Dominion of Canada Refunding Loan 1923 5 Per Cent Bonds

Dated and bearing interest from 15th October, 1923, and offered in two maturities as follows:

- 20 year Bonds due 15th October, 1943
- 5 year Bonds due 15th October, 1928

Principal and semi-annual interest (15th April and 15th October) payable at any branch in Canada of any chartered bank, or at the office of the Receiver-General at Ottawa, or that of the Assistant Receivers-General, Halifax, St. John, Charlottetown, Montreal, Toronto, Winnipeg, Regina, Calgary or Victoria

Denominations: \$100, \$500, \$1,000

All bonds may be registered as to principal only, and bonds in denomination of \$500 and authorized multiples thereof may be fully registered.

These bonds are authorized under Act of the Parliament of Canada, and both principal and interest are a charge upon the Consolidated Revenue Fund.

To Cash Subscribers Offering Terms

This issue presents a most attractive investment. The security is incomparable and the income return high. The bonds will occupy an investment position equal to that of Canada's Victory Bonds.

To Holders of 1923 Victory Bonds

In addition to the bonds offered for cash it has been arranged that all owners of Victory Bonds due November 1st, 1923, may exchange their holdings for the same amount of the new issue. They will receive in cash the difference between the face value of their maturing bonds and the purchase price of the new security, namely: at the rate of \$1.75 per \$100, for 20 year bonds and \$1.10 for five year bonds.

Special Privilege

Interest coupons on bonds exchanged are to be retained by the owner and cashed on November 1st. As the new bonds will be dated October 15th, holders who exchange will thus receive an extra half month's interest thereby reducing the cost of 20 year bonds from 98.25, and 5 year bonds from 99 to the following:

- 20 YEAR BONDS 98.25 and interest yielding 5.14%
- 5 YEAR BONDS 99 and interest yielding 5.23%

- 20 YEAR BONDS 98.02 and interest yielding \$1.66%
- 5 YEAR BONDS 98.02 and interest yielding 5.16%

This offer is made subject to prior sale and to advance in price.

Dominion of Canada Bonds are the most attractive Investments obtainable in Canada.

Orders or instructions for exchange may be telephoned or telegraphed at our expense.

There is reserved to allot a less amount of bonds than applied for, and to sell for cash more than \$50,000,000.

These bonds are offered for delivery in interim form on or about October 15th, 1923, when, as if issued and delivered to us.

We solicit your subscription which will have our best attention and will be pleased to make delivery free of charge through purchaser's bank or direct by mail.

IN MEMORIAM

MRS. JOHN VANDERSTINE

The community of Peters Road was saddened when on Aug. 18th Mrs. John Vanderstine (nee Mary Kerwin) passed away in the 62nd year of her age.

Although ailing for some time she was able to attend to her household duties to within a short time of her death, which came as a great shock to her family.

She was a kind neighbor and friend and a devoted wife and mother in the home where she will be missed so much by all.

She leaves to mourn her loss her husband and five sons: Harry and David who had left home a few weeks previous to her death for Western Canada and were unable to be present for the funeral. Hayden, Edgar and Alexander at home, also one daughter Mrs. Sidney Irving of Cambridge Road who cared for her in her illness.

The funeral service which was conducted at her home by Rev. J. S. MacKay was very largely attended.

Many floral tributes were placed on the casket in sympathy with the family and as a token of respect to one who is gone never to return.

The sheaves may fall from the reapers hand And lie unbound where the stubble stand And there will be grief in the family band I shall not share.

Francis Callaghan

It is our sad duty today to record the death of Francis Callaghan, Dromore, in the 73rd year of his age. The late Mr. Callaghan was born at what is now called Waterville; but spent most of his life at Dromore where he carried on successful farming operations. He made a great success of intensive farming, i. e. growing heavy crops on small plots.

The late Mr. Callaghan was a very kind-hearted man, and a man of deep sympathies. He was a kind and obliging neighbor and was always in the forefront of any movement for the welfare of the District and the community generally.

In politics Mr. Callaghan was always a staunch and loyal Conservative; but never allowed his political opinions which were very pronounced at times to interfere with the good will he bore his neighbors.

Mr. Callaghan was a true Christian in every sense of the word. He was attended in his last illness by Rev. A. J. McDonald, his pastor who also performed the service at the grave.

His funeral took place at Fort Augustus on Sept. 7th, and was the largest seen in this vicinity for a long time.

He leaves to mourn a sorrowing wife and the following sons and daughters: John F. and Hugh at Dromore; Mrs. Michael O'Brien, Morell; Mrs. James Smitherman, Boston; Mrs. McCordle St. John N. B. and Mrs. Thos. Manning, Boston; Also the following brothers and sisters:

Hugh Lake Verd; John Fort Augustus, and Mrs. James Cunliffe Waterville. To all of whom we extend our sincerest sympathies.

The pall bearers were as follows: Patrick Kelly; Philip Coyle; Patrick Curley; Patrick McGuirk, Edward Hughes; and James Hughes, R. I. P.

IN MEMORIAM

In loving memory of Alexander MacCallum of Ebenezer who departed this life Sept. 25, 1921.

'Tis hard to part when friends are dear.

'Twill often cause a sigh, a tear But Jesus knows just what is best And giveth his beloved rest, Without the smile of his kind face.

It leaves our home a saddened place, Inserted by his wife and family.

MRS. F. J. MORRISON

There passed away on Aug. 6th at her home on Peters Road after a lingering illness Mrs. F. J. Morrison in 78th year of her age.

Mrs. Morrison was born in Scotland, her parents Mr. and Mrs. Wm. Johnston came over to Canada when she was but a few months old and settled on Peters Road being the first settlers in that part of the country.

She was a good Samaritan to all in trouble and but rather a careful transplanting of the precious bud, by an all-wise Gardiner, to a fairer, brighter sphere where it will blossom into a higher degree of perfection than could ever be attained in this world of sorrow and distress.

To the other members of the family, the grief-stricken father, brothers and sister, we also extend our heartfelt sympathy.

We know that words are powerless to heal the breaking hearts, and would therefore commend you to the tender mercy and loving care of Him who hath said: "Lo, I am with you always; even unto the end of the world."

Signed in behalf of "Queen Mary" Women's Institute.

Do not allow worms to sap the vitality of your children. If not attended to, worms may work irremediable harm to the constitution of the infant. The little sufferers cannot voice their ailments, but there are many signs by which mothers are made aware that a dose of Miller's Worm Powders is necessary. These powders act quickly and without inconvenience to the child.

Fire Ball Explodes In London Church

(By Dominion News Service) LONDON, Sept. 25.—A mysterious incident, ascribed by members of the congregation to a "ball of fire," occurred at Homingbrough Church, near Selby, during a service on Saturday afternoon.

"During the vicar's address," said a member of the congregation, "a large ball of fire came through the open north door, and rolling up the aisle, exploded with a deafening crash.

"Everybody was blinded by the brilliant light, and everything was in confusion. Some of the people ran out.

"The organist, Mr. Ellis, in the organ loft, and Mr. Hudson, the vergier, had their faces smirged by the ball.

"For over a quarter of an hour we could hardly breathe. The atmosphere was thick with sulphur fumes."

Another singer named Morley corroborated this story.

A Wealth of Warmth Without a Pipe

70 DEGREES
70 DEGREES
A COOL CELLAR

No messy mussy pipes or coil radiators in your house when you have the Enterprise All Cast Pipeless Furnace. No smoke, gas, or soot, (com- mod with other heating systems) when you have the Enterprise in your home—and best of all

No Cold Rooms in Your Home This winter

if the Enterprise is standing guard in your cellar.

You won't need to dress in a cold room; go down shivering to a cold kitchen or breakfast in a cold dining-room; if you have the Enterprise in your cellar. All through the day and night you can have every corner of every room heated to just the temperature you desire and at no greater cost for coal than the ordinary base burner.

Isn't it worth something to you to know that you will always have your home well heated, no matter how cold the weather may be outside?

The Enterprise All-Cast Iron Pipeless Furnace takes all the doubt and guess-work out of home heating—You are sure of a wealth of warmth whenever you want it.

Consider These Points of Perfection in the Enterprise All Cast Pipeless Furnace

The Enterprise All-Cast Pipeless Furnace supplies humidified air pure, healthful—demanded by hygienists and physicians for the preservation of health and comfort in the home.

Can be used equally well in a small home or a large public building—requires a cellar only 6 feet square and can be installed in one day.

Can be supplied with a hot water coil, sufficient to heat a 30-gallon tank, sufficient for bathroom or kitchen.

Warms your home to an even temperature in any weather.

Permits the storage of fruit and vegetables without building separate room.

Keeps the house free from gas, soot, smoke and dust.

No danger of furnace overheating or burning out, through the great volume of air circulated.

Changes the air often because of its large casings and register.

Is easy to fire, owing to the large feed door, no coal or other fuel to fall around the floor.

Makes it easy for you to carry light or heavy fire, as you wish.
