JUST ANOTHER CASE OF A FACTORY that wanted money more than the goods. Three or four telegrams, and a final offer of a very low cash price to clear the lot resulted in the arrival here of what is we believe the greatest waist bargain that has ever been seen in Charlottetown. The lot is large—we have at the moment of writing, a great stock of every size from 32 to 42, but at the wonderful bargain price we have made, two or three days selling should utterly clear out the whole line. Now—if you want any—and when you see them you will want some—it is your plan to go down to our ready to wear department by nine o'clock this morning. Come—and come promptly—if you do not agree that this waist sale offers you the greatest waist value you have ever seen—we will be amazed—that's all.

The styles are superbly right. Ten dozen beauties worth as high as 3.25 on sale at \$1.50

Perhaps the choicest portion of the great waist sale will be found in this assortment. On going over the garments we found in two or three cases that they included duplicates of goods that we had in stock a few weeks ago at 2.75 and 3.25. The assortment includes about five different designs, ten dozen in all—and embraces all sizes from 32 to 42. The beauty of the models—the care of the finish—the perfection of the style—and the accuracy of the fit would make this offer a good one at 2.50 all round.
