

HOW DO YOU KNOW THAT YOU HAVE NOT KIDNEY DISEASE?

EVERY YEAR THOUSANDS DIE OF NEGLECTED KIDNEYS.

Put Yourself to the Test.

If there are dull aches in the back, or sharp shooting pains through the hips... If you are uneasy at night, and sleep is broken and fitful... If the stomach is upset, tongue coated with white fur, and no appetite... If there are headaches, that eyes glaze and "headache powders" fail to relieve... If the hands, feet, or ankles are puffy or swollen... Know yourself. If you have any of these signs of serious kidney trouble, cure yourself. Take "Fruit-a-lives."

We are selling more fall coats this autumn than ever since the economic business. There must be a reason - drop in and let us show what the reason is. Coats here from 3.90 to \$28. Moore & McLeod. 11-7dj1

We are continuing our great sale of wall papers. Many hours are being made brighter and more home like this autumn on account of this one third off sale. Remember this is P. E. Island's banner wall paper stock that is being offered - at a discount of one third. Moore & McLeod. 11-7dj1

Ms. Smith's free classes in art embroidery at the Y M C A hall afford a splendid opportunity for every lady to get some new idea in this fascinating art. Classes open on Nov. 11th we recommend all our friends to enroll early. Moore & McLeod. 11-7dj1

For 2.00 per suit we are showing a fine assortment of pure wool unshrinkable underwear made by Stanfield. The Penman people, Hewsons, and the H. B. K. Co. Every line is splendid - there are trifling differences to suit different tastes - the weights are fine - the sizes run from 34 to 44 and the values from 2.10 to 2.40 per suit. Our low special price is 2.00 per suit and at this price the line has no rivals. Moore & McLeod. 11-7dj1

WE PUT ON SALE TO-DAY, Twenty-seven (27) Russian Omburg Neck Furs at \$15.00. Those furs are famed for their elegance, beauty, and remarkable nearness in appearance of Mink. Those pelts are not dyed, being made from the natural just as they came from the animal. A great many ladies of Charlottetown and country have seen these furs, and are unanimous in their opinion as regards their distinctiveness. We do not think this line of furs is shown on P. E. I., at least, we have yet to see them. We have also added about a dozen Columbia Sable and Sable Fox Ruffs and Collarettes, so as to allow the lady who prefers the darker furs to participate in this wonderful offer. James Paton & Co. 11-7drfr

Scotch Blankets at less than mill cost. You will purchase blankets here this week for less than we could place orders for them with the mills to-day. That statement coming from a less reliable source might be questioned. We flatter ourselves that seeing it here you will hesitate to say that it is not so. Orders for many of these blanket numbers were placed last March by our buyer when in Glasgow, Scotland. Jas. Paton & Co. 11-8drfr

S. A. McDonald's great discount sale is now on. Every thing must be sold by January first. A rare opportunity of securing high class goods at near one half their value. 11-8drfr

We are very proud and rightly so - of our showing of dining room furniture. There are many different styles in the following finishes: Dary English, Golden Oak Waxed, Weathered Oak and Polished Golden Oak. You will find here a selection of these goods unequalled by other furniture stores. Jas. Paton & Co. Beautiful new dress goods. Our dress goods department is ready with a splendid showing of the most modish, worthy and beautiful autumn fabrics. All that's new and good is represented in broad variety, with a full quota of the staple weaves in which the seasons make no change. New broadcloths, chevrons, serges, etc. in soft, rich autumn tones - new striped, plaids, checks, in beautiful array, invite your admiration. And, as usual, novelties are included which are not to be found in any other store. Because these new fabrics are so charmingly fresh, because varieties are so remarkably complete, and because our opening prices are so wonderfully attractive, this is the best time of all to inspect and select from them. Ask to see our clearance line worth up to \$1.25, on sale at 90c. This showing consists of 8 pieces colored tweed just the thing for coats or suits, black and blue is included. Jas. Paton & Co. Celery - Celery, Pumpkins and Squash. This is an age of improvement and advancement. Twenty five years ago celery was only used by the rich and a few knowing ones who were in the secret of its wonderful medical properties. Now with the modern facilities for growing it and comparative cheapness there is no excuse for not having it on the table every day. We offer choice winter keeping Celery at \$2.00 per barrel. At the price our wholesale stock should be soon exhausted as we must have large quantities for our retail trade. We all can remember the delicious pumpkin and squash pies our mother's used to make, (those good old times.) Ask your wife if she can make some pies like your mother, and it would do no harm to intimate that you believe she can. Pumpkins and squash will only keep a few weeks more, the season has not been congenial for the keeping qualities. You remember we advised that the tomatoes were a short crop and they are now "a thing of the past" this is equally true of the pumpkins and squash. J. J. Gay & Son every day market. 10-24dtsthtf
