A DOCTOR FOR TEN CENTS—HUTCH.

A great many people run to a physician for every ailment they experience—this is not an unusual principle. The ignorance we all are in concerning our own anatomy is such that we feel the advice of one skilled in such matters should be sought. A very natural human weakness sometimes magnifies the trouble and produces anxiety when there is no cause. Look at it this way. The stomach is the primary organ of the body. A diseased stomach produces illness in our ignorance sometimes fancy are local in character. A healthy stomach will soon relieve distress. Hutch Tablets will impart vigorous vitality to your stomach. A treatment of Hutch will permanently cure the disorders of the more remote organs of the body. That is why Hutch is called the doctor for ten cents. Its work is not confined to one organ alone, but its beneficent, healthful influence is experienced throughout the entire system.

Ten Hutch ten cents. All druggists or by mail from the Woodward Medicine Co., Limited, 11 Colborne St., Toronto, Ont.

Streamling as she goes

Drives dull care away,
