. Freeman Reeves, Summerside, on Tuesday evening, Feb. 17th, when their fifth daughter, Miss Winnie, was united in marriage to Ernest Taylor of Bedeque, one of our returned heroes. As the clock struck the hour of seven the bride entered the parlor on the arm of her father and took her place beside the groom. The fair young bride very wisely was charmingly gowned in a dress of pink crepe de chene and wore a bridal veil. The ceremony was performed by the Rev. Mr. Ives of Kensington. The happy couple were attended by the marriage witnesses by Mr. and Mrs. Earl Reeves, brother of the bride. The groom, Mr. Taylor has recently returned from overseas where he spent the last three years and has seen much fighting in France. The groom's gift to the bride was a gold locket and chain. The young couple were the recipients of many useful and valued gifts. An enjoyable evening was spent in feasting, music and social intercourse. The bride is one of Freetown's most popular young ladies and carries with her the best wishes of her many friends for a happy wedded life. The happy young couple will reside in Bedeque.

Double Murder And Suicide

But—

.....but for the Grace of God.

NOT long ago a shamefully wronged husband started out to do away with his wife and the destroyer of his home.

HE was intercepted, reasoned with, pleaded with. After two days and two nights spent in prayer and meditation, through the manifestation of the Holy Spirit he was turned from his intense and terrible passion to a magnificent attitude of forgiveness.

THE instrument through which husband and wife were reconciled—and a ghastly tragedy prevented,—was a Salvation Army Officer.

SUCH a change of heart wrought by the Spirit is not rare in the world-wide experience of the Salvation Army.

STORM WAS VERY SEVERE IN PRINCE COUNTY

Continued from Page Three

The Royal Bank. The two large windows in the Bank Building were smashed.

Other Damage. Part of the roof of W. B. McNeil's stables was knocked in and his loss will be considerable.

Several houses about town suffered more or less damage by reason of chimneys blowing down but the damage, apart from that on Water Street, was not very considerable.

At The Station. The boat train reached Summerside about 10 o'clock with the roofs of some of the cars damaged. In order to permit the passengers to safely alight, a rope was stretched from the first class coach to the baggage room, as the train could not pull up to the station owing to a car roof being blown across the track.

TIGNISH SUFFERED SEVERELY. Tignish suffered severely from the storm according to information received over the telephone late this morning (Friday). Several barns, including those of Mr. I. T. Rees and Mr. Adalphe Gaudet, were destroyed. The granary belonging to Mr. Mark Hanna, was also blown down. Many chimneys were levelled while windows were smashed by debris.

The information received from Tignish is fairly indicative of what has happened throughout the country.

We are informed that at O'Leary a barn belonging to Mr. Stephen McDonald was blown down and a number of cattle and three horses killed. This has not been confirmed, owing to the fact that direct communication with O'Leary had not been established.

Our correspondent at Kensington reports that roofing there was blown off several buildings, including John Warren's lumber mill and the barn of Mr. Hugh Morrison. Otherwise the damage is of a general character.

Tyne Valley and Darnley report considerable damage to barns and grain stacks.

LOSSES HORSES AND CATTLE BY STORM. The barn belonging to Mr. Jack Lefurgey, near Reid's Corner, was destroyed by the gale and three horses, and six or seven head of cattle were killed, others being injured. Mr. Lefurgey is in Montserrat.

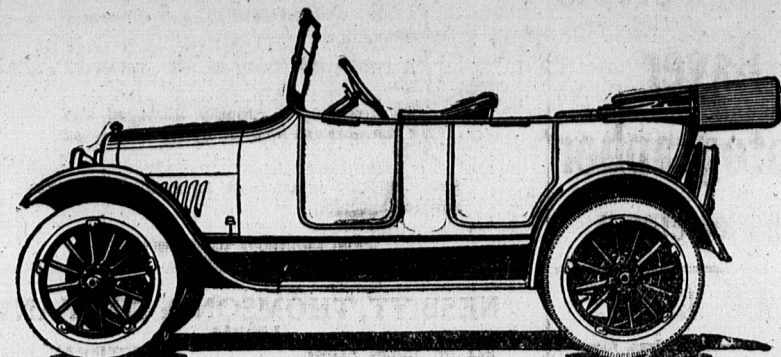

Sherbrooks. Reports from Sherbrooke state that barns belonging to Major McNeill and Mrs. Austin Reilly have been destroyed. Another on the Linkletter Road belonging to Mr. A. Murray, was also blown down.

FURTHER KENSINGTON REPORTS. Further reports from Kensington state that the roof was blown off the Electric Light Station at New Valley, and also from the house of Mr. G. R. McMann, Kensington. At Baidie, many hay and grain racks were levelled.

LOYD GEORGE SURE CANADA HAS NATIONAL STATUS.

OTTAWA, Feb 18.—An interesting sidelight on the attitude of Great Britain towards Canada's rights to a vote in the League of Nations is furnished in a letter written on September 1, 1919, by David Lloyd George, Premier of Britain, and made available for publication today in view of its particular interest at the present time. The letter in question, which was written to a Canadian, reads in part as follows:—
