MEDICAL EXAMINER

Of the United States Treasury Recommended Pe-ru-na.

Other Prominent Physicians Use and Endorse Pe-ru-na.

DR. LIEWELLYN Jordan, Medical Examiner of the U. S. Treasury Department, graduate of Columbia College, and who served three years at West Point, has the following to say of Peruna:
"Allow me to express my gratitude to you for the benefit derived from your wonderful remedy. One short month has brought forth a vast change and I now consider myself a well man after months of suffering. Follow sufferers, Peruna will cure you."

Dr. Llewellyn Jordan, Medical Examiner United States Treasury.

A constantly increasing number of physicians prescribe Peruna in their practice. It has proven its merits so thoroughly that even the doctors have overcome their prejudice against so-called patent medicines and recommend it to their patients.

Peruna occupies a unique position in medical science. It is the only internal systemic catarrh remedy known to the medical profession to-day. Catarrh, as everyone will admit, is the cause of one-half the disease which afflicts mankind. Catarrh and catarrhal diseases afflict one-half of the people of United States.

Robert R. Roberts, M. D., Washington, D. C., writes:
"Through my own experience as well as that of many of my friends and acquaintances who have been cured or relieved of catarrh by the use of Hartman's Peruna, I can confidently recommend it to those suffering from such disorders, and have no hesitation in prescribing it to my patients."

Dr. R. Robbins, Muskogee, I. T., writes:
"Peruna is the best medicine I know of for coughs and to strengthen a weak stomach and to give appetite. Besides prescribing it for catarrh, I have ordered it for weak and debilitated people, and have not had a patient but said it helped him. It is an excellent medicine and it fits so many cases."

"I have a large practice, and have a chance to prescribe your Peruna. I hope you may live long to do good to the sick and the suffering."

Dr. M. C. Gee, writes from 613 Jones St., San Francisco, Cal.:
"Peruna has performed so many wonderful cures in San Francisco that I am convinced that it is a valuable remedy. I have frequently advised its use for

women, as I find it insures regular and painless menstruation, cures leucorrhoea and ovarian troubles, and builds up the entire system. I also consider it one of the finest catarrh remedies I know of."
—M. C. Gee, M. D.

Catarrh is a systemic disease curable only by systemic treatment. A remedy that cures catarrh must aim directly at the depressed nerve centers. This is what Peruna does.

Peruna immediately invigorates the nerve-centers which give vitality to the mucous membranes. Then catarrh disappears. Then catarrh is permanently cured.

If you do not derive prompt and satisfactory results from the use of Peruna write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
