DeCoste, 46 Bayfield Street, had a narrow escape from drowning shortly before noon last Saturday when he was taken out of the water at Brighton Beach in a drowning condition by Mr. Gordon Wright. Placed on the land, apparently dead, and without medical assistance, the young lad was restored to life by artificial respiration treatment administered by City Police Officer Wakelin assisted by Miss Margaret Wood. Both Cst. Wakelin and Miss Wood served in the Canadian Navy during the last war and had passed courses in life saving.

ST. JAMES KIRK

The morning service at the Kirk was conducted by the Rev. J. O. Denny, B. D., on Tuesday. The minister preached on the subject of "The Devil," and pointed out that by the modern rejection of the idea of the Devil, man in this had given free rein to this evil power, which now, unchained and unchecked destroyed us from both without and within. He declared that a Church which does not take the devil seriously cannot take the Christ seriously. The soloist of the service was Miss Peale Burns, and the organist, Miss Mary Bentley.

He is enthusiastic over the beauty and climate of the island, and hopes to be able to return for another vacation at a later date.

BRIDAL SHOWER — The home of Mr. and Mrs. Leonard Rogers, Linkletter Road, was the scene of a happy occasion on Monday evening, July 14th when a miscellaneous shower was tendered for Valerie Calbeck by her friends, in honor of her approaching marriage. The dining room was tastefully decorated for the occasion in pink and blue, centered by a white bell. As Mrs. Winslow Morrison played "Here Comes the Bride", Miss Mae Best escorted the bride-to-be to the seat of honor. The gifts from the well-wishers were opened by the Misses Evelyn Wood and Cora Lewis. Mrs. Harold Linkletter read the accompanying greetings, and Miss Valerie Calbeck arranged for them on the table. The bride-to-be was the recipient of many lovely gifts, among which was a beautiful chest of 1847 silver. After the gifts were thanked for all the gifts, "For She's a Jolly Good Fellow" was sung. Mrs. Robert Weir entertained with some musical selections, while ladies prepared refreshments. After viewing the gifts, and passing some complimentary remarks, all departed, having spent a very enjoyable evening.

NEW ACADIA SCHOOL CLOSING

The closing of New Acadia School took place on Saturday, June 28th. The school was filled to capacity by parents and friends of school children. A pleasing program of song and instrumental music was carried out. Mr. Buddy Pineau acted as chairman for the afternoon.

Prizes were awarded by the teacher followed by speeches delivered by the secretary and other members of the district. Then an address was read to the teacher, Mr. Owen Divan by Donella Gallant and a very appropriate gift was presented by Marie Gallant. Then the teacher thanked the people and the children for their kindness and cooperation, after which everyone joined in singing "God Save the King".

The Women's Institute then served ice cream followed by drinks and cake after which everyone departed for their homes after a very pleasant afternoon.

BATTLING "SNORTER"

HALIFAX —(CP) — A 12-ton whale was harpooned and shot by a group of fishermen from Fox Point and Mill Cove, Lunenburg County, recently after a hectic battle to mark the first landing of a "snorter" in St. Margaret's Bay this season. Harpooned several miles off shore, the whale dragged the heavy line and key three to four miles before the fishermen, in two 24-foot boats, succeeded in shooting it.
