Years ago we learned to know your worth as neighbours and citizens, and we feel that your departure from us is a great loss to our community. Your advice always proved good. Your principles of doing business were of the best. Your judgment we learned to respect. You did not seek honor but your humility and wisdom conferred it on you. Our loss shall be a gain to others, and as we are about to bid you good-bye our hearts desire is that your health may improve and that your success shall be recognized by your companions in life. It has been by us the residents of Glenn Valley and surrounding country people. ## JOSEPH McDOUGALL

At Nogales, Arizona, on the Mexican border, in February, Joseph McDougall a son of Alex. McDougall of Grand River, Lot 14, P. E. I. died. He was a young man of 39 years of age, not of very robust constitution but of superior mental ability and always held in high estimation by his employers who deeply regretted his early death. Having recovered from an attack of measles he was suddenly stricken with meningitis which proved fatal. At his home in Grand River his parents, brother and sister, Maude in Summerside, Stephen, Raymond and Annie in Providence mourn the loss of a son and brother who, by his thoughtful courtesy and unassuming charity endeared himself to everybody. He died in St. Joseph's Hospital, fortified by the consoling rites of his holy religion and lies buried in the Catholic Cemetery of Nogales where his body awaits the trumpet call to that glorious resurrection of which he had an edifying confidence. May his soul rest in peace.

of her son-in-law, Philip H. Howatt, Cape Traverse on Friday, March 31st, 1916 at the advanced age of 83 years. She was a great sufferer for a number of years but always showed great patience and unwavering faith in her Saviour and always relied on him for relief and comfort. She was a faithful, consistent, and zealous member of the Church of Scotland and always delighted in its services and ordinances. The reality of her religious experience was not only shown and exemplified in her life throughout but in every hour of trial and sorrow in her final passing away. The funeral took place on Monday April 3rd and was conducted by her Minister Rev. James MacDougall who attended her during her illness. She leaves to mourn one brother, Artemas Williams of Carleton, Oregon, four sons, MacDonald of York Village, Maine, Samuel of Pittsfield, Maine; Lawrence of Mahone Bay, N. S. and McColl of Berwick, N. S. and two daughters Mrs. C. Hall of Ipswich, Mass. and Mrs. Philip Howatt of Cape Traverse. The hour of my departure's come. Hear the voice that calls me home. At last, O Lord! let trouble cease. And let thy servant die in peace.

## DR. D. M. McDONALD.

The community of Grand River was shocked when they heard the sad news and death of Dr. Daniel M. McDonald who died in St. Michael's Hospital, Toronto, Ontario on April 15th after a short illness of pneumonia. The deceased had been home a short time before his death. He entered Ontario College in the year 1913 where he spent three years and passed successfully in all his final examinations. "Dan" as he was fondly called at home was a bright intelligent young man and will be sadly missed by all who knew him. His wife predeceased by four years. The remains were brought to his uncle's, Mr. J. R. McNeill's and were there laid to rest in Grand River R. C. Cemetery on Holy Thursday morning Rev. J. A. McDonald officiating. He leaves to mourn one sorrowing brother Linus of the homestead,

besides of her half-brothers and sisters. The pall bearers were Messrs Marshall McLellan Linus McNeill France Brown John McLellan, Guy McNeill and Alexander McDonald. Among the wreaths given was one from the Ontario Veterinary Association. Requescat in Pace.

## MRS. MICHAEL QUIGLEY.

There fell asleep in Jesus, at her home in Tryon, on Tuesday 3 a. m. April 11th 1916 Bella, widow of the late Michael Quigley aged 63 years. The late Mrs. Quigley had been in delicate health for years but not until a week before her death did her illness take a serious turn and all that medical skill and loving hands could do could not stay the hand of death and she past away as stated in the assurance of a glorious resurrection. In all her illness no one ever heard her murmur or complain but always manifested that calm patience known only to those who put their trust in God.

## Had a Nervous Breakdown, Could Not Sleep or Work

IS NOW CURED AND ATTRIBUTES HIS RECOVERY TO THE USE OF DR. CHASE'S MEDICINES.

Some splendid results have been reported to us from the combined use of Dr. Chase's Kidney-Liver Pills and Nerve Food. In complication cases they work together with great success. While the Kidney-Liver Pills arouse the action of liver, kidneys and bowels, and so overcome derangements of these organs, the Nerve Food enriches the blood, strengthens the nerves and builds up the system in a general way. Mr. R. B. Hillman, Purbrook, Muskegon, Mich., writes: "About four years ago I was all run down and could not work, and as so writing a letter, I could not do it on account of my hand shaking so badly. My nerves were unstrung and I was troubled with a nervous breakdown. I could not sleep

The deceased was a daughter of the late Joseph Affleck of Beauce. Besides three sons who are left to mourn an affectionate and indulgent mother, there also survive the following brothers and sisters viz—Alexander Affleck, Beauce, Henry Affleck, Texas; Mrs. Robert Dohy, High River, Alta; Mrs. William Sobey, Searletown and Miss Mary Affleck of Beauce. The sons are Henry, Woburn, Mass; William and Alfred at home. The funeral took place Friday 14th inst and the high esteem and respect in which she was held by relatives, friends and neighbours was evidenced by the large concourse of people who came to pay their last tribute to one they loved and respected in life. The remains were laid to rest in Tryon Presbyterian Cemetery besides those of her husband and three children who predeceased her. Rev. J. S. McKay conducted the services at home church and grave.
