Should be placed on the most edible material. Is there anything more enduring for monumental work than stone? Yes, White Bronze is more lasting than any stone. It will not absorb moisture therefore cannot be affected by climatic changes, and will not become moss grown. White Bronze monuments are made from pure Zinc Metal. All inscriptions are in raised letters and will remain legible. Visit any cemetery and see the upright appearance of the oldest stone work. White Bronze is not an experiment; it has been used in Europe for hundreds of years.

Write for designs and information or call at my office and see some nice monuments before ordering a grave marker of any kind to perpetuate the memory of a dear friend.

—50 MEN AND A FOX.—The spectacle of fifty men to one fox was to be seen at one of the large fox ranches near Summerside yesterday morning. It was the occasion when a valuable male fox made his escape on one of the keepers. The crowd that gathered from Summerside and neighboring parts traced the fox to a barn near an adjoining ranch where Reynard was finally captured and returned to its pen. On the return to the town of the searchers, cigars were common amongst them.—J.

—INDIAN RIVER.—The farmers of Indian River and vicinity have been busy engaged in hauling mussel mud. There being good hauling on the bay all got a sufficient quantity for this year's needs. Some of the young men of Indian River and Kensington enjoyed a grand race on Richmond Bay between slippery Patay owned by Preston Bearis, Patay Jean, owned by Fred Bearisto, Kensington and Rayer Jess, owned by William Hamilton. It was a very interesting race. Mr. P. J. McMillan came in at the last with Ring Bone Maggie and trotted one mile in three straight heats the best three in five. Maggie won in three heats her time being 1 mile in 2 1/2 minutes. Mr. Jerry Noonan had a thrilling experience last week when his Black mare put her foot through the ice. Fortunately it was extricated without any further injury.

—GOOD CONCERT.—The entertainment given under the auspices of the Summerside Improvement Association, at Happyland on Tuesday evening was very largely attended, the hall being crowded to the doors. The program, which consisted of readings, vocal and instrumental music, was exceptionally good and was much enjoyed by the large audience. The readings by Miss Gorman of Charlottetown, and Miss Harrison and the Scotch songs by Mr. Allan B. B. Coste were the principal features of the programme, especially Mr. Coste's songs, he having to respond to several encores on each appearance. The male quartette in their rendering of "Kentucky Babe" was also good and for an encore they sang "The Old Oaken Bucket." The Misses Helen and Eileen Noonan rendered two exceptionally good piano duets. It is to be much regretted that Mrs. R. B. Richardson, whose name was on the programme for a solo was unable to take part, owing to an exceptionally sore throat. During the intermission there was a successful sale of candy.—J.
