Two Games On N. H. L. Card Tonight

(C. P. by Guardian's Special Wire)

Feature of tonight's two-game National Hockey League program is the battle at New York between Chicago Black Hawks and New York Rangers where leadership of the League's American section may change hands. Hawks hold a lead of one point over the second-place Rangers but a win for Lester Patrick's crew will reverse the positions by the same margin.

Canadiens travel to Detroit for a meeting with Jack Adams' Red Wings in the other half of the bill and can take undisputed possession of second place in the Canadian section by winning while Maroons are idle. The Montreal clubs are tied for the second hole three points behind the leading Toronto Maple Leafs.

Chicago Black Hawks are still looking for a right winger to replace Lolo Couture, traded to Canadiens before the season opened. They tried to get Leroy Goldsworthy, a former Hawk, from Canadiens while they were in Montreal but could make no trade.

After winning four games and tying one, Hawks lost their first game of the season 4-1 Tuesday and face a strengthened Ranger team tonight. Earl Seibert has finally joined his club after a lengthy holdout session to add much-needed strength to the defence. It looks like a promising night for the home teams.

Yarmouth To Have Five Team Hockey League

YARMOUTH, Nov. 27—There will be at least five teams in the Town Hockey League this season, it was revealed at a meeting of the newly-formed club tonight when representatives of Milton announced through Copie LeBlanc that they had formed a team and would apply for permission to enter the league within a week.

Already entered are Hawks, C's, Bruins and Barbers. These four operated last season. In addition to the executive the following sportsmen were appointed to the directorate Herbert Morton, George Kinney, Fred Cook, Hugh Conn, Arthur Cann.

A. J. (Sandy) Fraser, elected president when he was out of town expressed words of appreciation for the honor. He said the Yarmouth Amateur Athletic Association originally had been formed with the idea of promoting hockey and now that the hockey club had affiliated with the amateur association the aim would be realized. Everett Dease reported progress on laying of sideboards and erection of players' benches and penalty bench. Since last Thursday about 80 new members have been secured.

Kelley Ruled Favorite In Marathon

(A. P. By Guardian's Special Wire)

NEW YORK, Nov. 27.—Olympic team berths beckon for the United States' outstanding distance runners tomorrow as the Chippewa Club revives the historic Yonkers Marathon, originated 28 years ago at the Empire City race track.

Designated as an official pre-Olympic tryout, the grind has attracted a field of 123 runners from the United States and Canada.

Pre-race dope pointed to Johnny Kelley of Arlington, Mass., Pat Dengis of Baltimore, Leslie Pawson of Pawtucket, R. I., and Mel Porter of New York as outstanding favorites. Dick Wilding, Toronto, and Percy Wyer, Hamilton, Ont., were the leading Canadian competitors.

The race will start and finish at the Empire City track. The last four miles will be run at the track in full view of a crowd that may reach 10,000.

Abbie Team Disbands, Players To Accept Offers From U.S. Centres

Charlottetown Abegweits, lone survivors of the Maritime Hockey League will in a few days be just a memory. After weeks of heroic efforts by both players and management to stick together until the Maritime playdowns rolled around the task was finally given up yesterday and the team is now preparing to disband. Several of the squad will likely accept offers received from Denver, Colorado while it is expected that three others will re-open negotiations with Baltimore interests.

Disbandment follows weeks of uncertainty during which time rumors flew thick and fast regarding the future activities of the club. On Monday last it was felt that the squad would hang together for the season but the attendance at Tuesday's game and evident lack of interest in proposed games with mainland clubs sounded the death-knell to any chance a Charlottetown team had of figuring in this year's Maritime title hunt.

Victorias In Third Place In Senior Group

(C. P. by Guardian's Special Wire)

MONTREAL, Nov. 27—Victorias took undisputed possession of third place in the Montreal senior group tonight by battling to a 4-4 tie with Royals. The one point picked up by the Vics broke the three-way tie for third place formerly occupied by Ottawa Senators, Canadiens and Victorias.

In the first game of the double-header, Verdun Maple Leafs continued their league-leading ways by routing the cellar-dwelling Lafontaine Blues 9-3.

BURGLARIES LAID TO SIX POLICEMEN

SEATTLE, Nov. 27—Police Chief William Kirtley is pressing investigation of burglaries which he blames upon six policemen, a National Guard sergeant and a civilian.

Two of the officers, Kirtley said, have confessed to breaking into a lumber plant and machinery warehouse and hauling away in a police prowler car and a National Guard truck $1,500 worth of goods. The Guardsman and the civilian have confessed to participation in the burglaries, the chief said.

Beavers Eke Out 2-1 Win Over Moncton

(C. P. by Guardian's Special Wire)

MONCTON, Nov. 27—Saint John Beavers defeated Moncton here tonight 2-1 in the second of a series of pre-hockey league games, the deciding goal being scored by Vince Livingston, fleet left winger of the visiting team in the third period when he trapped the Moncton forwards in Saint John territory and outsped the Moncton pack to the goal.

Murphy opened the scoring in the first period when he raced in fast to scoop Nadeau's rebound into the Moncton cage, and George Appleby tied the score for Moncton a few minutes later on a combination play with Yvon Gould and Len LeBlanc.

The game was featured by a somewhat bitter argument in the second period when Bill Walker, former Maritime big four defenceman who is coaching the Saint John squad, refused to leave the ice when penalized by Referee Cy Taylor for slashing Bill Burden, Moncton defenceman. He disputed the referee's decision and another five minutes was added and then refused to go to the hoosegow. The game was held up about fifteen minutes while Walker was making up his mind to serve the sentence, which he eventually did serve.

Canada Defeats England In "Test" Match

(C. P. Cable)
(By Guardian's Special Wire)

LONDON, Nov. 27.—Canada defeated England 5-4 tonight in a "test" hockey match at Streatham to lead in the five-game series 2-0.

Teams representing the two countries staged a keen, close struggle. England led 4-3 at the end of the second quarter but the Canadians tallied twice in the final session.

Stapleford notched two goals for Canada. Milford, Lane and Hodges scored the other three. For England, Chappell scored twice. Kilpatrick and Davey supplied the remaining two.

In the first "test" match, Canada won by the same score.

Seibert Signs Contract With N.Y. Rangers

NEW YORK, Nov. 27—Earl Seibert, rugged New York Ranger defence star, came to terms with Manager Lester Patrick today and signed his 1935-36 contract, thereby ending one of the longest holdout records in National Hockey League history.

Terms reached were not announced but Seibert had refused to sign a contract offering him $6,000 which was reported to be a substantial cut over the salary he received last season when he was chosen for the right defence position on the Canadian Press all-star team.

Manager Patrick reported Seibert was in fine condition but that the Kitchener star would not play in the intra-city game against New York Americans Tuesday night. He will however, don the Ranger uniform for the Chicago Black Hawk game tonight.

High Prices Paid At Old Glory Sale

(A. P. By Guardian's Special Wire)

NEW YORK, Nov. 27.—Prices in the Old Glory auction of trotters and pacers soared today as newcomers to the sulky sport, led by 22-year-old John P. Scripps of San Diego, Calif., vied with veteran trainers and owners in the battle of bank rolls.

De Sota, son of Peter Volo and from Dr. Ogaden M. Edwards' Walnut Hall Farm, sold for $7,500 and 11 other potential champions went for $1,000 or more. In all, 86 head went under the hammer. They brought a total of $92,150, an average of $644, which far exceeded yesterday's figures when 83 yearlings were knocked down for $36,507.

Paul Bowser, Boston wrestling promoter and owner of the Fair Oaks Stable, was the successful bidder for De Sota in a contest with Walter Cox, veteran Goshen, N. Y. trainer. The price of $7,500 was the highest paid for a yearling at the Old Glory since Calumet Dick went for $13,500 some five years ago.

Scripps paid $2,250 for Paramount and $1,050 for Princess Abigail. The former was sired by Peter the Brewer and the latter by Truax.

NEW YORK, Nov. 26—(A.P.)—Searching for another trotter capable of following in the footsteps of Greyhound, winner of the Hambletonian last August, E. J. Baker, St. Charles, Ill., inn keeper, made one foray into the auction ring here today.

He came out with Princess Marina, one of the best bred yearlings ever to go under the hammer of the famed Old Glory sale of light harness horses.

With four outstanding owners and trainers entering into the spirited bidding for the prize of the three-day sale, Baker was forced to go to $7,000 before he led the Princess out of the ring.

Consigned to the sale by Dr. Ogden M. Edwards', Walnut Hall Farm, of Donerail, Ky., Princess Marina came by her high position rightfully. She was sired by Peter Volo out of Margaret Arion and is a full sister to the Protector and the Marchioness. To horsemen this means much, as both the Protector and the Marchioness hung up records of 1:59 1-4 while the latter won the 1932 renewal of the Hambletonian.

The Princess will join Baker's powerful stable trained by Sep Palin of Indianapolis, which includes the speedy Greyhound.

Altogether 35 yearlings and horses in training paraded before the upwards of 2,000 horsemen. They brought a total of $36,507, an average of $440.

Walter Cox, veteran Goshen, N. Y., trainer paid the second highest price of the day, bidding in Lord Zomballe, a son of Volomite from the Walnut Hall consignment, for $2,500.

Civil At Least

(C. P. By Guardian's Special Wire)

CLEVELAND, Nov. 27. — Police were talking about a worried motorist who parked his car in a forbidden spot and left a note on the windshield:

"Do not leave ticket; back in 10 minutes."

When the motorist returned, he found this reply: "Sorry — couldn't wait."

There was also a ticket.

ON THE SIDELINES

NEWS OF THE disbandment of the Abegweit hockey team holds the spotlight today and no doubt will be discussed wherever hockey fans are wont to gather. But said news should occasion little or no surprise. For weeks now the team has been hanging together by the slimmest of threads and although at different times it was stated the team would continue to function there was a strong feeling that the obstacles facing the management and players would prove too difficult to surmount. But the management did not concede defeat before exhausting every means at their disposal; even then they were willing to carry on but here the players themselves stepped in. They could see little hope of making a success out of a season that started with two strikes against it and rather than jeopardize their hockey activities decided to accept the offers that United States clubs had been dangling before them.

AND SO PASSES OUT of existence the last of the teams that brought to the Maritime Provinces the fastest amateur hockey played in the Dominion during the past three years. For the first time in many years the Abegweit team will not be eligible for the Maritime playdowns and the sad part of it is that it was through no fault of local officials or players that this state of affairs now exists. When Wolverines, facing an Olympic trip, failed to muster a team it marked the beginning of the end; St. John then did the dismantling act and the Abbies were left "holding the bag."

THE LOAD WAS too big to carry however; gate receipts showed that interest had dwindled with the M. H. L. and the locals were forced to follow the same procedure as their former rivals. And now comes the question of just what future faces hockey in this Island province. A strong three team junior league is being mooted while a City League boasting seven teams gets underway this week. This latter loop will provide plenty of stirring competition but the hopes for a senior squad in future years lies in the ranks of the juniors.

NOW THAT THE seniors no longer hold the favored spot it is likely that the juniors will be encouraged more than ever before. But be that as it may there is no getting away from the fact that the future of hockey in Charlottetown depends on the support accorded the youngsters.

PLANS FOR "Youth Night" are going ahead apace and it becomes evident daily that a large crowd will be on hand at the Forum Friday night. The two midget teams, Canadiens and Maple Leafs are getting in practices while the junior squads Rangers and Royals showed decided improvement after each strenuous workout.

PERFORMERS in the coming Ice Circus at the Forum have been recruited from top-rankers from America and Europe. They are kings and queens in their respective divisions of acrobatics and gracefulness and the coming performance ranks as the best ever to be seen on an Island ice surface.

THE CITY Hockey League meeting postponed from last night takes place tonight at the Holy Name Club at 7 o'clock. It is not necessary to remind the management of the various teams that the names of their players must be handed in tonight and their presence is urgently desired.

292 Records To Be Passed By United States A.A.U.

NEW YORK, Nov. 2.—A total of 292 record-making American performances in track and field events, swimming and weight lifting will be passed upon at the annual convention of the Amateur Athletic Union here Dec. 6, 7 and 8. The list shows a decided increase over last year's mark of 158.

As usual, the tabulation announced today shows male athletes far ahead of women in the business of record breaking and the swimmers turning in a greater number of new marks than the performers in other fields.

Ralph Flanagan of Miami, Fla., one of the outstanding free-style swimmers, tops the list with a total of 24 marks up for recognition as records. His marks range from 3:19 for 300 yards up to one mile in 21 minutes, 3-10 seconds.

Jesse Owens, the great negro sprinter and broad jumper from Ohio State University, has eight records in his specialties up for consideration. Helen Stephens of Fulton, Mo., is second among the track and field performers with seven records in the dashes and the standing broad jump

Marathoners Gather At Berwick Pa.

(A. P. By Guardian's Special Wire)

BERWICK, Pa., Nov. 27. — The fleetest of North American 10 milers gathered tonight for the 26th annual Thanksgiving Day marathon over the rugged Briar Creek Hills, with a new record expected to be set in the meeting of Robert Rankine, Preston, Ont., and Ellison Brown, the Westerly, R.I., Indian sensation.

Rankine, twice winner of the race, was among the first arrivals, and brought with him five fellow Canadians—Wilf McClusky, Milt Wallace, Walter Hornby, Bob Morrison and John Yeaman.

Syndicate To Take Over St. Louis Browns

(A. P. By Guardian's Special Wire)

ST. LOUIS, Nov. 27.—The Globe-Democrat tonight said a syndicate of 10 sportsmen here, including George Sisler, has been formed to purchase St. Louis Browns of the American Baseball League.

The paper said Sisler, a former Brownie manager and one of the great first basemen in diamond history, and several others had already obtained an option on the club.

No attempt will be made by the syndicate, the paper stated, to buy Sportsman's Park, home grounds of the Browns and St. Louis Cardinals, or other baseball property owned by the estate of the late Phil Ball.

Sisler and his partner in a softball venture here, Edward Marsh, were understood to have originated the syndicate.

Among others who the Globe-Democrat said are backing the project to purchase the Browns are Frank Ruppentahl, owner of the championship Flyers of the American Hockey Association; Ed Steffen, fur dealer; Edward Magnus, brewery vice-president; Eugene Funsten, businessman, and Walter W. Smith, banker.

Club officials here declined to discuss the rumored sale, but the newspaper said Louis B. Von Waise, New York, President of the Browns, had set a tentative figure at which the club may be purchased.

Interprovincial Union Football Players Pack All - Eastern Teams

(By Elmer Dulmage)
(Canadian Press Staff Writer)

(C.P. By Guardian's Special Wire)

TORONTO, Nov. 27—Out of an unusually hot three-front gridiron scramble, which led to the same finalists as last year after all, came the 1935 Canadian Press All-Eastern football teams tonight with the old story that the Interprovincial Union packs the greatest players in this sector. Only two players outside the Big Four circles made the first team.

Bobby Coulter, masterful little quarterback of University of Toronto's fine team and the massive Ormond Beach, Sarnia's 230 pound dynamiter from Kansas, were voted All-Eastern recognition for the first time. The best that other college and O. R. F. U. stars could do was the second team.

Not in any of the previous three All-Star Eastern teams did the selecting sports writers and coaches pick a defence of such quality and at the same time a first team with every element for diversified attacking. And never before did they find it necessary to discard so many outstanding performers in every position.

They put Ted Morris, Argonauts' "perfect player" and captain at flying wing; Huck Welch of Hamilton Tigers and Abe Eliowitz of Ottawa Roughriders in the offensive half positions and the mighty Beach at secondary defence half. It so happens that Morris, Eliowitz and Beach, in particular, are celebrated as defensive players.

On the second team's half line were Johnny Ferraro of Hamilton, Hugh Stirling of Sarnia Imperials, Joe Connelly of U. of T. and burly Pat Ryan of Montreal. This is a backfield that has tremendous ball-advancing powers in each department from the accurate-passing Ferraro to the fleet, pass-catching Connelly.

Kept off the All-Eastern slate were other smashing performers, notably Rocky Parsaca of Sarnia, Johnny Munro and Harry Sonshine of Queen's, Hugh Marks of U. of T., Herbie Westman of McGill and Stan O'Neill of Ottawa. Parsaca, whose comeback has been a feature of the Imperial drive towards another Canadian championship, is a leading candidate for honorable mention.

Only two out of 26 selectors in Montreal, Ottawa, Kingston, Toronto, Hamilton, London and Sarnia failed to place Eliowitz on the first team. Big Abe, brilliant leader of a moderately successful Roughrider team, came closer than any other player to being accorded a unanimous call.. It marked his second consecutive selection.

Welch, whose great burst of scoring featured Hamilton's Big Four victory, was given 21 votes and Beach 20. Only two others achieved 20 or more, Tommy Burns of Argos getting exactly that number for middle wing and Wes Cutler of Argos polling 22 for outside. Both were outstanding stars of the sculler machine.

Demotion was on the books for Sarnia's Hugh (Bummer) Stirling, one of the best punters and all-round halfbacks in the country. Stirling was on the first 1934 All-Eastern team and he is as great a player this year as ever. But he hasn't worked as hard, plunged as effectively, because he hasn't needed to.

Selection of Coulter, acknowledged to be the best quarterback and one of the best ball-carriers in the East, was at the expense of Ab Box, former Argonaut punter who joined Balmy Beach this fall in the hope that the Toronto east-end club could overcome Sarnia. As long as Box was at the helm, they had a chance.

The equal of Stirling, Welch or any of them at kicking, Box achieved remarkable success in forward passing until he was injured late in the campaign. He was in bed when the Imperials crushed the beaches in the two-game O. R. F. U. playoff, but he had shown enough to earn All-Eastern recognition for the first time.

Still Anxious For Playoff With Bearcats

(C. P. by Guardian's Special Wire)

MONTREAL, Nov. 27—Officials of the Quebec Amateur Hockey Association have not given up efforts to have Port Arthur Bear Cats meet Montreal Royals in a playoff to decide Canada's Olympic hockey representatives, Alphonse Therrien, Secretary of the Q. A. H. A., said today.

Mr. Therrien's statement followed an announcement by Frank Greenleaf, past president of the Canadian Amateur Hockey Association, that only two votes had been cast in a telegraph ballot favoring the playoff. The Bear Cats were named as Canada's Olympic hockey team following failure of the Halifax Wolverines to assemble their Allan Cup team.

Will Not Attend Olympic Games

(A. P. By Guardian's Special Wire)

LOS ANGELES, Nov. 27.—Asserting an "unolympics atmosphere" prevails in Berlin, scene of next year's Olympic Games, Zach Farmer, managing director of the 1932 games here, said today he would not attend the international contests in Germany.

"The Hitler Government," said Farmer, "has violated the true Olympic doctrine and violates the Olympic practice by cleverly dominating, behind the scenes, the preparations for the games."

Farmer did not comment specifically on the question of United States participation.
