PLEASANT VALLEY SCHOOL held its examination June 30th. A number of trustees and rate-payers were present. The examinations, conducted by the teacher, Miss Clara Balfour, were considered highly satisfactory. Thomas Bertram, James Elliott, and Archibald Andrews spoke briefly, expressing their hearty appreciation of the teacher's devoted attention to the education of her pupils, and to everything that would tend to make them better boys and girls. It is evident that under her instruction, the school during the year has made good progress. By her impartial and unflinching kindness in the school, her friendly visits in the homes, and the consistency of her Christian life and walk, Miss Balfour greatly endeared herself to her scholars, gained the appreciation and support of the parents, and won the respect and confidence of all. The people of the community deeply regret that so faithful and genial a teacher is severing her connection with the school. They however hope that in the near future she may see her way clear to return to Pleasant Valley.

Faded Women Need Richer Blood

It Stamps the Glow of Robust Health on Cheeks and Lips. How Blood is Made Rich and Red Enough to Beautify the Complexion.

A bright rosy complexion can easily be acquired. All that is necessary is to purify the blood and supply it with an increased number of red corpuscles. The simplest method of doing this is to introduce more iron into the system which is always lacking where the complexion is pallid or sallow. Iron in a concentrated form, specially adapted for internal use is contained in its most efficient state in Ferrozene which is noted for marvellous blood building properties. No matter how weak or poor the blood may be, Ferrozene will enrich and nourish it. The immediate result is a better color which will improve steadily under Ferrozene.

Every girl that takes pride in her complexion will find Ferrozene of greater value than cosmetics or face powders. Its influence is lasting whereas artificial beautifiers are but a temporary aid. Thousands that have used Ferrozene are glad to endorse it strongly because it certainly is the best remedy for pimples, blotches, skin eruptions and poor complexion that money can buy. Miss Minnie E. Stirling of Lenoxter, writes, "I can recommend Ferrozene to everyone who needs something to clear up their complexion. Before using Ferrozene my skin was sallow and had a very unhealthy color. After the first box of Ferrozene there was a great improvement and when I had used three boxes I felt much better and had a satisfactory color in my cheeks." Mrs. O. T. Warwick of Bradford, says: "My daughter was greatly benefited by using Ferrozene. She used to have a sickly color and never looked as if she was very strong. After using two boxes of Ferrozene she felt better and her color was wonderfully improved. This encouraged her to continue Ferrozene and in a few weeks she looked a different person and had clear rosy complexion. Ferrozene accomplished wonders for my daughter." Ferrozene is just what most girls and women need. It builds up their system, improves their looks, and makes them feel what buoyant good health really means. Price 50c. per box or six boxes for \$2.50 at all druggists. Beware of substitutes, and get Ferrozene when you ask for it. Mailed to your address by N. C. Polson & Co. Antford Conn., U. S. A. and Kingston, Ont.
