Bowel Troubles

Liver pills, cathartics, mineral waters, often make Constipation worse. They merely irritate the bowels and force them to move—stop taking purgatives and the bowels become "tight" again.

"Fruit-a-tives" are the one certain cure for Constipation

because their action is upon the liver, "Fruit-a-tives" are a liver tonic. They stimulate the secretions of bile by the liver, this bile causes the bowels to move in the natural, regular way and completely cures Constipation.

"Fruit-a-tives are fruit juices with tonics and antiseptics added. In "Fruit-a-tives" one atom of bitter replaces one atom of sweet in the fruit juices, forming a new compound which is many times more active, medicinally, than the fruit juices could possibly be. 50c. a-box—$2.50 for 6 boxes. At all dealers'.

Beaver Flour is the best for Pastry—just as it is best for Bread.

Beaver Flour

is both a "Spring Wheat" and a "Winter Wheat" Flour. It is a blend of Manitoba Spring Wheat / Ontario Fall Wheat in just the exact proportions of each to make the whitest, most nutritious Bread—and the lightest, most inviting, most toothsome Cake, Pies and Pastry. Economical, to say the least.

DR. CHASE'S OINTMENT.

NO WOMAN CAN BE STRONG AND HEALTHY UNLESS THE KIDNEYS ARE WELL

When the kidneys are ill, the whole body is ill, for the poisons which the kidneys ought to filter out of the blood are left in the system. Then how important it must be to see to it that this system of sewerage be not clogged up. Those who have never been troubled with kidney trouble know not the misery and suffering which those afflicted undergo.

Doan's Kidney Pills

are a specific for all kidney troubles. They begin by healing the delicate membranes of the kidneys and thus make their action regular and natural.

They help the kidneys to flush off the acrid and poisonous impurities which have collected, thus clearing out the kidneys, bladder and all the urinary passages.

Doan's Kidney Pills are entirely vegetable, and may be safely taken by young and old.

Let Doan's Kidney Pills do for you what they have done for thousands of others, that is, cure you. Mrs. John Young, Harwood, Ont., writes: "I was troubled with my kidneys for some time and my back was so lame I could scarcely get around. After using two boxes of Doan's Kidney Pills, I am completely cured. I find there is nothing like them for the cure of all kidney troubles."

Doan's Kidney Pills are 50 cents per box or 3 boxes for $1.25 at all dealers or mailed direct on receipt of price by The Doan Kidney Pill Co., Toronto, Ont.

SKIN DISEASES

Salt Rheum, Pimples, Erysipelas, Ringworm, Shingles, Scald Head, Itching Sores.

All diseases of the skin are more or less directly caused by a bad state of the blood, which produces acrid humors and corrupts the secretions.

No one can expect to have a clear, bright skin when the blood is in a disordered condition, and the stomach, liver and bowels acting feebly in consequence.

All the above skin diseases, in fact, any disease arising from a bad condition of the blood, are curable by

BURDOCK BLOOD BITTERS

through its wonderful cleansing, purifying powers on the blood, and its renovating action on the system.

Mr. A. Squire, Dominion, N.S., tells how he was cured of Salt Rheum. He writes: "For years I suffered with Salt Rheum, and was unable to find a curable remedy out of all the medicines I took, and Physicians consulted. Finally I was urged by a friend to try Burdock Blood Bitters, and after a very short space of time I was completely cured. I shall always recommend B.B.B. for such cases, as I consider it an indispensable remedy."

Price $1.00 per bottle or 6 bottles for $5.00.

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journal

THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.

With a daily circulation of its morning and rural edition now about 8,000 and growing from day to day, it has broken all records for a daily publication in a small community.

Charlottetown has a population of 12,000 and Prince Edward Island has 103,000 The Guardian's daily circulation is therefore as 1 to 1½ of population in the city in which it is published, or 1 to 13 of the population of the Province. This is, the management believes, unequalled by any daily newspaper published in Canada.

Take one or two comparisons with other leading newspapers in other cities and provinces.

St. John has a population of 40,000 an the Province of New Brunswick 320,00 St. John has five newspapers and among these The Telegraph and The Sun are perhaps the foremost. Each claims a circulation of about 8,000, or say as 1 to 5 of the population of that city and 1 to 40 of the population of the Province.

Or again: Toronto has a population of some 250,000 and the Province of Ontario about 2,225,000. The Toronto Globe is a great Canadian newspaper, known all over the world as one of the foremost journals. The Globe's published daily circulation is slightly under 50,000. That is as 1 to 5 of the population of Toronto and 1 to 44 of the population of Ontario.

The point is this, that The Guardian covers the field of its circulation three and a half times as well, if compared with population of the city, and over three times as well, taking the population of its Province, as the best New Brunswick and Ontario daily newspapers, and these are admittedly among the best in Canada.

These facts are printed in no spirit of boasting, but for the satisfaction of Guardian readers and advertising patron alike. They have a right to know how completely their favorite Journal is endorsed by the reading public among whom it circulates and how completely it covers the field as an advertising medium in this City and Province

$50,000,000 FOR ADVERTISING

"James B. Duke, the tobacco king of Long Branch, New Jersey, recently claimed in an interview that he had spent more money in advertising than any other living man. He said that the figures would reach fifty million dollars.—Newspaperdom."

Yet James B. Duke is to-day one of the wealthiest men in the world. When you see a liberal advertiser you see a rich man. The business man who in this age of advertising is afraid to invest any money in publicity will never accumulate a fortune.—Record.
