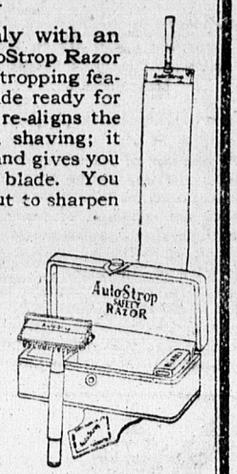
THAT'S the result of the shave you get with an AutoStrop Razor. Its clean, sure stroke, *adjustable for light or close shaving*, removes the beard quickly and thoroughly, leaving the face soft and smooth.

Such comfort is possible only with an AutoStrop Razor. Why the AutoStrop Razor in particular? Because with its stropping feature there's always a sharp blade ready for use. A few turns on the strop re-aligns the saw-like edge that results from shaving; it keeps the blade free from rust; and gives you for each day's shave a keen-edged blade. You do not need to take the blade out to sharpen it, nor do you have to take the AutoStrop Razor apart to clean it.



Self-stropping, shaving and cleaning are all done without removing the blade from the razor.

Everywhere—razor, strop and 12 blades, complete for $5.00.

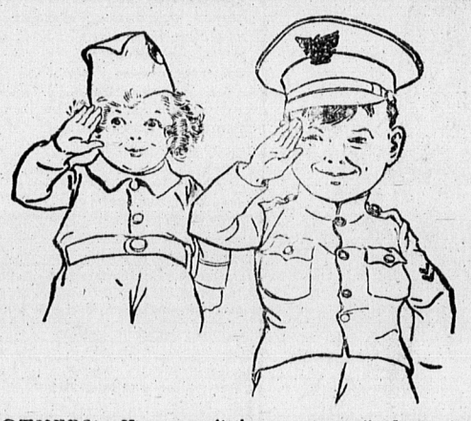
"We are Ready for Duty on the Play Line, Mother"



TO MOTHERS! Keep your little pets physically fit, smiling, feeling their best always, by giving Cascarets, the candy cathartic, occasionally.

Children love to take Cascarets. They are sweet candy-like tablets, but just wonderful to correct the little white tongue, feverish breath, sour stomach and colds. Cascarets gently "work" the bile, sour fermentations and poisons from a child's tender stomach, liver and bowels without griping or injury. Mothers who depend upon Cascarets as the children's laxative save trouble, worry and cost. Each 10 cent box of Cascarets contains directions and dose for kiddies aged one year old and upwards.

ISLAND'S SPLENDID SHOWING.—It is stated that Lampson's London fur sales netted over $200,000 to P. E. Island fox ranchers and the banks here have been advised to pay the ranches the respective amounts on the sales consummated. P. E. Island today has a revenue of over half a million on the sale of fox pelts alone, which certainly goes to show that the industry has made wonderful strides in the last four years. The fox business is evidently making good after all.

SOLDIERS WANT READING MATTER.—The interest manifested by the Y.M.C.A. in the returned men from overseas is most gratifying. They have workers all over Canada, and a Y.M.C.A. representative comes on every troop ship and train. These men are doing all in their power to help the soldiers get back to civil life. Mr. Appleton of Halifax, who is now in the city in connection with this grand work is in constant touch with the returning soldiers' is asking for magazines and reading matter which will be of general interest to them any one having such can leave same at the Y.M.C.A. Charlottetown directed to Mr. Appleton. This is a task in which young and old can take part as almost every home gets the new magazines and after reading are willing to pass them along. The demand is urgent and no doubt to-day will find a prompt answer to the request.

On Wednesday Feb. 19th, 1919, the inhabitants of Burlington and surrounding districts were unexpectedly saddened on hearing of the angel of death visiting the community, and removing from this sphere of labor one of its most respected inhabitants, Mr. Archibald Brander. Mr. Brander being a man of excellent character, of a kind and lovable disposition, truly held the respect and esteem of the many who had the pleasure of his acquaitance during his 68 years of earthly sojourn.

The deceased was a valuable member of the Presbyterian Church, and was also active in all works, which tend for the uplift of the community

There are left to mourn his departure, a faithful wife; one sister, Mrs. G.W. Bailey of Boston, and one son Harry on the homestead.

The funeral was held on Friday Feb. 21st from his late residence to the burial plot in Kensington Cemetery.

Rev. Mr. Goodwill conducted the impressive service. Seldom, if ever has such a concourse of people in this locality followed the remains of so true and faithful a husband and father to its final resting place.

The pall bearers were Messrs Will Sheen, Joseph Sheen, James Sheen, Willam Edward Profitt, George Roach, and Philip Roach, nephews of the deceased. The community in which he lived so long, will miss him, and he will always be revered as a fine type of manhood, and a man of inestimable Christian character.

He was gassed on the night of the 14th during preparations for the attack, but carried on in spite of great exhaustion." Mr. Conrad had three boys in khaki Fred. Clifford and John. ..*BAZAAR AND PIE SOCIAL AT MONTAGUE.— Notwithstanding the unfavorable condition of the roads, etc the Bazaar and Pie Social under the auspices of the I. O. O. F. held in the old Town Hall on Thursday the 27th was a grand success. Mr. Horatio Nelson who acted as chairman and also auctioneer deserves much credit for the able manner in which he disposed of the many beautiful pies. The four Gipsy Fortune Tellers deserve special mention especially the one in the first tent which no doubt would come up to the standard palmists of old. The other attractions were all patronized and too much praise cannot be given to the ladies of Acme Rebekah Lodge for providing tea and looking after the comforts of those present. After several songs and the singing of Auld Lang Syne the National Anthem brought the affair to a close. The Oddfellows and Rebekah's wish to thank those present for their hearty support.
