## TO Charlottetown Water Users

All basement water shut-off valves should be checked at once. 95 per cent of our night and holiday calls are caused by this shut-off not being in working order. These calls will have to be charged for if this practice continues. If there is no valve on your service, or if it is not working freely, have a new one installed now.

You are also reminded that anyone found neglecting the fixing of leaks, or leaving taps open to prevent freezing, will be prosecuted. Save yourself trouble this winter by having these things attended to NOW.

READING OF BIBLE  
Having started reading the King James version of the Bible in the depths of the depression, Benjamin Beers, of 892 Massachusetts avenue, 68 year old preacher, has just finished his 35th reading says a Cambridge, Mass. exchange. Last year at this time he had read the Book of Books 29 times so that he has averaged one reading every two months since that time.

He says of himself: "I Benjamin Beers, now Elder of the Church of Scotland in Cambridge, have read the entire Bible through 36 times, and also have read the New Testament through 100 additional times. I know by my great reading and studying of this Book of Books that it is very interesting, and I received much comfort of mind and spirit. It is a source of spiritual strength, so I recommend the reading of the Holy Bible to the people of all creeds."
