Farewell Gathering

On Wednesday evening, Oct. 2nd friends and neighbors gathered at the home of Mr. Charles D. Taylor, Freetown, in honor of Mrs. Scott Jardine and her daughter, Mildred who are soon to leave this community and take up residence in Summerside.

After all had assembled, Mr. Allison Frohlt, acting as chairman, explained the object of the gathering. A very appropriate address was read by Mrs. Roy Burns and the presentation of a purse of money from the community was made by Mrs. Elton Cairns. The Women's Institute remembered these two faithful members with a gift of an electric toaster presented by Mrs. Jardine Staver. All heartily joined in singing "For they are jolly good fellows." Mrs. Jardine and Mildred each expressed their regret at leaving Freetown and their appreciation for the lovely gifts received.

A hearty sing-song with Mr. J. B. Lewis at the piano was participated in by all. At the conclusion of the evening a delicious lunch was served by the ladies and after singing "Auld Lang Syne" in the traditional manner, all departed to their homes wishing Mr. Jardine and Mildred much happiness in their new home.

Following is the address: Mrs. Scott Jardine and Miss Mildred Jardine:

Dear Jennie and Mildred: We have had to turn the dark cloud inside out several times, in order to find a silver lining, and that silver lining is the hope that your life now may be easier and more free from care, and that, although you are leaving us, you will be near at hand, and able to be with us many times.

We regret that events have led to the place where it seemed best for you to make the change, but we realize that changes must come, and this one seems necessary, and more advantageous to you.

We wish to assure you that we shall miss you very much—in our homes, church and all community activities.

In our Women's Institute and Red Cross, you have been valued members, even willing and capable to help in whatever way was required, whether in entertainments, where your musical talents were always appreciated—in sewing where you have solved and helped out many problems for the Red Cross workers—and for others in knitting—where your needles have stitched, Mildred, as you have fashioned many beautiful patterns and designs, calling forth admiration from friends at home and abroad. In short, we always have found you ready and willing to do your best in any worthy enterprise.

We would remember at this time, the other members of your family—Marguerite and Bernice. Our best wishes go with them for happiness and success in the future. Never forget that you leave behind many friends who will follow in the future with sympathetic and kindly interest, and we shall ever have "Very happy memories" of your old home, where, on every occasion the hospitality of Scott, Jennie and Family was unexcelled. Please accept these gifts, as tokens of our esteem and friendship and how can we better conclude, than in these old sweet words "God bless you all."

On behalf of your friends and neighbors of Freetown, October 2nd, 1946.
