Riders Open With 7-6 Win

MONTREAL, Aug. 28 (CP)—Ottawa Roughriders opened the local Big Four football schedule here today with a 7-6 victory over Montreal Alouettes in a bitterly fought game that ended in a draw-back final quarter. The opener was played under a cloudy sky but in mid-afternoon weather before a paid attendance of 14,968. The single point that separated the teams came from a blocked kick that ended the scoring in the third quarter. Alouettes went in front with a converted touchdown in the same quarter and the Riders duplicated the trick in the fourth. Fighting desperately with only a few plays left, Alouettes got within field goal distance and Ches McCane dropped back to the Ottawa 35-yard line to make the attempt. The ball was far short but bounced over the line into the hands of Wilt Tremblay, who was just about on the goal line when he was downed by Chuck Anderson and a swarm of Alouette players. When they were untangled the officials ruled Tremblay was outside the line about six inches. The Alouette players made their displeasure known. The Riders simply froze the ball on the remaining two line plays and it was over.

Junior Horseshoe Tournery Underway

A horseshoe tournament for boys under fourteen years of age was opened over the week end at the Victoria Horseshoe Club. In the play that followed two teams advanced to the finals for the title in games which saw many nice pitches being thrown by the youthful shoe-tossers. The teams which advanced to the finals were Lund and J. Brown and J. Somers and J. Morgan. The scores for the first series were 50-24 and 51-30. In the second game the scores were 50-24 and 53-34. All series are the best-two-games-out-of-three and are being played at 6:30 on the newly constructed Vic beds. Play for the finals is to be carried on tonight.

Schroeder Leads Way In U. S. Victory

FOREST HILLS, N.Y., Aug. 30 (AP)—Extinction, quick and painless, came today to Australia's Davis-Cuppers for the fourth straight time, with Ted Schroeder's rapier-like racquet the lethal weapon. The volatile United States ace played some of the finest tennis of a brilliant career as he overwhelmed Frank Sedgman, 21-year-old Australian champion, 6-4, 6-4, 6-3, in the deciding match of the Davis Cup challenge round. His surprisingly one-sided victory, achieved in only an hour and five minutes before 10,000 in the sun-bathed stadium, gave the United States the third victory needed to retain the big international trophy and still Aussie hopes, which had been high after their triumph in yesterday's thrilling doubles contest. It also turned into a tame anti-climax the closing match, in which Pancho Gonzales, another fierce swinger from California, downed Billy Sidwell, 6-1, 6-3, 6-4, to make the final count 4-1 for the United States.

Since the first post-war challenge round at Melbourne in '48, the Americans have won 16 straight singles matches, seven of them by Schroeder. They have lost two doubles while winning the same number. Sedgman's failure to give Schroeder a real battle in the deciding match surprised everybody. He never really had a chance against his court-wise 26-year-old opponent. Never relaxing on a single point from his hip-throwing attack, Schroeder clawed his way to the net ceaselessly and applied such pressure that Sedgman finally went almost completely to pieces toward the end. All that need be said about Gonzales was that he looked every inch the killer that Schroeder did. Probably displeased by Sedgman's loss, Sidwell did not produce the fiery game he displayed in carrying Schroeder to five sets in the opening singles match Friday. But he still was a pretty good bundle of tennis, and it was Pancho's "big" game which never gave him an opening. Yesterday's doubles contest was one of the best in Davis Cup history. Two sets down and seemingly outclassed, John Brown and Sidwell brought a terrific demon-

Cards Stars Drop Suits

NEW YORK, Aug. 30 (AP)—Max Lanier and Fred Martin, St. Louis Cardinals returned Mexican League "jumpers", Saturday decided to drop their \$250,000 suit against organized baseball. The two Cardinal pitchers were known their intentions in a letter to Fred Snigh, president of the National League club. The case of Lanier and Martin, along with that of Danny Gardella, had been given priority action in Federal Court here. The suits of the three had been placed at the bottom of the November calendar. Gardella's suit for \$300,000 in damages is the only one left challenging baseball's controversial reserve clause. Gardella, one-time outfielder for New York Giants, is asking damages on the grounds that he was deprived of making a livelihood by organized baseball. He was banned from organized ball when he went to the Mexican League in 1946. His case differed from that of the two Cardinals in that he had not signed a contract with the Giants when he accepted a Mexican League offer. Both Lanier and Martin had signed contracts and were playing with the Cardinals when they "jumped" the club in '48. Both returned to the majors when baseball commissioner A. B. Chandler lifted the suspensions on the "jumpers". Gardella has not sought reinstatement. Stration from the crowd as they fought grimly back to square the struggle and finally subdue the American champions. Billy Talbert and Gardner Mulloy, 3-6, 4-6, 10-8, 9-7, 9-7. For fully five minutes after Sidwell had blazed a placement for the final winning point, the crowd stood in the big stadium and shouted and applauded. The cheers followed the two tired Aussies until they had disappeared under the marquee. Australia met the United States after defeating Canada 3-1 in the American-zone final and downing Italy, winner of the European zone.

Dutch Woman Gives Up Channel Swim

(By The Associated Press) DOVER, England, Aug. 30 (AP)—Mrs. Willie Croes van Rijssel, young Dutch housewife, gave up her attempt to swim the English Channel at 12.30 a.m. GMT today. Mrs. Van Rijssel's decision was relayed by a reporter for the Dover Express who was aboard the boat accompanying her across the channel. There was no immediate word where she intended to land on the English coast. A heavy fog settled down over the channel 30 minutes before Mrs. Van Rijssel gave up her attempt. Mrs. Van Rijssel had been in the water for 17 hours and four minutes when she abandoned the attempt, the second this season.

Ponder Sets New Derby Mark

CHICAGO, Aug. 30 (AP)—Calumet Farm's Ponder Saturday won the \$88,450 American Derby at Washington Park in track-record time. Ponder, under the guidance of jockey Steve Brooks, sizzled the 1 1/4-mile distance in 2:00 2/5. That clipped one-fifth of a second off the track and Derby record set by Calumet's Ferret in winning the same event in 1947. Ponder led Joseph A. Woodwyn's Ky. Colonel across the wire by 2 1/4 lengths. Warren Wright, owner of Calumet, hauled down \$68,150 as first prize. Ponder went to the post the favorite at odds of 6 to 10 and paid \$2.60 and \$2.20. Ky. Colonel returned \$2.20 to place. There was no show betting.

BALTIMORE, Aug. 26 (AP)—Russ Bauers, former Pittsburgh Pirates pitcher, is going to try to come back with Baltimore Orioles of the International League. Bauers has been on the sidelines since the Pirates cut him loose in 1946 when he returned from military service. Now 34, Bauers asked St. Louis Browns to give him a trial recently. Manager Zack Taylor recommended him to the Orioles who signed him today as a free agent.

Sport Briefs

CHICAGO, Aug. 30 (AP)—The Billiard Congress of America today officially approved changing the standard size pocket billiard table from five by 10 feet to 4 1/2 by nine feet. The change is one of the most far reaching in billiard history and will be used for the first time in world's championship play early next year. The major reason for the change in table size is the fact that only a small number of tables manufactured are of the five by 10 variety.

LARCHMONT, N.Y., Aug. 26 (AP)—The United States champions, Ted Wells and Art Lippert of Wichita, Kans., today captured the 1949 world championship of the snipe class in a rescaling of the final race on Long Island Sound. In the final point scoring Argentina's Jorge and Carlo Villar were runners-up. A protest by the British entry over the shortening of the course during Thursday's race forced the rescaling.

Blue Bombers Beat Riders 13-8

WINNIPEG, Aug. 30 (CP)—Winnipeg Blue Bombers successfully opened their 1949 regular football season Saturday night by defeating Saskatchewan Rough Riders 13-8 in a Western provincial Football Union game before more than 6,500 fans. Bombers held the lead at the end of each quarter and were only headed once in the whole bitterly-fought contest—early in the third quarter. They led 6-0 at the end of the first quarter; 6-2 at the half-time; and 13-3 at the three-quarter mark. There was no scoring in the final quarter. Bob Sandberg, burly backfielder, and end Harry Fitzgibbons scored touchdowns for bombers, converted by Walt Edwards. Sandberg also kicked a goal-line single. Matt Anthony, formerly of Ottawa Rough Riders, went over for a major score for Riders. A convert by Pat Santucci and singles by Doug Ebdon and Ken Charlton accounted for the remaining Rider points.

Sydney-Owned Horses Win Three Events

TRURO, N.S., Aug. 30 (CP)—Sydney-owned horses took three of the eight one-mile dashes on the light harness racing card here Saturday night. Miss Canada IV, owned by W.B. Morley of Halifax, won the first race. Royal Tell (Daniels) finished second and was set back to seventh position. Fastest time was 2:11 turned in by Gay Law, owned by W.B. Morley of Halifax, in winning the feature eighth race. Biggest payoff was \$36.40 when Gratian Peter topped a seven-horse field in the third race.

Veteran Jockey In Upset Win

DUBLIN, Aug. 30 (AP)—Johnny Longden, veteran North American jockey, stunned Irish bettors by guiding a 55-10-1 shot to victory Saturday over their three-year-old champion in his first race on this side of the ocean. The Irish colt, in the \$4,000 added Blandford stakes for three- and four-year-old colts and fillies at 1 1/2 miles.

The customers bet the Irish Derby winner, Beau Sabreur, so confidently that he left the post at 1 to 2. At the finish the favorite was 10 lengths back of Longden's mount, Pink Larkspur. J.B. Donnelly, owner of Pink Larkspur, signed Longden immediately to handle the colt in the Irish St. Leger here Sept. 14. The St. Leger is 1 1/2 miles. Beau Sabreur had been figured a cinch to win it. Longden followed up his victory in the money with his only other two mounts of the day. He got home second on Shining Bright in a five-furlong sprint for two-year-olds. Then he served a dead heat for third on Hyacinthia Girl. Beau Sabreur is Ireland's entry in the \$100,000 international Prix de Triomphe at Longchamps Oct. 1.

Fails In Attempt To Break Water Speed Mark

By Jack Sullivan Canadian Press Staff Writer PICTON, Ont., Aug. 30 (CP)—Miss Canada IV did not make it. The temperamental three-ton water monster with a \$1 engine and a \$35,000 hull acted like a spoiled little brat today and ruined temporarily at least any chance driver Harold Wilson of Ingersoll, Ont., had of setting a world's water speed record. The boat kicked up such a fuss that baldish Harold called it off, after six futile early-morning attempts. "Well, that's that," a dejected Wilson told newspaper men on the Prince Edward Yacht Club after he and chief mechanic Charlie Volker had set out for the sixth, and last, time. "It's all over" the son of millionaire sportsman E. A. Wilson said. "I'm going back to Muskoka (Ont.) this afternoon, but I'll be back. I'm going to break the record (141.7 miles an hour that has stood for 10 years)."

This was the first time Wilson had opened up to tell newspaper men just what his speed-boat could do. Sideline observers had said Miss Canada IV had exceeded the record in trials around Gravenhurst, Ont., but Wilson remained mum on the subject. The usually tight-lipped Wilson had every reason to be downhearted. He had been at this eastern Ontario town of 4,000 population the last 33 days, but had officially bounded over the one-mile nautical course at 150 miles an hour, well beyond the mark set by the late Sir Malcolm Campbell Aug. 12, 1939, over Lake Coniston, England, and appeared well on his way to his life's ambition when Miss Canada trumped his race. She renegeed when the blue chips were down.

Her Rolls Royce engine was purchased for the nominal sum of \$1 when Harmsworth Trophy rules were amended to allow a Canadian-built hull and a British-made motor to compete in the blue-ribbon speedboat race. Wilson and his father arranged to pay a \$1 nominal sum to the British company for two 2,500-horsepower engines, and from that point on the Harmsworth Trophy was all but sitting on the mantelpiece of Wilson's Ingersoll home. In trials, the 33-foot boat did everything expected of her, just as in the trials here, but when the flags were towed to mark start of the Harmsworth she put her ears

back like a filly and she simply refused to break into a gallop. The Harmsworth ended with Miss Canada IV a sad last in a field of four. It was a re-take of the Harmsworth story here. This morning, Wilson and his crew worked in the boat until 4 a.m. to get her in top shape, had an hour's sleep and away he went at 6:50 a.m. From there in, everything went wrong. Hundreds of spectators ranged along the top of the cliffs and the general feeling seemed to be that this was the day Harold Wilson would become the fastest man on water in the world. It turned out to be one of the most disappointing days of his life. He donned his goggles and life-jacket at 6:45 a.m., was on the course a few minutes later and back at the door in less than half an hour. "The weather was okay but we're not," he told reporters.

Georgetown Defeats Peake's 15-1

On Sunday the local Georgetown baseball squad playing on their home diamond, climbed one more rung on the ladder to the King's County baseball championship, when they hung a 15-1 plastering on the visiting Peake's squad. The best of five series now stands at two wins for Georgetown, they having won the opener 10-5, with Peake's being so far unsuccessful in breaking into the win column. Sunday's encounter witnessed some good plays, pulled off by both aggregations. The locals were classy fielded and the lone run gathered in by the losers was an unearned one, on a Georgetown players error. Loose fielding by Peake's resulted in Georgetown runners filling the bases on more than one occasion. Johnny Deeks was once again the complete master of the situation, facing thirty-four batters and allowing only seven to reach base, while he obtained eight strikeouts against McAlulay's five. Handranah relieved McAlulay on the mound in the eighth and ran into a barrage of hits which added several runs before the locals were finally retired. With the third fixture set for Wednesday at Peake's the Georgetownians will go all out to end the series.
