## SILVER FOX SKINS

DEAR SIR,  
Owing to the large number of SILVER FOX SKINS now coming forward from Canada and the United States of America for inclusion in our Public Fur Sales, we have found it necessary to make certain rules under which only are we willing to accept consignments.

We have found by experience that (except in the case of the very finest specimens) higher prices are as a rule realised for lots containing a considerable number of skins: this is especially noticeable in the case of the cheaper grades.

The buyers attending the Sales have only a limited time at their disposal, and it is obvious that they are better able to examine a large offering if the number of lots catalogued is kept within reasonable bounds.

It is also clear that to enable us to make large lots we must be permitted to put the skins belonging to different owners together, and, further, that skins so lotted cannot be offered subject to a reserve price.

We therefore wish to give you notice that we are only willing to accept your shipments on the following conditions:-

- (1) We are to be at liberty to offer your skins, or any part of them, lotted with similar skins belonging to other owners.
  - (2) We cannot include in our Sales skins on which a reserve price has been placed.
  - (3) Unless we hear to the contrary, we will assume that you desire to offer and sell all skins consigned to us at the next Public Sale after their arrival in London: if, however, you should wish any of your skins held for a later sale, it will be necessary for you to inform us of this fact at the time of shipment.
  - (4) It is understood that any skins consigned to us by you, after the receipt of this circular, are subject to the above conditions, and that in making your shipments to us, you agree to them.
- We need hardly say that in lotting together skins belonging to different owners the greatest care is taken to ensure that only those of exactly similar character, quality and value are offered in the same lot.
- C. M. LAMPSON & CO., LTD.

### DIRECTIONS AS TO SHIPMENT

PARCEL POST.—Under the Post Office Regulations, packages to be sent by Parcel Post must not exceed 11 lbs. in weight.

PACKING.—Skins should be carefully packed in parcels, the outer covering of which should be of canvas, unbleached muslin, cheese cloth, or some similar fabric.

SHIPPING.—Each package must be clearly addressed to:-

C. M. LAMPSON & CO., LTD.,  
64 Queen Street,  
London, E. C. 4,  
England.

It is essential for the identification of shipments on arrival in London that each parcel should be distinctly marked on the OUTSIDE with the name and address of the shipper.

It will also be found convenient to mark the first parcel No. 1, the second No. 2, and so continue with each succeeding parcel until the end of the season.

These two points are of great importance, as large numbers of parcels are frequently delivered together, and without the name of the shipper and number on the wrapping it is extremely difficult for us to trace the ownership of the parcels.

INVOICE.—At the time that the shipment is despatched an invoice MUST ALWAYS BE MAILED UNDER SEPARATE COVER to us at this address.

- This invoice should state:-
- (1) The number of parcels sent forward.
  - (2) The number marked on each parcel.
  - (3) The quantity of skins in each parcel.
  - (4) Amount of Marine Insurance required.

On the last page of this circular we give an example of how the invoice should be made out by you.

MARINE INSURANCE.—UNLESS ADVISED TO THE CONTRARY, we will insure all shipments whilst in transit, under our Open Policies for invoice value plus 10 per cent. These policies give full protection from the time that the goods leave your possession until delivered to us in London, and the rate of premium is most reasonable.

As stated above, we should in every case be advised at the time the shipment goes forward of the amount of insurance required.

If it is not desired that we should arrange Marine Insurance, this fact should be clearly stated on the invoice referred to above.

SHIPMENT BY EXPRESS.—Skins may also be forwarded to London through any of the Express Companies.

Shipments by Express should be made in exactly the same way as by Parcel Post, except that there is no limit to the weight of packages and wooden cases may be used.

It is not necessary so far as the Marine Insurance is concerned to declare a value of more than \$50 per package to the Express Companies, as if full value is declared the Express Company will charge their rate based on the valuation.

NEW YORK.—Information as to shipments of furs to London can be obtained from our New York Representative:-

MR. ALFRED FRASER,  
212, Fifth Avenue,  
New York City.

PAYMENT.—It is, however, unnecessary for you to advise Mr. Fraser of shipments made direct to us in London.

Payment will, as a rule, be made by Dollar Cheque from our New York Office.

Should you prefer to be paid by Sterling Draft on London you should inform us of the fact when forwarding your invoice.

Eastern friends of Mr. and Mrs. E. Mosher, formerly of Souris, but now of Montague are rejoicing in the receipt of a very beautiful wall-pocket calendar. The scene is a winter landscape and the portrayal of snow and frost is very realistic indeed.

Mr. E. C. McLean of Souris, had the misfortune of injuring the top of his thumb rather seriously last week. In fact he cut the thumb off below the nail. Medical aid was quickly summoned however, and the thumb according to latest reports was doing well.

Another bad fire occurred in this vicinity recently when a number of outbuildings, the property of Rev. E. Walker, Rollo Bay, were utterly destroyed. The fire, it is understood originated in a boiler house and quickly spread. A new car belonging to Fr. Simot was destroyed.

With regret the death of Sister St. Enfrede published in your column of December 21st, is a loss to the community. Her talents as a Sister will be remembered by many of her pupils in Souris, where she was principal for a number of years. A large number of her erstwhile pupils are now teachers who are making quite a success of their vocation.

Another death occurred this week at East Baltic when Mr. Peter Rose, a highly respected resident passed to his eternal reward. Deceased was only in the prime of life but succumbed to that fatal disease, pneumonia. Mr. Rose will be sadly missed in the community in which he resided as he was ever ready to lend a kindly hand to all.

We greatly regret to report the death of Miss Katherine Kearney of Souris, daughter of Mr. and Mrs. John Kearney. Although not enjoying robust health for a year or two, Katie seemed considerably improved this summer. However towards winter her strength seemed to wane and despite all medical efforts her gentle spirit passed to the Great Beyond. To the bereaved we extend our deepest sympathy in the loss of their beloved one, a loss which seems all the sadder as the one called was so young and also as this season is a festive one. Her

We are sorry to hear that Mrs. (Dr.) Smallwood, Souris, is confined to her home owing to illness. We trust she will have fully recovered before Christmas.

Cattle buyers from St. John were visitors to Souris and suburbs last week. They secured a large number and Souris was a very busy place for a few days while these were being loaded.

Merchants of Souris report the Xmas trade equal to last year despite the low prices for "spuds". The postmaster reports very heavy mail but the parcels being arriving earlier and consequently there was not such a congestion the last few days.

Another Christmas visitor to his "old home town" is Mr. Kiew McEwen of Boston, who has been absent for over six years. Mr. McEwen holds a good position with Byrd Products Company in the paper mill and although he plans to return to the big city in a couple of weeks, says there is no place like P. E. I., the land of the whitest people and the blakkest foxes.

In the Souris markets last week butter was bringing 37 cents per lb. and eggs 50 cents per dozen. A fair quantity of poultry was offered, geese being quoted at 23c per lb. Trade was quite brisk, all the week preceding Xmas. The stores were very artistically decorated and looked very gay in their holiday attire. McCornack's store was headquarters for Santa Claus, but all stores had a splendid assortment of toys as well as dainty gifts.

Cumberland Hill examination was held on Thursday afternoon with a large attendance of visitors. The teacher Miss Annie McGowan was assisted by Miss Lilly Moore, teacher of Albion School. The children did very well indeed. Last but not least came the unloading of the Christmas tree. Miss Moore of Albion School held her examination on Friday afternoon and Miss McGowan assisted in the examination. The school children acquitted themselves very creditably and also rendered a very enjoyable program. The Xmas Tree was then stripped of its load of gifts after which all dispersed for their homes.

Misses Jessie and Annie McGowan Mt. Hope, are spending a vacation with Mr. and Mrs. Howard Wood, Red House.—B

A green Christmas this year. Cars and wagons running freely, the ground absolutely bare of snow. Next comes New Year's Day. The great starting point of a picked band of stout resolutions.

Mrs. Archibald MacNeill, of Little Sands, died on Dec. 2, and was buried on Christmas Day. She was a woman well along in years, being more than eighty-four years old. Her funeral was largely attended.

Mrs. Charlie Lutz and Mrs. Howard White were among the late visitors to the city.

Miss Edith MacNeill, R. N., of Little Sands, is now on professional duty in the City. Since her graduation she has been very active in her calling, not only in her homeland but in widely separated parts of Canada and the United States. Her services have been called for in Montreal, Toronto, New York and other leading cities.

The Christmas tree and entertainment was staged in good order in Wood Island East School on Saturday, 22nd. By the time Santa Claus got through distributing presents he was generally pretty well fagged out, but he was there at the finish. Among all the performers none shone more brilliantly than Mr. Milburn Keenan of Port Wood, who delighted the audience with a fine selection of tunes on the violin. The school children had recitations readings and so forth suitable to the occasion.
