

"Caught Cold."

Had a Distressing, Tickling Sensation In The Throat.

Mr. Albert MacPhee, Chignecto Mines, N.S., writes: "In Oct., 1908, I caught cold by working in water, and had a very bad cough and that distressing, tickling sensation in my throat so that I could not sleep at night, and my lungs were so very sore I had to give up work. Our doctor gave me medicine but it did me no good so I got a bottle of Dr. Wood's Norway Pine Syrup and by the time I had used two bottles I was entirely cured. I am always recommending it to my friends."

Dr. Wood's Norway Pine Syrup combines the potent healing virtues of the Norway pine tree with other absorbent, expectorant and soothing medicines of recognized worth and is absolutely harmless, prompt and safe for the cure of Coughs, Colds, Bronchitis, Croup, Sore Throat, Pain or Tightness in the Chest, and all Throat and Lung Troubles.

There are many imitations of "Dr. Wood's" so be sure and get the genuine when you ask for it.

Put up in a yellow wrapper; three pine trees the trade mark; price 25 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

Palpitation of the Heart.

One of the first danger signals that announce something wrong with the heart is the irregular or violent throbbing. Often there is only a fluttering sensation, or an "all gone" sinking feeling, or again, there may be a most violent heaving, with flushings of the skin, and visible pulsations of the arteries.

Mrs. Martha Mason, Marlbank, Ont., writes: "Just a few lines to let you know what Milburn's Heart and Nerve Pills have done for me. I have been troubled with weakness and palpitation of the heart, would have severe choking spells and could scarcely lie down at all. I tried many remedies but got none to answer my case like your pills did. I can recommend them highly to all with heart or nerve trouble."

The girl, who is 18 years of age, told her mother killed her father, how she aided in disposing of the body, how the crime drove her mother insane and how the terrible story haunted her until she had to tell it. She probably will not be prosecuted. Brodenheyer aroused the jealousy of his wife after he moved to Madison and engaged in the jewelry business. The wife, according to her daughter, satisfied herself of her husband's infidelity and decided to kill him. She lured him to an abandoned house on an old farm near Madison under pretence of their looking over the property, and shot him.
