Hal Bourke, Charlottetown, has received from Leslie Campbell, Cape Traverse, a fine twenty-two foot launch. Mr. Bourke will equip his boat with a seven horsepower motor and will have a splendid launch. This is yet another of the rapidly increasing additions to Charlottetown Harbor's fine fleet of launches.

A telegram received in Charlottetown, Friday announces the death in Jamaica Plain, Mass., of Mrs. George McLean, formerly a resident of Searleton, P. E. I. The deceased, whose maiden name was Margaret McNeill, was a native of West River, and has many relatives in that section. She leaves a husband and three sons and one daughter, John G. and Dr. C. H. of Jamaica Plain, Talmage of Denver, Col., Miss Annie, graduate nurse in Mass., General Hospital.

The funeral of the late Mrs. John N. Leard, Tryon, which was held on Saturday as previously announced, was largely attended. The services in connection therewith were conducted by the pastor, Rev. W. A. Thompson, River, and Rev. R. T. Dobie, Tryon. The pallbearers were: Alex. Robblee, Charles Wright, Hiram Lee, Henry Smith, Frank Lang and Richard Lord. Much sympathy is felt for Mr. Leard and family, the former being now in his eighty-eighth year, and almost totally blind he was able to attend the funeral.

Mrs. R. T. Holman, Summerside, who has just returned from a visit to St. John's, Nfld., informs us that Rev. Mr. Strathie is steadily regaining his strength and his physicians hold out good hopes of his ultimate complete recovery. His condition on arriving in St. John's and for some time afterwards was far from encouraging, but latterly there has been a decided change for the better. His many friends in this Province, and especially his former parishioners in Summerside, will be glad to learn of this and will earnestly hope to see him completely, and soon, restored to his former strength and usefulness.—Exc.

Old Dutch Cleanser

will clean Pots & Pans Perfectly

Do away with the old-fashioned, arm-tiring method of scraping. Old Dutch Cleanser saves you both labor and time. The fine particles will immediately loosen and remove the grease and the hardest "burnt-in" crusts which soap, soap powder and scouring brick only imperfectly wear off after long, hard scraping. An "all-round" cleanser for every part of the "real-as-a-pine" house. Specially hygienic.

After the marriage ceremony the company sat down to a well spread wedding feast. Mrs. Brown has been a valued member of the choir and a worker in the Hunter River Methodist Church and Mr. Brown is one of the most highly respected young farmers of the place and a son of Simon Brown. Their friends offer congratulations and wish them a long and happy life journey.

Among the graduates of the Newton Theological Institution (Baptist) at Boston is Gordon Chester Warren, North River, P. E. Island.

The marriage of Gordon Brown and Miss Ina Carew took place at the residence of Jas and Mrs. Carew, Hunter River, on the evening of the 6th inst. The ceremony was conducted by Rev. J. B. Gough. Only the immediate relatives were present.

The Central Canada Exhibition to be held at Ottawa, September 5th, is offering \$90.00 in six prizes for sheaves of oats. Each sheaf must be not less than 8 inches in diameter, neatly bound, boxed and shipped to J. Lockie Wilson, Horticulturist Building, Ottawa. Entries must be made not later than August 20th. This affords an excellent opportunity for Prince Edward Island to demonstrate that it is the seed bed of Canada. It is hoped a number of exhibits will be sent from this Province.

Fifteen thousand dollars for a pair of black foxes was refused last week by Mr. Metherell, whose ranch is situated at O'Leary, P.E.I. Mr. Metherell is at present at Alder Point, where he has large lobster factories, but in the fall he will leave for the Island, where he will follow the business of fox raising. Last summer he lost one valuable fox, but judging from the outlook at his ranch he will have a good batch of young pups next year, which will mean considerable money's worth.—North Sydney Herald.

Miss Annie Murphy, formerly of Charlottetown and now residing at Amherst, N.S., who spent the past two weeks in Charlottetown, the guest of Edward and Mrs. Higgins, Bayfield Street, has returned to her home. Miss Murphy will be one of the principals in a very interesting event which takes place in Amherst this week when she will become the bride of Walter Hussey of Pugwash. They intend to reside in Vancouver. Miss Murphy is a most popular young lady and has hosts of friends in her native city who will tender their best wishes on this happy occasion and at the same time greatly regret that she is removing so far from her old home.

The Cathedral of the Immaculate Conception was the scene of a pretty wedding at 6 o'clock yesterday morning, when Rev. A. W. Meahan united in marriage Miss Annie J. Nugent and Thomas E. Walsh, both of this city. Miss Minnie Crowley was bridesmaid. The groom was supported by his brother, William Walsh. After the ceremony, the bridal party drove to the home of the bride's sister, Mrs. J. Dwyer, Sewell street, where breakfast was served. After breakfast Mr. and Mrs. Walsh left on the Digby boat for a honeymoon trip through the Annapolis Valley and also to Prince Edward Island. On their return they will reside at 177 Rockland road. Many handsome presents were received by both the bride and groom.—St. John's Ebx.

The home of C.F. and Mrs. Squires, 504 East Pine St., Portland, Oregon, was the scene of a very pleasant event on Wednesday, May 22nd, at 8:30 p.m., when Mrs. Squire's niece Miss Laura Blanche Darrach, daughter of Duncan and Mrs. Darrach, Marshfield, P. E. I., was united in marriage with Ernest E. Howard of the Pacific State Civil Service School and Real Estate dealer, Portland, Ore. The ceremony was performed by Rev. Dr. O. H. Trimble of Century Methodist Church in the presence of only immediate friends of the couple. The bride wore a tailored suit of cream serge with cream picture hat to match and carried a sheaf of white carnations. The bride and groom were unattended. The house was prettily decorated for the occasion with Oregon grapes, Scotch bloom and carnations. Immediately after the ceremony all partook of a dainty wedding luncheon prepared in Mrs. Squire's up-to-date manner. After spending a few hours in social conversation the friends departed wishing Mr. and Mrs. Howard a long and happy wedded life. Miss Darrach was formerly a graduate of the Charlottetown Business College, Charlottetown.

The second match for the Guardian Trophy and the second Canadian Rifle League Match were shot Saturday afternoon at Kensington Rifle Range, Charlottetown, under excellent conditions. The Fourth Regiment team again beat their opponents, the Civilians, this time by a margin of 33 points. The shooting was fairly high throughout, but the Civilians miss many of their old standbys in those who have removed to the West.

E. G. Love, who has probably been shooting longer than any man on the range, Saturday proved that his nerves and eyes are better than ever by putting on the excellent score of 93 points.

The body of Felix Gallant of Rustico, who was drowned off the S. S. Minto on her first trip last winter between Summerside and Cape Tormentine, was found Saturday on the shore at Cape Tormentine. It will be brought to this province for interment.

What is said to be a world's record in rifle shooting was made in Truro recently at the trials for places on the Inter-maritime team. The match was shot at 300, 500 and 600 yards, seven shots at each range, the total possible is 105 points. Lieut. W. R. Semple, well known among riflemen in Charlottetown, scored 90 at 300 yards and a possible of 33 points at both 500 and 600 yards, a grand total of 104 out of 105 points. At 500 and 600 yards both his sighting shots were bull's eyes, giving him nine consecutive bull's eyes at each range. The best previous record of 105 points was made at 200, 300, and 500 yards in England last year, but it is doubtful if the record of 104 was ever before equalled at 300, 500 and 600 yards. The Inter-maritime match will be shot at Halifax on June 13 and there will be the usual strong team from P. E. Island, the present champions.
