market, close up the doorway leading from the present entrance. Available two toilets on the theatre level, and install new heaters, at a maximum cost to the City of \$1,500, any cost in excess thereof to be borne by the Company.

It is also proposed that the present lease be varied to assure the Company a renewal privilege of six years to provide for the payment of additional rent by the Company to the extent of 7 per cent. on the projected \$1,500 civil expenditure.

The City, it is proposed, would undertake to repair and maintain the roof of the Market Building sufficiently to protect the leased premises.

The proposed agreement was read to the meeting by Coun. J. E. Stiers, chairman of the committee appointed to look into the matter.

Another Charlottetown family has the distinction of having three sons in the armed forces. The three boys pictured above are sons of Mr. and Mrs. Philip Longaphie, 27 Bishop Street.

RE-OPENING OF

(Continued from page 1)

The proposed agreement was read to the meeting by Coun. J. E. Stiers, chairman of the committee appointed to look into the matter.

Other members of the committee are City Recorder, K. M. Martin, Louis, Blanchard and McKee, and Mr. P. McKinnon & Son.

It was the consensus of opinion that the proposal be given further consideration, and on motion of Coun. J. E. Stiers, the matter was referred to the next regular meeting in May.

Mayor Holman told the Council that steps would have to be taken immediately to have the roof of the Market Building repaired, regardless of the cost.

It was the Council's duty, he said, to see that public property was fully protected. He suggested that the Public Property Committee look into this matter thoroughly, and bring in a report at a special meeting.

Mr. Harold Messervy, City Engineer, and Mr. Ivan Reddin, assistant, told the meeting that they had inspected the roof of the building thoroughly yesterday in company with Mr. Crockett, and that it was not as bad as had first appeared.

Work which has been done last year was still perfectly sound, and it was both Mr. Messervy's and Mr. Reddin's opinion that the leaks in the roof could be eliminated by entering the gable side with copper or some such substance, such as zinc, etc.

Resolutions Following are the resolutions passed at the meeting:— Resolved, that tenders be called for the supplying of gasoline and oil for the use of the City of Charlottetown Corporation, tender forms to be obtained from the office of the City Clerk and tenders to be closed April 24, 1941.

Moved by Councillor J. T. McKee, seconded by Councillor Dr. F. C. Dougan.

Resolved, that tenders for horse shoeing and blacksmith work be called. Tenders to close on Wednesday, April 30 at noon. Moved by Councillor J. T. McKee, seconded by Councillor R. C. Chandler.

Resolved, that the agreement drawn up by Messrs. A. J. Stiers and Mr. Martin be held over, and brought up for discussion at the regular meeting in May. Moved by Councillor J. T. McKee, seconded by Councillor R. C. Chandler.
