

'Keep Smiling' is Good Advice, But

This is the day of the optimist. The "don't worry" man is a genial smiling chap who looks forward to a bright future of health and happiness.

The pessimist is scorned. He is blamed for a surly and gloomy disposition and receives no sympathy for his morbid forebodings.

It isn't altogether right.—

Many a man gets the reputation for having a sour disposition when the truth of the matter is that he has a sour stomach—Pepsin Tablets will help that man.— 25 and 50 cent boxes—
