HOCKEY

An interesting game of hockey was played on the Augustine Cove Arena on Feb. 20th between the Arrows of Tryon and the Cove Stars.

The Stars were victorious by winning a 6 to 2 victory over the Arrows. The ice was heavy and the Arrows were handicapped by the lights which they were not used to, they being very dark, however, it was a real game of hockey with both teams working hard.

The first period got away at 8.25 with Harold Mabey of Tryon at the whistle. From the face-off the puck was at once carried into the Stars territory where Woods scored number one for his team with a pass from Howatt, centerman of Arrows.

The rest of the period was fast with long range shooting. Two minutes before the whistle H. Sherron evened the score by a shot from centre ice.

The second period opened up by the Arrows again going strong and shots from Woods, Howatt and MacDonald were repeatedly saved aside by Campbell who was playing a great game for his team. Then the scoring machine of the Stars came into action and finished the period up by adding three more to their list which made it 4—1.

The third period got away with Clark of the Stars going into the Arrows territory for a goal but was met by defence and B. Howatt defence man of Arrows getting puck and taking it from end to end for the second goal for Arrows. A little while later Sherron of the Stars again scored while Earl Clark followed soon after making score 6—2. Harold Mabey referee got hit by puck and Lloyd Howatt took his place for remainder of game.

Cameron scored the largest number of points while E. Goss took honors for the losing team.

On the whole it was a fair game featuring good combination at times but both teams showed lack of condition.

Alexandria, 3. Cornwall, 3.

The Alexandria "All Stars" and the Cornwall "Grizzly Bears" played their second game at the Arena which was a brilliant game of hockey. The first period opened very slow and after one minute of play Cornwall scored, this started the All Stars and some fast hockey was played but Cornwall scored two more in quick succession. The period ended 3-0 in favor of Cornwall. The second period opened fast and after nine minutes of play, Frank Burhoe with one of his deadly wing shots scored number "one" for the All Stars and the period ended 3-1 in favor of Cornwall. The third period was the fastest of the three, Alexandria playing a game of hockey that will long be remembered clearly playing Cornwall of their feet and scored two goals before the period ended.

Chandler scored the final goal for the All Stars, which made the score 3-all.

Mr. Ryan refereed the game quite satisfactorily.
