

The Victoria Driving Club's series of ice races has created a lot of interest. Last Wednesday afternoon three good classes were raced, with the starting gate used and very satisfactory. Winners were:—Class A Pace, Reuben Lee, owned and driven by J. Bernard, Hunter River, 1-1-1; Lily Mariene (Walker) 4-2-2; two other starters. Class B Pace: Lady Worthy 2nd, owned and driven by Charles Willis, Covehead, 4-1-4-1; Plucky Budlong (J. Arbing) 1-2-3-2; Maudene Unko (R. Wood) 2-4-1-3; two other starters. Class C Trot and Pace: Miss Playfair, owned and driven by Willard Kelly, Southport, 1-1-1; Miss Adele W. (G. MacDonald) 2-2-2; two other starters. Another race will be held this afternoon commencing at two o'clock.

New York's Empire City track was recently purchased by a trotting horse syndicate for two and one-half million dollars. It had been used by thoroughbreds up until a few years ago but its first owner was a harness horseman that bred the pacer Directum, 1:56 1/4 and owned several other great pacers. The new owners will spend a million dollars in modernizing the plant and hold night races commencing about July 1st.

Rosalind 1:56 1/4, world's champion trotting mare, will be bred to Volomite 2:03 1/4 this season. She is now at Walnut Hill Farm with a foal by Dean Hanover at her side. He is the sire of her two record performers, Deanna 2:02 1/4 and Rose Dean 2:04 1/4.

The Kentucky Futurity for 1951 has closed with an entry of 418 foals. Volomite is represented by 33 yearlings; Scotland 31; Nibble Hanover 30; Spencer Scott 30; Darnley 27; Dean Hanover 18; Worthy Boy 19; Guy Abbey 18; Worthy Boy 19; Scotland's Comet 14; His Excellency 13; Symbol Gantle 12; Volation 17; Volstead 11; Cardinal Prince, Follow Up and Peter Song 10 each. The most expected to be of the most valuable futurities of all time.

The best liked colt in Florida is the two-year-old King's Ransom, which Cold Spring Farm, Kenilworth, Volomite for \$18,000 at auction last fall. In a recent workout for Tommy Berry he brushed a quarter in 36 seconds and Ben White saw Dean 2:04 1/4 is the nearest to Volo Song 1:57 1/4 of any colt trotter he has ever seen.

Lilydale 2:03 1/4 has a colt at her side by Victorious Hal 2:03 1/4. Lilydale is the holder of a world's record. Victorious Hal is now one of the leading sires at Two Gall Farm, Indiana. He is a full brother of Nell Cochotadale, dam of the iron-sided trotter Nell Kalmuck 2:10. Flying Stone 2:05 1/4 was one of the bargains at the Harrisburg sale and he recently stepped the fastest mile in a full season and probably the fastest mile for many years—at Dufferin track, Toronto—2:11 2-5. The \$50,000 two-mile pacing dash at Roosevelt Raceway, New York, was won by Guy Abbey 4th and the \$50,000 two-mile dash for trotters on August 25th. After Mrs. Frank Hopkins had a ride behind her three-year-old Spencer Scott, she was so well pleased with the meeting that she presented at the meeting were St. Stephen, Fredrickton, Woodstock, Sussex, Sackville and Moncton. Saint John did not have a representative but is expected to have one present at the next meeting of the circuit. It was decided to

continue connection with the Maritime Horsemen's Protective Association, to which horsemen contribute voluntarily three percent of their winnings towards a fund for injured drivers and other horsemen. A newcomer to the racing circuit will be the Tantram Race Track Ltd., operating a revamped Sackville plant. This track has a good management and will be a contributing factor to the success of the circuit. George B. Gay, Moncton, announced that the Moncton Raceway will again have the "Monctonian" annual feature race at their July 25th meet. The use of the starting gate and photo-finish camera will be left to the discretion of each track.

Following are the season's dates for the circuit:—
July 1st—Race at the Tantram Race Track Limited, Sackville, N. B.
July 4th—St. Stephen.
Week of July 11th—Fredrickton.
Week of July 18th—Tantram Race Track, Sackville, N. B.
Week of July 25th—Moncton.
Week of Aug. 1st—Saint John.
Week of Aug. 8th—Woodstock.
Week of Aug. 15th—Otonabee.
Week of Aug. 22nd—St. Stephen.
Week of Aug. 29th—St. John.
Week of Sept. 5th—Moncton.
Week of Sept. 12th—Fredrickton.
Week of Sept. 19th—Moncton.

We welcome back to our columns our good friend George D. Oland of Sydney and Coxhead. Came in in good health last fall, being in hospital twice, but is now improving. His son Roy arrived home last September bringing back with him the pacer Miss Alice Foxworthy. She is a good sound mare, six years old and was raced a year ago at Dufferin track where she won through with a very mud in 2:18. Roy met with the deep water accident at Dufferin and has never completely recovered from it. Returning from Dufferin he raced at Richelieu Park with other Quebec track, placing well. He is racing awfully tough there, his fields of horses, sometimes as many as fourteen starting in a class and if one does not draw a good position there is a lot of difficult getting through. In one race Miss Alice Guy was timed by him a mile close to 2:12.

Roy is now at North Sydney and will race the Richard Jabalee horses, Wilkin and Jerry Lee Volo as well as Miss Alice Guy for the next summer. Mr. Oland informs us that a very regrettable loss occurred at the meeting of the stable at Dominion, with the mare Merry Ellen and a nice colt by Bellini Scott, dam Clara Budlong. Clara Budlong is at Sydney. Joe MacDonald is at Sydney. Mines and his horses are in great shape. They include Cyclone, Colonel Dan, Baldrick and a three-year-old colt, George Lewis, sire of Grace Abbe by Guy and she is heavy in foal to Basil Hanover. This should be an extra good race because there has been no racing since the Sydney but they are talking about some quarter mile racing at Sydney track under the lights if there is a cushion of snow. Thanks, George, with the kindest regards to your boy, with the hope that he will completely recover from his serious accident, and your joy health.

Ivan Berrigan has very kindly loaned us a copy of the Charlottetown Herald dated October 15th, 1944. It is most interesting to read over it and we notice advertised by Francis James Roushman, Secretary and Proprietor of the Somerset, Lot 27, track. The Last Trot of the Season—to take place on Tuesday, 21st of October at ten o'clock a.m. A three minute class has a purse of \$25—\$11 to first, \$5 to second and \$5 to third. The free for all, a purse of \$30, and there was a running race with a purse of \$20 and a two-year-old class with a purse of \$20. A fifth event was a purse of \$500 to be given to the fastest walking horse. There (Continued on Page 7)

SPORTING NEWS

Judging from the result of recent games, it looks like the Charlottetown Abegweits are really going to have their hands full in the Amherst Ramblers in playoff competition for the Central Senior Hockey League championship.

Demonstrating their power at Amherst on Thursday night, the Ramblers moved out in front of the league race by downing the Abbies by a 11-6 count, while the Abbies in their home game here a few weeks ago, only won out over the fast skating Maritimers by a 7-5 margin.

In any event, with these two teams so well matched, forthcoming playoffs should really display some smartly contested affairs and produce some first class hockey for both Island and New Brunswick hockey fans, regardless of who wins out in the final round.

The Island Physical Fitness Basketball League will swing into its February season. The league-leading Recce hoopers tangle with the Prince of Wales quintette in the first game of a doubleheader event at the P.W.C. Auditorium, while the second half of the bill will see the Saint Dunstan's University squad go into action against Ray's Millionaires.

The Victoria Driving Club stages another of their ice races this afternoon at the Exhibition track and with a fast course in the offing followers of the trotters and pacers should witness a race of the highest quality. Horses are gradually getting into top form and some exciting battles are bound to pop up from here on home.

As has been the case in the past, the Club's classifying committee draw up their classes in such a manner as to ensure the closest competition. This is always a fact for no matter how many classes it is decided to run and as a result the ice racing game is drawing bigger and bigger crowds each season. If you like racing make it a point to take in this afternoon's program.

Of interest to a large number of friends throughout the Province is the fact that a former Charlottetown boy was made out of the curling rink that Thursday captured the Nova Scotia title and with a spot in the Dominion "Banked" play which is scheduled for next week. Later in the season, he is Urban J. Harrington, son of Mrs. E. P. Harrington and holds the position of Commissioner of Municipal Affairs. S. Harrington resides in the City. Skin of the winning rink is W. P. Webb, Halifax. Mallowfer Club, finishing in the runner-up position, fell victims 11-6 in the final.

The great form being shown by "Bucko" trainer Wilk Saint Paul Saints is beginning to attract attention from the present club New York fanatics. Just recently Frank Roucher, who is travelling around the different fan clubs, labelled "Bucko" among three others as being a prospective member of the National League team.

The above will be good news to "Bucko's" many friends. He has experienced a lot of tough, but enjoyable, experience in the past, but he has been travelling he is about to get a tryout and if he does well he will meet the "Bucko" will give something he's got in an effort to make the grade.

Abegweits basketball squad lost a tough game to Amherst Catholic Centre squad on Thursday night when the Nova Scotians added them out 47-46 in a nip and tuck encounter that saw the lead change hands several times. The issue wasn't decided until the closing seconds and hoop fans should witness a great battle when the Amherst squad plays a return game here in the near future. Nicholson were the high-point-getters here for the locals.

2,000 Attend W. K. S. Ice Sports; Summerside Wins Exhibition Game

Upwards of 2,000 people attended a gala evening of hockey and speed skating entertainment at the Forum last night when West Kent School presented their 27th annual ice sports.

The speed skating events produced some really keen, close competition which kept the large crowd in a continual uproar cheering their favourites on to victory. Little else was to be heard but the clatter of the show in the speed skating events when, after winning first place in his own age group, he continued on to compete in age groups far beyond his own to run three firsts and one second. The top award winners in the girls events were Bernita Smith and Claudette MacMillan, the former winning first and the latter two firsts and one second.

In the hockey game a smooth working little band of Summerside High School pucksters downed the West Kent School squad by a score of 5-1.

The first period saw both squads battle it out on very even terms, with each making one goal before the period ended. W.K.S. opened the scoring at 8:25 when Kennedy picked up a pass from Nicholson to solo in and score a nice goal, while L. Schurman practically the whole opposing team and put a really well earned goal. W.K.S. were one man short at the time when Nicholson was waved off for slashing.

Summerside held a definite advantage over their opponents in the two final periods, outshooting their opponents 2-0 in each. The second period scoring was Schurman and L. Schurman, both hitting their goals on nice solo efforts from centre ice. L. Schurman tallied his third goal of the game by banging in the third period when he scrambled in front of the net. Grady got the final goal of the game for Summerside in the last 50 seconds of play by flipping the Darby's pass along with a scramble 10-15 of the net.

The following are the lineups:
S'ide - Goal, M. Delaney; defence, A. Arsenault, R. Schurman, D. Darby; forwards, J. Schurman, B. Gay, N. Walker, B. Stewart, C. Grady, E. Gallant, L. Schurman. Coach, George Walker.

W.K.S. - Goal, Beaton; defence, Cameron, Atkinson, D. Nicholson, J. Birt; forwards, Henry, Currie, L. Schurman, H. Currie, Hine, Squarebriggs, MacLeod, White, Coach, George MacMillan and Leth Jay.

HUNTERS' CORNER

Hunters may as well up the old reliable shooting iron and hang it on the rack until next October unless they keep their eyes in trim by having the odd crow shoot for the fox and rabbit season closed on January 31st. It was a winter made to order for fox and rabbit hunting and both species knew that there was an open season on them and never given the opportunity to forget it.

Rabbits in particular took quite a beating. During a great part of the season rabbits in their white coats showed up like a sore thumb in the absence of snow. In the heavily wooded sections and big swamps, where the use of hounds is not feasible on account of the "tremendous" of the cover, many hunters resorted to good bags without the help of a hound.

In most sections rabbit tracks are few and far between but a few well hidden swamps still exist where the bunnies have padded runways in the 10 inches or foot of snow that fell in the woods over the past two weeks. It's the out-of-the-way rabbit banks that supply breeding stock for next seasons sport.

The practice of snaring rabbits is being frowned upon more and more with each passing season. Too many youths in the country snare rabbits just for the fun of it or to see how many they can catch in one winter. Many do not make any effort to capitalize on their foot value but leave them hanging in some outbuilding until they eventually become food for the family dog and cats. Rabbits are coming into their own with regard to potential food value and healthful sport enjoyed by those who hunt them.

There are a lot of families, particularly those with a big crowd of children, who depend on rabbits for the bulk of their meat supply during the winter. The snaring of rabbits would cause some hardship in certain sections. Some observers are of the opinion that if it were made compulsory to use spring poles when setting rabbit snares it would do away with a lot of needless suffering. Those little animals do not live very long when suspended in the air on the end of a section of copper wire.

On the other hand when the snare is attached to a small bush or spruce limb rabbits often live for days in helpless misery. Anyone who snares rabbits for food and not for sport should not object to going to a little trouble in preparing a humane set.

Hungarian partridge are conspicuous by their absence this winter, which is a good sign. When Huns are faring well they stay in the bush and are not seen hanging aimlessly over snow-covered fields. It means that the birds are in trouble. During my rambles over the countryside and back sections of farms and marshes I disturb enough coveys to give assurance that there is an abundance of breeding stock in the province and if winter conditions do not get tough toward spring, prospects look bright for a bumper crop next October.

So far the coveys have had no trouble from Snowy owls this winter. I have not yet laid eyes on a single specimen and none have been reported. Some winters those big white visitors from the far north are present in hundreds and cause havoc among the upland game birds. A Snowy owl can pick up a partridge (Hun) for dinner most anytime he feels in the mood. Individual owls have been known to kill two Huns a day as (Continued on Page 7)

Springhill Miners And S'ide All-Stars Battle To 5-all Tie

For the first time this season, the Summerside All Stars last night failed to eke out a win on their home ice, the Springhill Miners holding them to a 5-all draw in an exhibition hockey game at Summerside. Minus their ace defenceman, Windy Steele, and two forwards, Ostway and Gay, the Summerside sextet did not look like the aggressive outfit they have proved themselves of late and dropped a two-goal edge which they held at the end of the second period.

Bernard shot the first counter after five minutes of play in the first frame. Vince Grant carried the puck from his blue line, straight through the centre, and passed to Bernard on left wing and St. caught the upper-right-hand corner.

Just before the bell Moe Gallant, accepting a pass from S. Bernard, slammed the puck between goalposts and the right goal. Just before the bell Moe Gallant, accepting a pass from S. Bernard, slammed the puck between goalposts and the right goal.

The teams shot two goals apiece in the sandwich session. Woodside banged the first one from corner in Barrow took McKay's pass to get Foy soon after, and White, who played a star game for the coal-miners, shot the visitors' second goal, the result of a bit of lax defensive work on the part of the All-Stars. Three minutes before the period ended, Deighan trapped his own rebound and passed it over to Trainer who made it 4 to 2 for the home forces.

The Miners forced matters from the start in the final period, Roddie White and Adams scoring the quick goals midway in the period to tie up the game. Leo Shields took a pass out from G. Bernard to bang the water through a maze of legs to beat Sharpe, who never saw the disk at all. With less than a minute to go, MacKay shot on a scramble in front of the All-Star net, to earn for his team a well deserved tie.

Abbies Win Hoop Game

The Juvenile Abbie basketball squad further increased their lead in the league standing by downing the Juvenile Ramblers by the lopsided score of 40-12 in a regular league fixture at the P. W. C. Auditorium last night.

The game of Abbies was the leading scorer in the game with a total of 12 points, while his teammate, Vasey, was next in line with 10 points. The following are the lineups and scoring points:

Abbies - Glover 12, Dalziel 4, G. Scantlebury 7, MacNevin 1, Jardine 6, Warren 0, Vasey 10, T. Scantlebury 0. Total 40.

Ramblers - Coyle 0, Allan 6, Hoyt 2, Hartinger 0, Wells 0, Morside 4, McCallum 0. Total 12.

Referees - Howatt and MacLean.

Abbies Play Springhill Miners Here Tonight

The Charlottetown Abegweits will play their final game in the regular schedule of the Central Senior Hockey League when they meet the Springhill Miners at the Forum tonight.

The Abegweits' encounter will provide the Abbies with the opportunity of sharing the League leadership with the Amherst Ramblers on entering into the forthcoming playoff series for the league championship. Ramblers with Abbies at Amherst on Thursday night when they downed the locals by a score of 10-6.

The Miners, attributed to be a rough and ready hand, MacLeod, who won their first game in league competition at Springhill also on Thursday night when they scored a decisive 11-7 victory over the Saint Joseph University Blue Eagles who are at present holding down the cellar position in the league standing.

Although the Abbies are favoured to take tonight's encounter, the odds aren't by any means all in the local team's favour, as the Miners, who are noted for their hard hitting style of play, might make things a lot tougher for the locals than is currently expected.

With a total of 14 points, Estey was the high point getter for Summerside with 8.

The following are the lineups and points scored:
Abegweits: G. Scantlebury 14; Dalziel 6; Vasey 4; Warren 2; Glover 2; T. Scantlebury 2; McNevin 3; Jardine 2—Total 42.
Estey 8; Simpson 6; Arsenault 6; Wybau 0; LeFurgey 2; Morrison 0; Schurman 0—Total 23.

Q.S.S. To Meet Cornwall Tonight

Coch Estimer Blanchard announced last night that his Queen Square School hockey squad will journey to Cornwall tonight where they will meet the Cornwall Juniors in an exhibition hockey encounter.

The Q. S. S. boys have been turning in some really classy performances so far this year and are rapidly becoming a tough band of pucksters to beat. The Cornwall aggregation, however, are reported to be a well balanced aggregation, and tonight's game is expected to be a really fast, wide open affair.

Entries For Today's Races

Following are the entries for today's harness races at the Charlottetown Exhibition track:

Class A trot and pace - Nell Cochotadale, Royal Tell, Lily Mariene, Dominion Grant, Plucky Budlong, Mary's Delight, Reuben Lee.

Class B trot and pace - Maud Unko, Dudy Budlong,
