

### A Salesman's Story

"Yes sir," this is Stanfield's Unshrinkable underwear, pure wool and guaranteed not to shrink. There are other goods marked "Unshrinkable," "Warranted not to shrink," etc., but they are mostly of foreign make and are either part cotton or do shrink.

"Stanfield's" however, are made entirely from the best Nova Scotia wool, by the Truro Knitting Mills Co., the largest manufacturers of high-class knit underwear in Canada; they guarantee them to us; we in turn guarantee them to you in the only way that is worth considering—"Your money back if they shrink." Get the size that fits you and they will outwear any other goods on the market and always be comfortable. No more expensive than any other underwear of equal quality.

is sold by Dry Goods and Gent's Furnishing Stores. Ask your dealer for them.

### SEASONABLE HINTS

#### Guard Your Health in Fall and Early Winter.

A change from warm to cold is always attended with more danger than from a cold to a warm temperature, hence the greater mortality from lung and throat diseases at this season of the year as compared with spring.

The best protection against colds is not so much in extra clothing as in good digestion.

If the digestion and circulation are good, cold will be unknown.

Poor digestion causes poor circulation of the blood and when in this condition severe colds are contracted on the slightest provocation.

People who make a regular practice of taking Stuart's Dyspepsia Tablets after meals are free from colds, simply because their digestion is perfect, the heart strong and regular, and the whole system fortified against disease.

It requires little argument to convince anyone that the best safeguard against colds, pneumonia and changes of temperature is a good stomach.

Stuart's Dyspepsia Tablets taken after meals are dissolved and mingling with the food cause it to be promptly digested and assimilated; they do this because they contain nothing but harmless digestive elements, which digest meat, eggs and other food even when the stomach itself is weak and flaccid.

Stuart's Dyspepsia Tablets make people well and keep them well, and the best habit you can acquire is to keep daily use of them at meals to make the digestive organs strong and vigorous.

## Kerosene Oil

Now that the long fall evenings are here you have to light your lamp early, and if you do not have a good grade of Kerosene Oil you have very poor satisfaction.

Cheap low-grade Oil not only smokes and darkens the lamp chimneys, but it also creates a very disagreeable and unhealthy odor in the house.

We handle only the best grade of American Oil so if you buy your Oil from us, you can depend on getting the best value for your money every time.

Send or bring your can to us to be re-filled and we will give you satisfaction both in quality and price.
