# Dry Goods Prices VS Furniture Prices

Said the manager of one of Canada's largest Departmental stores, whose catalogue may be found all over our Province:—"I would say that during the last ten years we have sent to P. E. Island \$50.00 worth of General Dry Goods, CARPETS, clothing etc. to every \$1.00 worth of Furniture." If this Departmental store, sold \$1.00—Worth of Furniture per month in P. E. I. they would in the same period sell \$5,000.00 worth of Dry Goods & c.

Personally we believe that quality considered both Furniture and Dry Goods have been sold in the past at fair prices. Yet any dealer desiring to do so can easily get the names of dozens of families who for years have imported the bulk of their Dry Goods, Carpets, Clothing &c from Toronto.

We show the LARGEST STOCK of FURNITURE and CARPETS ever gathered together in this Province. And we can sell you goods at about the same price as some dealers (who are ignorant of Furniture values) have paid for their goods. This LARGE STOCK is open for inspection by the Public and we may add—
