Put That He Would Never Walk Again "FRUIT-A-TIVES" Brought Relief.

MR. LORENZO LEDUC

3 Ottawa St., Hall, P. Q.  
"Fruit-a-tives" is certainly a wonder. For a year, I suffered with Rheumatism; being forced to stay in bed for five months. I tried all kinds of medicine but without getting better; and thought I would never be able to walk again.  
"One day while lying in bed, I read about 'Fruit-a-tives' the great fruit medicine; and it seemed just what I needed, so I decided to try it.  
The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me.  
I have every confidence in 'Fruit-a-tives' and strongly recommend them to every sufferer from Rheumatism".

## Women Everywhere Use Lemon Juice To Beautify Skin

The beauty lotion which is becoming so popular throughout the country is easily prepared by anyone and a whole quart jar of it doesn't cost any more than a small jar of the common ordinary cold creams.  
Add the juice of two fresh lemons to three ounces of orchard white and shake well in a bottle. Strain the lemon juice two or three times through a fine cloth so no pulp get into the lotion, then it will keep fresh for months. Regardless of what price you pay or how highly advertised, there is nothing else really more meritorious in beautifying, softening and clearing the skin. As a tan and blemish remover, also to remove oiliness and sallowness, lemon juice has no rival. Massage it into the face, neck and arms once or twice each day, and just see if it doesn't bring out the roses and hidden beauty!  
Lemons have always been used to bleach the skin, but pure lemon juice is too highly acid, therefore should never be used except in this manner.  
If properly prepared, this sweetly fragrant lotion will speak for itself. Any drug store will supply the three ounces of orchard white at very little cost, and the grocer will supply the lemons.

Our completely equipped testing laboratory finds out first what is IN the wheat. Then it is easy to maintain the absolute uniformity of our famous
