The following should have appeared in yesterday's issue and was set up in type for that purpose, but through inadvertence on the part of one of the night mechanical staff it was held out. Highfield Methodist Church was packed last night to hear the sacred concert given by the First Methodist Church choir and other city talent. The program, which was highly creditable, was well received. It consisted of choruses, a recitation by Miss Nettie Ross, a solo and chorus by Mrs. Watts and the choir, a trombone solo by A. W. Gaudet, a solo by Mr. F. H. Beer, a reading by Mrs. G. M. Young, address by Rev. G. M. Young, a violin solo by Miss P. L. Gerge, a male quartet by Messrs. G. H. W. Moore, F. P. Newson, W. F. Collings, and E. H. Beer, reading by Miss H. Phillips and a cornet solo by Mr. W. Cook. At the close Rev. J. S. Parkins tendered the thanks of the audience to the performers coupled with a few very complimentary remarks, and the same was fittingly responded to by Professor Watts. After the concert the performers repaired to the house of Mr. Johnson where supper was served. Quite a number drove out from the city.

**DRUNKENNESS IS A DISEASE AND CAN BE CURED**  
IS YOUR HUSBAND, BROTHER, FATHER or any of your relatives afflicted with the Disease of Drunkenness? We have a cure which can be given WITH or WITHOUT the knowledge of the patient. Read the following which speaks for itself:—  
SAN FRANCISCO, CAL. Dec. 1, 1900.  
DR. W. SAUNDERS & CO., Chicago Ill.  
Dear Sirs—Kindly accept my thanks for the wonderful and permanent cures you have wrought on many members of my congregation. I have organized a society among my members to promote and advertise this most safe and speedy cure for this dreaded disease which so many are afflicted with. You will learn in the very near future of the result of their efforts and place them on the road to live a sober and righteous life. Only wishing I could do more to assist you in this noble and worthy work. I am, Yours in Christ,  
Rev. J. M. B.  
We have and are curing thousands, and we have hundreds of testimonials on file speaking of these wonderful cures. Send for particulars, enclosing a cent stamp for reply. Address: DR. W. SAUNDERS & CO., Sta. C, Chicago, Ill., U.S.A. 1900/1901.

PROF. Macoun who addressed the P. E. I. Fruit Growers Association a few days ago delivered an address before the Social Science Club Ottawa, on Monday last on the Canadian Forests. Mr. Macoun was in charge of the Canadian forests exhibit at the Paris Exposition.

Messrs. Hazard & Mors have issued the second edition of the program used at the Memorial Service in Methodist Church on the day of the funeral of Queen Victoria. The addition of an interior view of the First Methodist Church, draped for the service and photos of Revs. D. B. McLeod, J. W. McConnell, Geo. M. Young, T. F. Fullerton, Leo Williams, G. P. Raymond, R. F. Whiston, adds very much to the value of the souvenir.

The annual meeting of the Cornwall Creamery Company was held in their hall on Monday 4th, inst. The meeting was well attended and harmony reigned throughout. Our new board of directors is as follows:—Mr. Donald Murchison, President, and Messrs. Angus McDonald, Jacob Bain, Wm. W. Crosby, Jas. Howard, and Jas. Drake, Messrs. Wm. Boyle, Robt. Boyle, and Jas. Kellow, resigned their position on the board. We are pleased to see Mr. Murchison again as a salesman. The company evidently believe in keeping a good man when they have him. Our cheesemaker, Mr. Heseltine is to be with us for another year. The date of the annual meeting has been changed to the second Wednesday in January instead of first Monday in March, as formerly—a step in the right direction. This company is progressing favorably being among the companies who paid the highest price for milk last year.

**HEART DISEASE.**  
Some Facts Regarding the Rapid Increase of Heart Trouble.

Heart trouble, at least among the Americans, is certainly increasing and while this may be largely due to the excitement and worry of American business life, it is more often the result of weak stomachs, of poor digestion.

Real organic disease is incurable, but not one case in a hundred of heart trouble is organic.

The close relation between heart trouble and poor digestion is because both organs are controlled by the same great nerves the sympathetic and pneumogastric.

In another way, also the heart is affected by a form of poor digestion, which causes gas and fermentation from half digested food. There is a feeling of oppression and heaviness in the chest caused by pressure of the distended stomach on the heart and lungs, interfering with their action; hence arises palpitation and short breath.

Poor digestion also poisons the blood, making it thin and watery, which irritates and weakens the heart.

The most sensible treatment for heart trouble is to improve the digestion and to insure the prompt assimilation of food.

This can be done by the regular use after meals of some safe, pleasant and effective digestive preparation, like Stuart's Dyspepsia Tablets which may be found at most drug stores and which contain valuable, harmless digestive elements in a pleasant, convenient form.

It is safe to say that the regular persistent use of Stuart's Dyspepsia Tablets at meal time will cure any form of stomach trouble except cancer of the stomach.

Full sized packages of these tablets sold by druggists at 50 cents. Little book on stomach troubles mailed free. Address F. A. Stuart Co., Marshall, Mich.

**A SKATING RECORD.**  
NEW YORK, March 11.—"Phil" Kearney, of the Pawnee Athletic Club, broke the indoor speed skating record in the final heat of the one-mile handicap at the Clermont Avenue rink, Brooklyn, Wednesday night. Kearney covered the mile from scratch after a well judged race in 2:57.35.

**CARD!**  
CHARLOTTETOWN, March 4, 1901.  
ELECTORS OF EAST QUEEN'S: GENTLEMEN: You are aware, no doubt, that a new Election for East Queen's has been ordered for 26th March.  
Time will not permit me to make a personal canvass, nor will I be able to hold many meetings, but have selected a few central places friends of our party in every poll. I again urge upon our friends to keep within lawful bounds, using no liquor nor money, but to put forth every legitimate effort for the success of Liberalism which is clearly the best for this country.  
As the Liberal Government has been so handomely returned throughout the Dominion, and their policy so generally approved of, I need not enter into the public question so fully as I did during the last campaign. It is not open to argument that the interests of the Riding will be more sympathetically treated if a representative is elected to support rather than to oppose the Government that is generously doing justice to this Riding.  
The greatest need of the Province which I see is to complete the Southern Railway and Hillsboro Bridge, and also to obtain an additional, most cash subsidy from the Dominion Government.  
I will devote my energies as your representative to secure these for the Province.  
I most express my gratitude for all the kind services received during the recent campaign in the different parts of the District.  
Yours faithfully,  
March 5 day to  
D. A. MACKINNON.
