PERCY BAKER, a young lad, got a portion of his finger cut off while working on a cutter in Mr. James M. Millan's can shop at Cardigan last Thursday.

The morning western train was delayed three hours Saturday. The engine and snowplough went down the Cape Traverse rutch to clear the track for the special should it be found necessary to send the trains on that route.

MR. CUMING has THE GUARDIAN'S thanks for a copy of the Independent published in Footscray in which is a letter from his brother, Mr. James Cuming who it will be remembered visited Charlottetown during the past summer. The letter is written from Chicago.

S. of T.—Remember the Literary Contest in Victoria Division on Monday evening. The Division will open at 7.45 on Monday. Every member is entitled to bring a friend. Members of other Divisions are heartily invited. The G. W. Patriarch has kindly consented to act as Judge. Home made candy.

CARDIGAN JOYRINGS.—Our merchants are doing a rushing business this winter. Mr. D. Barks has opened out a new store near Cardigan and he is doing a good business, he also intends opening out in Mi town. The people of Cardigan are enjoying hot fires from the excellent fuel that is being supplied by Mr. D. Dougherty of St. Peter's Road.—There are rumors of a wedding about to take place in the near future.—Mr. Peters Sharkey, is reported very ill with a stroke of paralysis but his recovery is expected.—Our popular miller is doing a rushing business this spring.

Mrs. MURDOCK MATHESON and Mr. Angus D. Matheson, of Hatherlyde, left last week for California. Mrs. Matheson goes to join her husband who, having left the Island about a year ago, is well pleased with the land of his adoption, and Mr. Matheson goes to join his brother Malcolm R. who left nearly two years ago. On the eve of their departure a large circle of friends assembled at the residence of Mr. John Matheson to bid them good-bye, and to wish them success along with their other friends in their new home. They will be very much missed by their many friends. It is gratifying to learn that the prospects of the party, who have now for some time been engaged in mining development, are considered by reliable and disinterested mining experts to be excellent. Not only do they hold what are considered to be valuable gold-bearing claims, but they also have in their possession extensive tracts of coal and oil lands, now awaiting development. The members of the party at present in California are Malcolm R. who left his Island home some 2 1/2 years ago, his wife, a native of California, and Malcolm R. above referred to. THE GUARDIAN together with their many friends, wishes the different members of the party the best of health and happiness in their adopted home and hopes that their efforts in that far away, sunny state, where they are removed from all the cherished associations and friends of their youth, may be crowned with an abundant measure of success.—Mudding has commenced on Orwell River but the ice in many places is not very thick.

WHAT might have been a very serious accident happened at Cardigan on Wednesday night. Mr. D. C. Morson and family were nearly suffocated with gas which escaped from a hall stove. Mr. Morson was fortunate enough to waken during the night and thus what might have been a very serious affair was averted. Under the skilful care of Dr. Allan the victims are recovering. Mrs. Morson and her daughter Mariel were very ill Thursday and Friday.

STRANGER THAN FICTION.
A Remedy Which Has Revolutionized the Treatment of Stomach Trouble.

The remedy is not heralded as a wonderful discovery nor yet a secret patent medicine, neither is it claimed to cure anything except dyspepsia, indigestion and stomach troubles with nine out of ten sufferers.

The remedy is in the form of pleasant tasting tablets or lozenges, containing vegetable and fruit essences, pure aseptic pepsin (government test), golden seal and diastase. The tablets are sold by druggists under the name of Stuart's Dyspepsia Tablets. Many interesting experiments to test the digestive power of Stuart's Tablets show that one grain of the active principle contained in them is sufficient to thoroughly digest 3000 grains of raw meat, eggs and other wholesome food.

Stuart's Tablets do not act upon the bowels like after dinner pills and cheap cathartics, which simply irritate, and inflame the intestines without any effect whatever in digesting food or curing indigestion.

If the stomach can be rested and assisted in the work of digestion it will very soon recover its normal vigor, as no organ is so much abused and overworked as the stomach.

This is the secret, if there is any secret of the remarkable success of Stuart's Dyspepsia Tablets, a remedy practically unknown a few years ago and now the most widely known of any treatment for stomach weakness.

This success has been secured entirely upon its merits as a digestive pure and simple because there can be no stomach trouble if the food is promptly digested.

Stuart's Dyspepsia Tablets act entirely on the food eaten, digesting it completely, so that it can be assimilated into blood, nerve and tissue. They cure dyspepsia, water brash, sour stomach, gas and bloating after meals, because they furnish the digestive power which weak stomachs lack and unless that lack is supplied it is useless to attempt to cure by the use of "tonics" "pills" and cathartics which have absolutely no digestive power.

Stuart's Dyspepsia Tablets can be found at all drug stores and regular use of one or two of them after meals, will demonstrate their merit better than any other argument.

Family Record.
One of the most beautiful pictures in colors. Upon a background of PURE GOLD rests the FAMILY RECORD in the shape of a handsome volume with GOLD CLASPS upon a cushion of crimson velvet with a beautiful GOLD TASSSEL. On the pages, under different headings, are spaces in which to write the name and date of birth. On either side is a beautiful scroll on which to record marriages and deaths. On the top of the picture are the words, "FAMILY RECORD," in the richest lettering known to printer's art. Under this are spaces for father's and mother's pictures. In the lower part of the picture is a beautiful home scene. THE DEAR OLD GRANDPARENTS, THE HANDSOME STALWART HUSBAND and HAPPY YOUNG WIFE, the LOVING DAUGHTER and BABY-BOY—the IDOLIZED GRANDCHILD, are all gathered around the table, while grandfather reads a portion of GOD'S HOLY WORD. A truly beautiful scene. Underneath are the words, "GOD BLESS OUR FAMILY." Around this picture are eight spaces for photographs of other members of the family, each space enclosing a gem flower piece. Elsewhere on the picture are scattered creeping vines, buds and blossoms in rich confusion, the whole resting on, and thrown into bold relief by the gorgeous background of Solid Gold which produces a picture of dazzling beauty.
