BOY WANTED.—A boy about 16 years of age for inside work. Apply at Clifton House, Summerside.—18 tf

Miss Eva Wright returned to Sackville yesterday morning to resume her studies in Mt. Allison Ladies College.

Mr. W. J. Caldwell, Kensington, shipped a handsome draft horse yesterday morning to Newcastle, N. B.

A SPECIAL meeting of the Summerside Board of Trade, was held Thursday evening, to consider matters in reference to the Summerside Cape Tormentine winter route. There was a fair attendance, but no definite action was taken and the meeting was adjourned pending the receipt of the Government Engineer's report on the recent survey at Cape Tormentine.

Rev. Edwin Simpson will preach in the Baptist Church tomorrow evening at 6.30.

Many of his Summerside friends and among them THE GUARDIAN branch office are indebted to Mr. W. S. Louson, the popular representative of Messrs. S. Green-shields, Son & Co. for copies of his business card received yesterday. Three pages of this neat little folder are devoted to the firm's regular business announcements, brightened by two catchy half tone cuts. On the fourth page is the beautiful form "Here's looking at Him" which is a real literary gem. The writer was a Mr. Gibbs, a well-known commercial traveller, representing a large mercantile house in Kansas City and who died of pneumonia in the Midland Hotel, Kansas in March 1899. As a tribute to his memory the proprietor had the form engrossed and illuminated and set in a magnificent frame. In this shape it is now one of the attractions of the hotel. A call at Mr. Louson's permanent sample rooms, Gillis Building, Charlottetown, will convince his patrons that in the selection of goods as well as of poetry, he is an artist. This form which is to commercial travellers what the National Anthem is to Britons will appear in the GUARDIAN Monday morning.

Poor Quality of Blood

A Frequent Cause of Consumption, Heart Failure and Other Constitutional Diseases—Dr. Chase's Nerve Food as a Blood Builder.

The heart, the lungs, the stomach, the liver, the kidneys, and bowels cannot perform their functions and repair wasted tissue when supplied with blood that is deficient in nutritive qualities, and sooner or later the weakest organ succumbs to the attacks of disease. The indications of thin, watery blood are paleness of the lips, gums, and eyelids, shortness of breath, weakness of heart action, and languid, despondent feelings. These symptoms are usually accompanied by nervousness, sleeplessness, and general weakness of the body. It is positively useless to doctor the symptoms, and injurious to use opiates or stimulants. Cure can be brought about gradually and certainly by the use of Dr. Chase's Nerve Food, which contains in condensed pill form all the elements required for strengthening and revitalizing the blood. As a blood builder and nerve restorative, Dr. Chase's Nerve Food is of inestimable value. In pill form, 50 cents a box, at all dealers, or Edmansson, Bates & Co., Toronto.

FUR FASHIONS.

A pronounced Fur Season at hand.

Fur Garments and Furs of every description to be the rage.

What Sentner McLeod & Co. are doing for wearers of Furs.

The woman has yet to be born who has not a fondness for beautiful Furs, and it is therefore natural that this phase of fashion should interest and fascinate all womankind.

For a woman to possess that most comfortable of all outer garments, namely, a Fur Jacket or Cape, is to be the admired and envied of her sex. Hence the universal interest which Fur topics excite among fashion followers.

Among the fashionable Furs this season at Sentner McLeod & Co. are Ladies' Jackets in Persian Lamb, Grey Lamb, Bokhara, Electric Seal, Astrakan, Raccoon, China Mink, Wallaby, Wombat, Siberian, Bear, besides some lovely Jackets in combinations of Persian Lamb, with Mink and Sable Trimmings, also Mink Jackets with Persian Lamb and Seal Trimmings.

Sentner McLeod & Co. are showing capes in Persian, Seal, Bokhara, Astrakan, Raccoon, Blue Opposum, Wallaby, Wombat, Grey Lamb etc.

In Fur lined Garments they show a very large variety in Silk Brocade and plain cloth covering and lined with Squirrel, Hemster and Caluga, trimmed with Sable Blue Fox, Blue Opposum, Black and Colored Thibits.

Sentner McLeod & Co. are showing the greatest assortment of Fur Coats in various combinations of Fur.

If every woman young and old, does not possess a fashionable Fur Neck-piece, with a cluster of tails this winter, it will not be due to any lack of variety in Sentner McLeod & Co.'s stock or prices.

This firm is the largest Fur dealers in the Province, and they are going to make a show at the Provincial Exhibition. Their Fur Rooms are worth a visit.
