"Yes, Sonny, I always buy both"

HOUSEWIVES now order their Bon Ami several packages at a time. In the old days, when Bon Ami came only in cakes and was used only for windows and mirrors, a cake at a time was all right. But now that this magic cleanser is made in powder form, too, and women have discovered so many uses for both Powder and Cake, they like to keep a reserve supply always on hand.

Bon Ami speeds up housework. The way it blots up dirt and impurities is really magical. There's nothing like it for cleaning bathtubs and tiling, painted woodwork, windows, mirrors, fine kitchen utensils and dozens of other things. And it never reddens the hands.
