### LANCASHIRE Fire Insurance Company OF ENGLAND.

This Company is prepared to take Fire Risks on Property in Prince Edward Island at very moderate Rates of Premium.—Persons having property to insure will find it very much to their advantage to apply to the undersigned for quotations of Rates.—Unscrupulous agents are endeavoring to persuade persons from insuring in the "Lancashire" by circulating a report that the company never pays its Losses.—This gives us the opportunity of stating that during the Twenty-Five Years in which the "Lancashire" has been operating in the Maritime Provinces it has never had a Loss Swell therein, and furthermore that on the occasion of the Great Fire of 1877 in St. John N.B. the "Lancashire" was the first Company to complete payment of its Losses, having paid, through us, nearly a Half a Million of Dollars in Claims, within 28 days after the fire (See St. John Daily Telegraph, 19th July, 1877.)

The only outstanding Losses which we have on our books are for Fires occurring within the last four weeks; and which will be all paid before 24th inst. It is to be regretted that the representative of any Company should consider it necessary to resort to inaccurate statements in hope of being able to retain his business at rates higher than those which the Lancashire is prepared to charge.

### HAVE YOU CATARRH?

If you are troubled with Catarrh and want to be cured, use Catarrhzone, which is a guaranteed cure for this distressing disease. There is no mystery about Catarrhzone, though its effects are magical. Ointments and snuffs cannot reach the diseased parts and have thus proved useless, but Catarrhzone is carried by the air you breathe directly to the diseased parts, where it volatilizes, killing the germ life and healing the sore spots. No danger, no risk, sold by all druggists or by mail, price \$1.00. For trial outfit send 10c in stamps to N. C. POLSON & CO., Box 529 Kingston, Ont.

"Woman have no continuity of purpose." "Haven't they? My cousin Laura bought a \$75 diamond ring paid for it \$1 at a time."

DEAR SIRS—I was for seven years a sufferer from Bronchial trouble, and would be so horse at times that I could scarcely speak above a whisper. I got no relief from anything till I tried your MINARD'S HONEY BALM. Two bottles gave relief and six bottles made a complete cure. I would heartily recommend it to any one suffering from throat or lung trouble. J. F. VANBUSKIRK, Fredericton.

"Will you not eat your pie here in the kitchen?" "Tanks, lady, but you see I pride meself on bein a diner out."

### "EXPERIENCE IS THE BEST TEACHER."

We must be willing to learn from the experience of other people. Every testimonial in favor of Hood's Sarsaparilla is the voice of experience to you and it is your duty, if your blood is impure and your health failing, to take this medicine. You have every reason to expect that it will do for you what it has done for others. It is the best medicine money can buy. Hood's Pills are non-irritating, mild, effective. Little Horace—Papa, what are silent watches of the night? Papa—The ones people forget to wind, when they go to bed, I guess.

### THE BEAUTY THAT ATTRACTS MEN.

Is not so much in the feature as in a clear healthy complexion, and a plump body filled with vigor and vitality of perfect health. ### THE FEAR OF HUMBAG.

Prevents Many People From Trying a Good Medicine.

Stomach troubles are so common and in most cases so obstinate to cure that people are apt to look with suspicion on any remedy claiming to be a radical, permanent cure for dyspepsia and indigestion. Many such pride themselves on their scuteness in never being humbugged, especial in medicine.

This fear of being humbugged can be carried too far. In fact, many people suffer for years with weak weak digestion rather than risk a little time and money in faithfully testing the claims made of a preparation so reliable and universally used as Stuart's Dyspepsia Tablets.

Now Stuart's Dyspepsia Tablets are vastly different in one important respect from ordinary proprietary medicines for the reason they are not a secret patent medicine, no secret is made of their ingredients, but analysis shows them to contain the natural digestive ferments, pure aseptic pepsin, the digestive acids, Golden Seal, bismuth, hydrastis and nux. They are not cathartic, neither do they act powerfully on any organ, but they cure indigestion on the common sense plan of digesting the food eaten thoroughly before it has time to ferment, sour and cause the mischief. This is the only secret of their success.

Cathartic pills never have and never can cure indigestion and stomach troubles because they act entirely on the bowels, whereas the whole trouble is really in the stomach.

Stuart's Dyspepsia Tablets taken after meals digest the food. That is all there is to it. Food not digested or half digested is poison as it creates gas, acidity, headaches, palpitation or the heart, loss of flesh and appetite and many other troubles which are often called by some other name.

They are sold by druggists everywhere at 50 cents per package. Address F. A. Stuart Co., Marshall, Mich., for little book on stomach disease, sent free.

### "One great trouble with this world,"

said Uncle Enoch, "is dat ev'rybody 'magine dat someone is trying ter git de best of 'im an dat he's gotten 't be best of some one else so's ter keep even."

### PRISONER RELEASED.

Victim of Kidney Disease Escapes from its Clutches by Means of Dodd's Kidney Pills. Sharbot Lake, Nov. 6.—Twenty years ago this month, John Nicholas Babcock first noticed the symptoms of Gravel and other Kidney troubles. Since that day he has never been free from pain until immediately previous to the report of his complete cure which appeared recently. He has been like a prisoner sentenced for life but his sentence is up to-day.

He says: "After twenty years of pain caused by Gravel and other kidney trouble, I am pleased to make it known that I have been completely cured by one box of Dodd's Kidney Pills. During these years I have spent hundreds of dollars without receiving any lasting relief."

"Did you read about that fellow who attempted to murder a girl and then committed suicide?" "Well, that is an improvement on the usual style of committing the murder and attempting the suicide."

### A Fashionable Disease.

La grippe is the most prevalent disease of the day. Affecting nearly 25 per cent of our people, Griffiths' Menthol Liniment applied to the back and chest and a few doses taken internally is a positive and quick cure. It is pleasant to take and clean to apply, and will cure in a single night. Try it. 25 cents at all druggists.

Mrs. Gofrequent—Poor Mrs. Jpjohn looks miserable.

Mrs. Seldom-Holme—Well, she isn't. She's happy. She has the golf shoulder, the trolley car heart, the bicycle face, and she thinks she's getting hay fever.

### PILES FOR 15 YEARS.

Mr. Jas. Bowler, Councillor, Embro, Ont. writes: "For over 15 years I suffered the misery of bleeding, protruding piles. The many remedies I tried failed. I was advised to use Dr. A. W. Chase's Ointment, and mus' say that the first application gave relief. After third day the bleeding stopp d and two boxes cured me completely."
