

TO THE WOMEN OF THE UNITED STATES. Successful Home Treatment.

Dr. Hartman's Cure for Female Diseases--A Generous Offer to Women.

Invalid Women are Applying by Thousands for Dr. Hartman's Free Home Treatment by Letter.

MRS. J. P. COADY, Treasurer of the Ivy Leaf Club, 1522 6th Avenue, Council Bluffs, Iowa, writes: "Peruna is no experimental medicine. I have used it off and on now for three years. At that time I was cured of irregular and painful menstruation. Since that time I have taken it for indigestion or whenever I felt overworked and in need of a tonic, and I have always found that it was of great benefit to me. I am therefore pleased and happy to say a word in its praise and shall gladly endorse it to my friends."--Mrs. J. P. Coady.

Mrs. J.P. COADY

Miss Hattie Grace, 254 West 40th St., New York, writes: "Peruna has changed me from a fretful, irritable, nervous woman into a healthy and a happy one. Nothing seems to worry me and I feel any more. Since early womanhood I suffered with bearing down pains and nervousness. I was thin and worried, but Peruna restored me. Those who know me before cannot understand the change, but I can say it all up in the blessed word, Peruna."--Hattie Grace.

Miss HATTIE GRACE

Mrs. Elizabeth Ferguson, No. 131 1st St., Brooklyn, N. Y., President West Brooklyn Audubon Society, writes: "I am pleased to tell what a blessing Peruna has been to me. Several years ago my constitution seemed broken down and I cared little whether I lived or died. I had taken so much medicine that the sight of a bottle made me sick. I had read about Peruna curing women, and I thought perhaps it would help me. I bought a bottle and before it was finished I felt better. I kept on taking it, and after three months I felt like a new woman and was able to do the work and undergo the strain of younger days."--Elizabeth Ferguson.

Mrs. ELIZABETH FERGUSON

DR. HARTMAN

In view of the great multitude of women suffering from some form of female disease and yet unable to find any cure, Dr. Hartman, the renowned gynecologist, has announced his willingness to direct the treatment of as many cases as make application to him during the summer months without charge.

dropy of the abdomen, should apply at once and become registered as regular patients. All correspondence will be held strictly confidential.

As is well known, Dr. Hartman is the president of The Hartman Sanitarium, an institution which has a department devoted exclusively to the treatment of female diseases. He is thus brought to the thousands of such cases every year, the most of whom return to their homes to be treated by correspondence. The principal remedy he relies upon in such cases is Peruna, which every woman should have who has any affection of this kind. Those wishing to become patients should address Dr. S. B. Hartman, Columbus, Ohio.

No one knows better than Dr. Hartman how much the women suffer with diseases peculiar to their sex. No one knows better than he does how many of them suffer with such diseases. Patiently, hopefully, wearily, and often silently, they live out a miserable existence, year after year.

No martyr in poetry or heroine in romance makes a more touching appeal to human sympathy than the woman burdened with the care of a family, trying to carry the extra load of some tormenting and ever present female disease.

Dr. Hartman's sympathy for such is unbounded, and his willingness to help them limited only to his power.

SAY THEY ARE CRUEL TO ROCKFELLER.

NEW YORK, May 31.--The recent criticism of John D. Rockefeller growing out of his gift of \$100,000 to the American Board of Commissioners of Foreign Missions, are declared in an article of Rev. D. Robert Stuart McArthur, pastor of the Calvary Baptist Church of this city, to be published tomorrow in The Examiner, a Baptist publication, to be most cruel and perhaps criminal, and to have maligning the whole Baptist denomination. He protests against the condemnation of our churches by "these cowardly and unjust attacks," declares that no one knows better than Mr. Rockefeller that he cannot buy the approval of Baptists by his millions, that Baptists would advocate his expulsion from the church if it were proved that he has acquired his money dishonestly or by means morally or socially destructive. He adds that he has investigated certain business transactions which have been fiercely denounced by Mr. Rockefeller's critics and has found them in accordance with the highest standards of commercial morality. Mr. Rockefeller, he asserts, is worthy of confidence, admiration and affection and he appeals for fairness of judgment for him.

M. TRAINOR & CO. Perfection Clothiers.

THE INSIDE OF THE ENTIRE BODY

Of the Enterprise Monarch Steel Range, made by the Enterprise Foundry Co., Sackville, is covered by asbestos, which is practically indestructible, absolutely fire-proof and a perfect non-conductor. It prevents undue radiation of heat, and effectually confines it within the range, which tends to greater economy in the consumption of fuel. For either coal or wood and supplied with hot water front or detachable copper tank holding nine imperial gallons as desired. Fennell & Chandler, Charlottetown, or Brace, McKay & Co., Summerside will be glad to show this range to all who call.

WOMEN'S BLOUSES.

They have snappy graceful lines and are becoming to most figures. Fashion favors them promptly. And all women whether they follow the lead of fashion blindly or discriminately, take to them at sight. The newest and prettiest are here of course. Not a miss-or-hit collection, but a great display of the most popular styles that have fallen from the hands and minds of brightest makers. It is a brave, captivating gathering, meriting the continuous throngs that pause about them.--James Paton & Co. 3dwtl.

INTENDING INSURERS MARK!

It is not what has been but what is and will be that interests you in LIFE INSURANCE. Therefore select the Company that is NOW earning the highest rate of interest and whose investments are so placed as to insure a uniformly high rate or YEARS TO COME. Remember that ONE per cent of increased interest on the funds of a company will on the average have as great an effect as a saving in expenditure equal to TEN per cent on the premium income.
