The presentation was made by Miss Helen McIntyre and Mr. Celestine Praught and the following address: "To Mr. and Mrs. Linus C. McDonald, Grand River, P. E. I. Dear Mr. and Mrs. McDonald: The cast of 'Oak Farm' has taken this occasion to express their appreciation of your splendid work in the production of that play. If 'Oak Farm' was a success, and it is generally admitted that it was, the credit for that success rightfully belongs to you. Your innate acting ability together with your past experience in producing dramatic presentations has produced of inimitable service to us. While your tactful directions and with criticisms made our rehearsals not only educational, but also most enjoyable. And if to you, Mr. McDonald must give the lion's share of credit for the successful direction of the play, to your amiable partner, Mrs. McDonald, we owe a debt of gratitude, for her work in preparing costumes and attending to the minor details so essential to the play's success. To each of you, as your work during the preparation of this play has been most arduous, we offer you these easy chairs, in the hope that before next St. Patrick's you may be sufficiently rested to undertake the direction of another one. Signed by the members of the Grand River Dramatic Club of 1928. Bertha Morrison, Irene Morrison, Kathleen Praught, Helen McIntyre, Carl McDonald, Angus Gill, Harold McIntyre, Arnold Praught, Celestine McLellan, Willard McLellan, Will Gillis, Mr. McDonald in behalf of Mrs. McDonald and himself thanked the donors most heartily for their beautiful gifts. He spoke very feelingly of their association during the preparation of the play with these entertaining and enthusiastic young ladies and gentlemen and said he was glad to know that the cast had enjoyed the rehearsals as much as he and Mrs. McDonald had. A dainty luncheon was then served by Mrs. McDonald and the remainder of the evening spent most joyously with vocal and instrumental music.

Died at Kensington, on March 24th, 1928, Charles Ramsay Folland. He was born at Port Hill in 1834, the son of Henry Folland. He lived his early life in Tyne Valley, and was married to Emma R. Regular monthly meeting Royal Edward Chapter I. O. D. E. was held Monday afternoon, March 26, in the rooms of the Chapter in Navy League Building, Regent Mrs. J. E. B. MacCreedy presiding, and a large number of members present. Two new members, Mrs. T. C. Edgett and Mrs. H. C. Brown were enrolled. An acknowledgment was read from National Sec'y's office of a substantial contribution from this chapter to the work of the Navy League in our own province, stating that this contribution was part of a total subscription of \$1975.50 made by O. D. E. to work of Navy League in Canada. Contribution was also voted to League of Nations. Letters of gratitude and thanks were read from five soldier settler families whom it had been our privilege to help during the past two months. The possibility of the members being able to avail themselves of a general committee of a Committee was discussed. Regent reminded the Chapter that now was the time to take definite steps about a Public Library, as the general public appeared to be waiting for someone to start. After discussion a motion was passed to the effect that the Regents be appointed a Committee to draw up a petition to be presented to the Mayor and Council asking that use of the Market Building be given the people as a Public Library, Museum, and Community Center, and further that this Committee arrange for the signatures of the Executive of all organizations in the City.

The Secretary reported the substance of business brought before the Executive at meeting of March 23rd, which included a report from Mrs. Mathieson of the meeting to arrange an "Empire Shopping Week" and a report from Mrs. Brehaut of the Social Welfare meeting. At this latter meeting, the Regent had been appointed a member of a general committee to arrange for a Social Welfare Conference in May where speakers of national importance will be heard, the Social Welfare Council assuming all financial obligations. Regent reading from the minutes of the National Executive, referred to remarks of British Trade Commissioner re British films, the sug-

gestions of Miss Jennie Turner in the Christmas Card Competition, and the annual meeting of the National Council in Trinity College, Toronto the last week in May. Reference was also made to the plans of the British lads and 25 British school-girls to Canada this summer, the Daughters of the Empire being expected to assist in the furtherance of plans of these tours.

The resolution of Miss Hunt, Abegweit Chapter, S'side, re the observance of Armistice Day as apart from Thanksgiving Day was ratified by the Chapter. A decision was made that work be planned by sewing committee and delivered to members; to be brought in finished when sewings resume in September to make ready for sale on Trafalgar Day. Meeting adjourned in regular way.

The lamented death of Miss Evelyn Harrison Windsor, occurred Wednesday night in the Prince Edward Island Hospital. She entered this institution about a month ago, and up until three weeks before that, Miss Windsor appeared to be in her usual good health and was attending to her duties daily.

She was born at New Mills, New Brunswick, and was in the 23rd year of her age. Her father was the late Joseph Windsor, who at one time was a prominent merchant of that place; he passed away about twenty years ago. Her mother is Eliza Bertram Lea, and after the death of Mr. Windsor, Mrs. Windsor with her family removed to her native place at Craupaud. There they resided until some eight or ten years ago, when they decided to permanently locate in Charlottetown.

The late Miss Windsor was a graduate of Prince of Wales College, and also of Mount Allison Ladies College in Sackville, where she specialized in Domestic Science. After leaving college she was appointed Assistant Supervisor of the Women's Institute of Prince Edward Island. Subsequently she resigned this position and was appointed instructor in Domestic Science in the MacDonald Ladies College at Sherbrooke, Quebec. Last autumn she accepted the important position of Supervisor of the Women's Institutes of this Province and returned to the Island.

In her official position for which she was so admirably qualified, Miss Windsor came in contact with many people throughout the whole Province. Of a naturally bright nature and friendly disposition, socially and professionally, she made friends everywhere. Added to other qualifications she was prominent and together with an engaging and magnetic personality endeared her to her intimate friends, and won for her the respect and admiration of all.

It is seldom in this community that a bright young life with the thought of many years of usefulness before her, is extinguished by the hand of death. On the very threshold of her womanhood she has been called to the Better Land, but during her brief life she had set a worthy example and left her mark of excellent endeavor upon the community in which she lived and labored.

Miss Windsor belonged to the Trinity United Church, and was a member of the choir and also the Willing Circle of King's Daughters. There are left to cherish her memory a bereaved mother and two brothers, Vincent at home and Ralph in Charlottetown.

The Honourable Walter M. Lea is an uncle. To those in sorrow the Guardian extends sincere sympathy.

There passed away at DeSable, Prince Edward Island, on March 7th, 1928, George Bell aged 56 years. This is a severe blow not only to his immediate family and friends but to the whole community. Some years ago Mr. Bell had passed through a severe illness, but since that time had been active and well. On the day before he passed away he had gone to a neighbour's home and shortly after his return was seized with an apoplectic stroke and not long after sank into unconsciousness from which he did not recover. From the first he knew the end was come, and his heart was lifted up to God in prayer and brought to complete reconciliation.

He shall be much missed in the community, where he was esteemed as an honest and cheerful citizen. He leaves a widow, Elizabeth MacLean, two daughters, Irene and Viola, and two sons, Melville and John, all at home. One daughter by a former marriage, Ada, resides in Regina. These all feel keenly the loss of a kind and devoted husband and father. There also survive one brother Frank in Lowell, Mass., and four sisters, Mrs. Hannah Graham of Portland, Maine; Mrs. Marcella Ferguson of Hampton, P. E. I.; Mrs. James Arbing, and Mrs. Edward McCabe, of Charlottetown.

The funeral, which was largely attended, was held on Friday, March 9th, Rev. Ewen MacDougal of Charlottetown, conducted the services. He spoke of the surety of God's promises to the

**DON'T BLAME FOOD FOR INDIGESTION**

When pain and discomfort follow a meal, don't blame the food and decide to go on a diet. Nine times out of ten indigestion, acidity, flatulence and heartburn are caused by excess stomach acid and food fermentation. Even the worst attacks, however, are quickly stopped by taking a little "Pape's Diapepsin," which instantly neutralizes the excess acidity, stops fermentation, and soothes and heals the acid-inflamed stomach lining. Make a special point of getting a 60-cent package of Pape's Diapepsin from your druggist today, and so follow the example of millions all over the world who use "Pape's Diapepsin" to end indigestion and allied stomach troubles. With "Pape's Diapepsin" handy you can eat and enjoy whatever you fancy without fear of pain or discomfort following.

prayerful ones, and commended the mourning family to the care of a loving Father in Heaven, before whose throne we shall be united with our beloved in Christ Jesus. Interment took place in Anigyle Shore Cemetery.

**FINE SALE**—Mr. H. T. Morrison, Auctioneer, Kensington, set a record for auction selling on March 14th, that is difficult to excel. For Percy Allen, Searletown, he sold, in five hours, \$5,000 worth of movable property. The bidding was brisk and values well sustained. Three horses sold for almost \$700, and cattle brought from \$60 to \$80. Potato machinery commanded a profitable price. Hens reached \$1.35, while a choice rooster came out on top, attaining \$5.00. Mr. Morrison admits that he never secured so much money in so short a time.

Died at Souris Line Road, on January 18, 1928, after only one week's illness, George, eldest and dearly beloved son of Andrew and Mrs. McInnis, who in a few weeks would be 20 years of age. Deceased was a young man of exemplary character, and will be greatly missed by the loved ones at home and by a wide circle of friends. He was a member of the Catholic Church, and was buried by the last rites. His remains were taken to Souris on the 20th, where a requiem mass was celebrated by his pastor, Rev. Mr. McLean, V.G., after which the body was laid to rest in the adjoining cemetery. May his soul rest in peace.

Sodales Debating Society of Dalhousie University held its final meeting of the year yesterday afternoon in the Forrest Building, where several terms of debate were discussed. Officers and members were elected for the year 1928-29. Rod H. MacLeod, retiring president, was in the chair. After the minutes had been read by J. J. Atwood, retiring secretary-treasurer, Mr. MacLeod mentioned the Canadian debating tour which the Maritime Province team had undertaken the winter when Eric MacLeod had represented Dalhousie, and stated that it was the intention of the National Federation of Canadian University Students, of which Dalhousie is a member, to send a western team East next year. It was moved and seconded that Dalhousie should entertain the Western University team during their Maritime tour.

The personnel of the intercollegiate team committee for next year was also named, one vacancy being caused by the resignation of Prof. Angus L. MacDonald, of the Law School. The following committee was named: Dean John E. Fraser (re-elected), Dr. Geo. E. Wilson (re-elected), Prof. H. Mercer, Prof. Horace E. Read and Rev. Dr. John Line, of Pine Hill.

Morris B. MacKinnon, B.A., of Charlottetown, P. E. I., was elected to the office of president for the coming year. Mr. MacKinnon is a graduate of King's Collegiate School, Windsor, where he was prominent in debating and captain of the hockey team, and last spring graduated from Bishop's College, Lennoxville, Quebec, where he was twice hockey captain, prominent as a debater, and editor-in-chief of the "Mitre". This past year he has been a member of the executive of the Law Society, and the faculty football and hockey teams, and several weeks ago spoke in the trials for the University debating teams. He is in first year Law, and has been elected a member of the D.A.A.C. executive for the coming year.

Miss Helen G. Williams, of Moncton, N.B., was chosen to fill the office of vice-president. Miss Williams is a popular member of Arts '31 and will appear in several weeks in the convocation play, "The Show-Off," in which she is leading lady.

Thomas H. Coffin, B.A., of Halifax, was elected to the position of secretary-treasurer. Mr. Coffin is in second year Law, and a last year's graduate in Arts from Dalhousie.—Halifax Chronicle.

Many will regret to learn of the passing away of Levi Blaquiere, of North Rustico, and will extend their sincere sympathy to his relatives and friends. The great number of people who attended his funeral, which was held Sunday afternoon, by Rev. J. J. Chaisson at St. Augustin, North Rustico, bore eloquent testimony that words ever couched to the great respect and esteem in which he had always been held by his fellow citizens. Mr. Blaquiere had been appointed lighthouse keeper of North Rustico harbor in 1911, a position which he held up to 1925. Deceased was 72 years of age and had always been in splendid health up to April, 1927, when he was stricken with a paralytic stroke and grew gradual-
