McWilliams, which was sunk off Sea Cow Head on Sunday, July 22nd, when in tow for Summerside with 600 tons of coal for the C. N. R. It was too rough outside on Saturday for Capt. Kelly to make a search but he is doing so today (Monday). When the wreck is located it will be bouyed to be blown up in the near future, as it is a menace to fishing and navigation. The Brant will also keep a sharp lookout for the body of Mr. Eddie Gaudet, the victim of the recent drowning accident.

—DEATH OF MR. RONALD MCDONALD—The death occurred in New York last Friday morning of Mr. Ronald McDonald, formerly of Indian River, at the early age of 15 years, after a brief illness of two weeks. The deceased was the son of the late Hon. John McDonald, one time Speaker of the local Legislature, and had resided in New York for the past five years, where he was a successful building contractor. His brother, Rev. John A. McDonald of St. Marks, Lot 7, left on Thursday morning for New York in response to a telegram and is accompanying the remains, which are expected to arrive at Summerside tonight (Monday). The late Mr. McDonald was unmarried and leaves to mourn one brother and two sisters namely:—Rev. John Archie McDonald of St. Marks, Lot 7; Mrs. C. H. Hickey of Calgary, Alta., and Mrs. James Wood of Summerside, to whom much sympathy is extended in their untimely sorrow. S.

RESTING COMFORTABLY — Mr. James H. Judson, farmer and rancher of Alexandria, who when driving a truck enroute to his home on Saturday morning was struck by the Murray Harbour train at Duffy's Crossing, Southport, was reported to be resting comfortably last night. The truck had almost made the crossing when the train struck the rear end carrying it down the track about fifty feet, smashing the wheels and throwing the machine into the ditch badly broken up. Mr. Judson was placed on board the train and taken to the Prince Edward Island Hospital where it was discovered that he had sustained a broken collar bone and an injured shoulder. It is thought that Mr. Judson, who is extremely deaf, failed to hear the approaching train and as the crossing is in a cutting about six feet deep, it is particularly dangerous.

ST. JAMES CHURCH — Rev. Dr. George E. Ross, of Ottawa, who is occupying the pulpit of St. James Church for the month of August preached an eloquent sermon yesterday from Job 11, verse 7, Cans't Thou by Searching Find Out God? Dr. Ross before beginning his sermon spoke of the pleasure it afforded him to again be with the congregation of St. James' after an absence of nineteen years and said that while he saw before him many familiar faces he also missed many old friends. He paid a feeling tribute to the late Dr. Fullerton, whose sterling character, high ideals and outstanding ability would always be an incentive to him and to all whose friend he was. Dr. Ross also referred to Dr. Fullerton's colleague, Mr. T.C. James, who was an active worker in the church. The solo, "Oh Lord Correct Me"—Handel, was expressively and pleasingly sung by Mr. Charles McKenzie.

A most distressing accident occurred at Mount Pleasant near Tyne Valley last Friday night at about five o'clock in the evening. Master Austin Campbell, the seven year old son of Mr. and Mrs. Ernest Campbell of Mount Pleasant, was in the hay field when his leg became entangled in the mowing machine whilst it was in operation and his foot was almost completely severed.

A doctor was immediately summoned from Summerside and arrived within an hour from the time the accident took place. After rendering first aid he brought the little sufferer to the Prince County Hospital where it was found impossible to save the foot and it was amputated at the ankle. Although suffering from much loss of blood and severe shock the little fellow rallied well from the operation and is now making steady improvement towards recovery.

CUSHING—STEVENSON — A very pretty wedding took place at the home of Mrs. John F. Cushing, 30 Harrison Avenue, Taunton, Mass., on Wednesday, June 26, when Miss Alice R. Cushing and William H. Stevenson, formerly of Cornwall, P. E. I., were united in marriage by Rev. Dr. Robert L. Roberts, pastor of Calvary church. The bride was dressed in white georgette and carried a bouquet of sweet peas and roses. The bride was attended by Miss Margaret Stevenson, sister of the groom, who wore a lovely gown of blue georgette and carried an arm bouquet of sweet peas. The best man was Constant F. Cushing, of Attleboro. The house was beautifully decorated with roses, hydrangea and delphinium. It was a merry and delightful occasion. The happy couple went to Philadelphia on their wedding trip. Mr. and Mrs. Stevenson both have been active in the work of Calvary church. They have many friends in Taunton and vicinity, who wish them every happiness.

The annual St. Anne's celebration on Lennox Island took place on Sunday but was marred by the deluge of rain which set in early and continued throughout the day. This was unfortunate as the preparations made were more than usually elaborate this year and instead of the enormous crowds that usually attend this popular annual event it was confined more or less to the people in the vicinity and the parishioners of the island.

In spite of the wet weather the church and parochial house looked very nice in their new coat of paint as also did Lady Wood Hall. There was no open air procession or outside attractions as is usual and the celebration was confined to the religious services, the church being well filled for the occasion. Rev. Joseph T. Rooney of Morrell sang high mass and Right Rev. Francis Kelly, D.D., Bishop of Oklahoma, preached an eloquent and inspiring sermon. The choir which rendered beautiful and appropriate music during the service was assisted by Rev. Dr. Bernard Gillis of Charlottetown. Right Rev. Bishop O'Boyle and His Lordship Bishop O'Leary of Charlottetown who were to have been present were unavoidably absent on account of the inclement weather.

The plant was valued at $3,000, with one-third of the loss covered by insurance.

Sincere sympathy is extended to Rev. MacDowell in his bereavement. During his absence the services of Caledonia Church are being taken by Rev. Malcolm Matheson of Chicago, who is visiting his former home at Milltown.

BRILLIANT FAMILY—It is interesting to note that in the recent matriculation examinations Miss Margaret Black, daughter of Mr. and Mrs. C. H. Black of this city, led the city in the entrance examinations and also made the highest marks in history for the Province. In this connection it might be said that her sister, Dorothy, led in grade 6 work in West Kent School this year and her brother, Harold, led in grade 7 work. Miss Margaret also led in grade 10 and won the Governor General's medal. This is quite a feat for one family, and the young people are to be warmly congratulated.

HORSE HAD TO BE KILLED—On Saturday evening about 7 o'clock when three horses were being driven across St. Peter's Road to pasture about a mile outside the City, a car driven by a party from Grand Tracadie on the wrong side of the road, it is alleged, struck the finest of the three, a three-year-old mare, claimed by the owner, Mr. Rankine McLaine, to be one of the best in the province. The animal sustained a broken leg and a severe wound on the side and was despatched, the Guardian is reliably informed, in less than fifteen minutes after the accident. The driver was yesterday obliged to submit to an examination by City Police Officers of his brakes, which were found to be in very poor condition. The animal was being prepared for exhibit at the approaching Provincial Exhibition.

HORSE KILLED AT KENSINGTON—About a mile and a half east of Kensington on Sunday, when a Mr. Birt, who lives in that vicinity, was driving in his buggy, a car driven by a Charlottetown boy struck his horse which sustained such severe injuries that it had to be shot. Mr. Birt was thrown out of the buggy, but was not seriously hurt. The driver of the car, however, suffered injuries which necessitated a doctor's care. It is understood that the accident occurred when the driver of the car, seeing the buggy on the wrong side of the road and that thinking it would remain there, swerved over to the left and struck the horse which had too late been directed to the same side. The carcass of the animal and the wrecked wagon which was permitted to remain on the side of the road during the heavy car traffic of Sunday, attracted much unfavorable comment.

There passed away in Amherst on July 26th, William A. Casey at the advanced age of eighty one years, son of Daniel Echibeth Casey, Esq. and Rosaline Chappell. He is survived by two daughters, Emma Casey of Calgary and Mrs. Russell Mills of Milo, Alberta, also one sister, Mrs. Walter P. Doull, of Charlottetown, who was at his bedside several days before he slept peacefully away. His ancestor, Thomas Casey, who was one of the heirs to the Irish throne, with his wife Sarah Owen, in 1658 left Ireland, on account of constant fighting and settled in Rhode Island, U. S. A., where the family remained until 1783, coming to Halifax at the time of the American Rebellion, where his lands were confiscated on account of his loyalty to the British Crown.

He was a man of superior intellect, a keen Liberal Politician and a loyal friend. His whole life was spent in Baie Verte on part of lands granted to Jabez Chappell in 1763. His great grandfather, Liffey Chappell, son of Jabez, also received the Royal Grant of Fort Monkton from George the third.

He was buried from the Episcopal Church at Baie Verte, where service was held, and laid to rest in the family plot in the Episcopal Cemetery.

WEDDING BELLS—St. Mary's Church, Montague, was the scene of a happy event on Wednesday morning, July 17th, inst. when Miss Mary Florence Troy, eldest daughter of Mr. and Mrs. Thomas Troy, of Greenfield, was united in the holy bonds of matrimony to Mr. Francis Eugene Hynes, son of Mr. and Mrs. Martin Hynes, of Alberry Plains. The happy couple entered the Church to the beautiful strains of the Wedding March. The Nuptial High Mass was celebrated by Rev. Father Connolly, uncle of the groom. Mr. Wilfred Hynes, the groom's father, acted as groomsman. The bride was becomingly attired in a charming costume of white flat crepe with hat and shoes to match. She carried a bouquet of white roses and maiden hair fern. She was attended by her sister, Miss Laura, who wore a beautiful costume of coral georgette with hat and shoes to match. She carried a bouquet of pink roses and maiden hair fern. After the ceremony the happy couple motored to the home of the bride's father, where a sumptuous wedding breakfast was served to a number of friends of the contracting parties; after which the bridal party motored to Charlottetown, where dinner was served. The remainder of the day was spent at St. Peter's Races. In the evening a grand reception was held at the groom's home where an elegant repast was served to all the guests, followed by music and dancing, and, needless to state, all enjoyed themselves. Previous to her marriage the bride was tendered a miscellaneous shower by her many friends, receiving many useful gifts, viz: cheques, cut glass, china and silver, thus testifying to the esteem with which she was held. The Guardian unites with their many friends in wishing Mr. and Mrs. Hynes many happy years of wedded bliss.

LING-McPHAIL WEDDING — A very pretty wedding took place at the home of Mr. and Mrs. Norman Ling, Wheatley River, at 7 o'clock on Wednesday evening, July 10th, when their daughter, Ethel, was united in marriage to Mr. Victor MacPhail, of Cornwall. The ceremony was performed by Rev. C.E. Armstrong, of New Glasgow, assisted by Rev. A.E. Chapman, of Hunter River. The bride who was given away by her father looked charming in a dress of white georgette with lace trimmings, and conventional veil with orange blossom wreath, and carried a beautiful shower bouquet of pink and white carnations with maiden hair fern. The bridesmaid, Miss Lillian MacPhail, sister of the groom wore a very becoming dress of pink georgette and carried a beautiful bouquet of peonies. Little Miss Doris Rackham, cousin of the bride, was a very dainty and sweet flower girl. The groom was ably supported by Mr. Hammond Ling, brother of the bride. Miss Mabel Ling, sister of the bride, played Lohengrin's wedding march as the bridal party proceeded to the piazza, where a large arch had been erected and beautifully decorated with flowers and ferns and the conventional wedding bell. The double ring service was used with pretty effect. During the signing of the register the solo "O Promise Me" was sung by Mr. Richard Dickerson, of New Glasgow. After the signing of the register a sumptuous repast was served in the prettily decorated dining room, where over eighty guests partook of the wedding feast. The many beautiful presents received of linen, cut glass, silver, hand paintings and substantial cheques, attested to the popularity of the young couple. The groom's gift to the bride was a beautiful string of pearls, to the bridesmaid and flower girl rings set with birth stones, to the pianist a gold vanity case, and to the groomsman gold cuff links. Mr. and Mrs. MacPhail left the Island Thursday morning on a motor trip to New York and other points of interest. They accompanied as far as Moncton by Mr. and Mrs. Herbert Stevenson, of New Glasgow. On their return from their wedding trip Mr. and Mrs. MacPhail will reside at Cornwall.

Not much more than the frame work and exterior remains. The rear end of the H. W. Tanton building was badly charred and a large amount of damage by smoke was incurred. The whole building was gutted. The greater part of the stock of all the merchants affected was saved and stored on neighboring premises.
