Stock Prices Irregular In Quiet Dealings Yesterday

NEW YORK, March 14--(AP)--A wandering course was followed by the stock market today, and it wound up just about where it started. Prices were spread out over a range of fractions to more than a point in either direction among the leaders. Most of them, however, closed with only small changes.

At Montreal
MONTREAL, March 14--(CP)--Stocks were on a mild upgrade on the Montreal stock exchange and curb market today although changes were confined to fractions and a good many issues remained unchanged. Activity was light. The mining section took on a soft tone during moderate trading.

At Toronto
TORONTO, March 14--(CP)--Action slowed to a crawl on the Toronto stock exchange today as prices moved in a narrow range on slightly easier levels.
