Stock Market Prices Slip After Upturn

NEW YORK, Sept 30— (AP)—The stock market slipped a trifle today after two days of fairly substantial gains.

Losses outnumbered gains at the close but price changes either way were mostly fractional. Utility shares did better than most other groups.

The market got off to a good start, with plus signs well in the majority at the end of the first hour's trading. The effort to recoup still more of Monday's sharp decline, though, soon petered out and numerous gains were cancelled.

Volume dropped to 700,000 shares from 810,000 Wednesday and was the smallest for any day of the week.

The Associated Press average of 60 stocks declined .02 of one point to 66.9. The industrial group showed the widest decline with a drop of .4 of one point while the rail section was down .2 of a point.

At Montreal

MONTREAL, Sept. 30— (CP)—Papers, in a short number, led selected industrials on the downward movement during quiet trading on the Montreal Stock Exchange and Curb Market today. Losses were mostly fractional. Mines slipped off in dull dealings.

Closing averages indicated banks up .05 at 26.51; utilities unchanged at 72.1; industrials up .1 at 126.4; papers off .09 at 342.79 and golds up .7 at 59.21.

Industrial sales were approximately 31,200 shares, an increase of 2,600 shares over yesterday's total. Mining turnover was 49,700 shares, compared with 69,400 shares in the preceding session.

Fraser was the only selected paper issue to move forward. It added 3-4 at 57 3-4. International Paper dropped 3-4, M & O. lost 5-8, Abitibi 1-4 and Abitibi Pfd. 1-8. Their respective closing quotations were 61 1-4, 23 1-4, 16 and 19 1-2.

The new Bell issue rose the minimum fraction to 43 3-8. The stock was traded a total of 1,052 shares. Brazilian and Bell were up 1-2 and 1-4, respectivaly, but Shawinigan slipped 1-4.

Oils, metals and beverages were on the downswing.

At Toronto

TORONTO, Sept. 30 — (CP)—Trading braked to a slow roll on the Toronto Stock Exchange today. Prices were irregularly mixed and in a narrow rut. Golds and base metals mixed gains and losses and held steady while western oils showed little change.

Seniors weakened in the golds and a few selected juniors were brighter. Hollinger dipped 25 cents at $9.75 and McIntyre was down 1-8 at 53 5-8. Campbell, Consolidated Beattie, Malartic, East Malartic, San Antonio and Springer advanced 1 to 10 cents. Negus, Sullivan, Sylvanite and Chesterville were losers.

Early gains in the base metals list were wiped out late in the session.

At London

LONDON, Sept. 30—(Reuters)—There was an air of quiet confidence in the London Stock Exchange today sufficient to produce a firmness in prices in most sections.

Trading, however, remained small and the amount transacted in gilt-edged stocks was concentrated in the long and mediumdated issues. Gains of 1-16 were fairly general.
