**HEART DISEASE**  
A Toronto Physician it Never Exists without the Presence of some Kidney Disease  
Toronto, June 11.—The number of sudden deaths due to heart disease is appalling. The medical profession is devoting more attention to the heart and its ailments at the present time than ever before, and many physicians are making a speciality of diseases of the organ. A Toronto doctor, who devotes much attention to this branch of his practice said to your reporter to-day, "I have yet to learn of a single case where disease caused death, in which a post mortem examination did not show the existence of Bright's Disease, Diabetes, or some other kidney disease." Dodd's Kidney Pills will cure all diseases of the kidneys and thus ward off the danger of heart disease.

**DYING OF THIRST**  
Is Just as Sensible as Suffering from Dyspepsia.  
When Dodd's Dyspepsia Tablets can be Procured—Dodd's Dyspepsia Tablets Cure Dyspepsia as Positively as Water Banishes Thirst.

Why should you suffer with thirst, if you have, within your reach, plenty of pure, cold, spring water?  
There is absolutely no reason why you should do so!  
Is there any more reason why you should endure the torments of Dyspepsia, year after year, when you can put your hand on a box of Dodd's Dyspepsia Tablets?  
There cannot possibly be any more reason, for Dodd's Dyspepsia Tablets will cure Dyspepsia, just as unfailingly and thoroughly as pure, cold, spring water will quench your thirst.  
There is no uncertainty about the action of Dodd's Dyspepsia Tablets, on the digestive system. They will cure Dyspepsia, Indigestion, Constipation, Sour Stomach, Flatulence, or Wind on the Stomach, Catarrh of the Stomach, Impure Blood, Pimples, Boils, Biliouness, Liver Complaint, Jaundice, Foul Breath, Furred Tongue, and every other stomach ailment, except cancer.  
These are not all different diseases. They are all results of one disease—Dyspepsia. Cure this one, and you get rid of all the others.  
One or two of Dodd's Dyspepsia Tablets, taken after each meal will thoroughly digest the food, and thus prevent it from collecting in the stomach, fermenting, and giving rise to Dyspepsia and its train of evil results.  
A couple of the small, brown Tablets, that go with Dodd's Dyspepsia Tablets, will, if taken when required, insure regular and perfect action of the bowels, and fully supplement the work of the larger Tablets.
