

### Six Per Cent Mortgage Debenture Stock

A desirable opportunity for a conservative 6 p. c. investment is afforded by the Nova Steel & Coal Company 6 p. c. Perpetual Debenture stock, which we offer at 98 and interest.

The Company's property is considered to be admirably situated for economical production, which is very essential in the Steel & Coal business.

The value of the Company's property is appraised by its President at \$20,000,000. The debenture stock is a direct charge on these assets, subject only to the \$6,000,000 five per cent first mortgage bonds, thus leaving assets in the President's opinion valued at \$14,000,000 as security for the \$3,000,000 debenture issue.

### FINGER NAILS DROPPED OFF

Skin Beneath Lifeless. Fingers Painful. Sleepless Nights. Used Cuticura Soap and Cuticura Ointment. Complaint Gone.

70 Agricola St., Halifax, N. S.—"Some time ago my finger nails began to drop off, the result it was believed of lead poisoning. The nails themselves were brittle and dry, the skin beneath being lifeless looking. My fingers were excessively painful causing sleepless nights. I was treated for about three months and the nails grew again but away from the flesh of the fingers and then fell off again. Having heard a great deal of Cuticura Soap and Ointment I sent for a sample of both in the hope of their healing my fingers which were very painful. At night after washing my hands well with the Cuticura Soap I rubbed the Cuticura Ointment all around the finger ends and wore gloves to prevent the Ointment from being rubbed off, then again in the morning washed my hands with the Cuticura Soap. The Cuticura Soap and Ointment had a cooling effect and after using them for a short while I was surprised to feel my fingers much less sore and beginning to assume a more healthy appearance; the fungus which had grown under the old nails disappeared and then new strong nails formed. This trouble had lasted about eighteen months before using Cuticura Soap and Ointment yet after using same for three months to feel my fingers much less sore and complaint had entirely gone." (Signed) Ernest Beckford, Oct. 12, 1912. Cuticura Soap and Cuticura Ointment are sold by druggists and dealers everywhere. A single set is often sufficient. For a liberal free sample of each, with 32-p. book, send post-card to Potter Drug & Chem. Corp., Dept. D, Boston, U. S. A.
