THE PRINCE COUNTY GUARDIAN

Offices in Summerside, J. Frank Lafferty, Manager, and in Alberton, Herbert Clark, Manager.

The latest news, first of all.

M. J. Marr of the P. E. I. R. has recently been spending a few days with friends at Alberton South.

Remember the farmer's Institute meeting at Wilnot Valley, on Monday afternoon and evening.

A meeting of the Crystal Hockey Club, will be held in the Crystal rink in Summerside on Monday evening at seven o'clock.

The Crystal Rink, Summerside, an excellent sheet of ice, and a large crowd of skaters and promenaders present.

The following are the Summerside market prices, butter 22 and 23 cents, eggs 25 cents, hay 8 to 9 dollars, straw \$4.50, black oats 41 cents, white oats 40 cents, pork 6 1/2 to 7 cents, potatoes 20 cents, geese and ducks 10c per lb, chickens 8 to 10, turkeys 14, and poultry 6 to 8.

The Holiday passed off quietly in Summerside, yesterday. Notwithstanding the dirty weather in the afternoon, a large crowd of people were on the street especially on Water Street, where the owners of fast horses were trying to determine which of them had the most speed.

James McKinnon, Edmonton, Alberta, who has been visiting in Summerside for the past week, left last night on return to the west. On the way home he stopped in Montreal to witness the Stanley cup games held there on Monday and Wednesday next and he hopes to be one of the party to carry that coveted cup to his native city.

Physician Gives Advice

Tells Why So Many Suffer from Catarrh and Rheumatism.

A distinguished physician, famous for his successful treatment of Catarrh and rheumatism, kidney and bladder troubles, states as follows:—'Our climate being more or less damp and changeable, is bad for catarrh and rheumatism, and care must be taken not to let these troubles gain headway. In addition, he states that a great many Canadians are careless in their habits, and to this as much as climate conditions is due a great deal of the trouble. Insufficient clothing and improper eating will cause rheumatic and catarrhal troubles in any climate.

This eminent authority gives the following as the simplest and best treatment known to science, and to it he gives credit largely for his success:— Fluid Extract Cascara 1/2 oz. Carriana Compound 1 oz. Syrup Sarsaparilla 6 oz. Directions: One teaspoonful after each meal and at bedtime. The ingredients are all vegetable, and have a direct and specific action on the liver, kidneys, and bowels, eliminating all poisonous matter from the system. Any druggist can dispense this, or you can buy the ingredients separately and mix at home by shaking in a bottle. Many readers should benefit by this article. Save the recipe.
