To the Citizens of Charlottetown

Once again as loyal Canadians we are invited by the Federal Authorities to observe

Remembrance Day, November 11th as a Public Holiday.

It is especially requested that the two minutes of silence from 11 o'clock to two minutes past eleven be strictly observed. May I express the wish that this request be fully complied with, and that during this brief period of time, all vehicular traffic will be suspended and all noise be subdued so that our thoughts may dwell on the consecration of the noble men who gave their All in the defence of the Empire, and our hearts and minds be dedicated to the hope of Peace on Earth, Good Will Toward Men.

P. W. TURNER,
Mayor

MARKETS AT A GLANCE

(By The Canadian Press)

Toronto and Montreal — Industrial stocks higher.

Toronto mines—Higher.

New York—Stocks closed higher.

Winnipeg—Wheat ¼ cent lower to unchanged.

New York—Cotton and sugar lower.

FOR HEALTH'S SAKE

It is wise to accustom the family to an occasional dessertless dinner. End the meal with a fruit salad or plain fruit. It will do them good to avoid the heavier and richer desserts every so often.

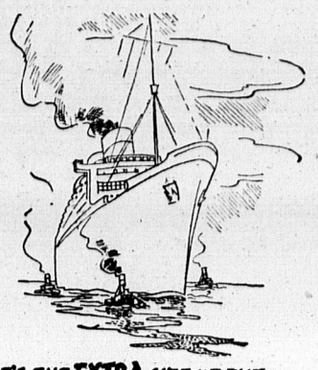
GRAIN

WINNIPEG, Nov. 9—(CP) — A burst of selling in the final minutes of trading erased fractional gains held throughout the session on the Winnipeg grain exchange today.

Wheat prices closed 1-4 cent lower to unchanged, at virtually the lowest prices of the day, November at $1.08 3-4, December $1.06, May $1.07 1-8 and July $1.05 1-8.

In cash grains, spreads were higher with good demand apparent for high-grade wheat. Lightness of offerings restricted sales. Coarse grains prices were quietly steady.

This fashion is a gay and jaunty type, essentially springlike, most becoming (as are many fashions!) to slender young ankles, and interesting because it is capable of being interpreted in high or low heel styles, in high front or low shell silhouette, both of which are slated to be represented in spring collections.



IT'S THAT EXTRA SOMETHING THAT COUNTS!

IT'S THE EXTRA SIZE OF THE "QUEEN MARY" THAT MAKES IT "QUEEN OF THE ATLANTIC".

EXTRA

VALUE • COMFORT • LONG LIFE • STYLE • WARMTH

WHEN your occupation takes you out-of-doors on zero days, you need underwear which gives better-than-average protection against the cold. Your happiest choice will be Stanfield's "Red Label" garments—because of their heavier weight they give *extra* warmth and because of the softness of the wool, the perfection of the tailoring, they give *extra* comfort!

Unshrinkable, of course — your guarantee that they will fit you perfectly even after repeated washings.

If your days are spent in heated offices, probably you'll prefer a lighter weight. Ask to see the famous 4500 line, featuring either long or short sleeves in knee or ankle-lengths.
