CAPITOL SUMMERSIDE

U. S. Welcome Lacks Depth Of Feeling

By A. E. FULFORD

WASHINGTON, June 8.—Wash-
ington's show put on for King
George and Queen Elizabeth today
was the biggest, the most specu-
lar. Their Majesties have seen,
but it lacked the depth of feeling
present in Canadian greetings—the
loyalty and love that brought
tears to the eyes of thousands in
the Dominion and lumps into the
throats of millions.
More than 500,000 people lined
the royal route, and the American
capital offered an unmatched mil-
itary and air display. An enthu-
siastic, hearty, free-and-easy spirit
prevailed among the crowds. But
the whole thing for them was a
spectacular show.
The people were cordial. They
cheered loud and long. Some of
them even were louder and longer
in their cheers than many Cana-
dians. And their greeting was often
characteristically bluff and heartily
American.
"Hi George—Hi Liz," they yelled.
They walked and stood through-
out the evening following a state
dinner at the White House the
President and Mrs. Roosevelt en-
tertained their royal overnight
guests and 200 others with a musi-
cal program that was 100 per cent
American.
There were songs by Marian
Anderson, negro contralto and
central figure in recent temper-
mentary and air display. An enthu-
siastic, hearty, free-and-easy spirit
prevailed among the crowds. But
the whole thing for them was a
spectacular show.

Great Welcome

(Continued from page 1)
to Abraham Lincoln, America's
president who abolished slavery
and won historic renown as "the
great emancipator."
The evening following a state
dinner at the White House the
President and Mrs. Roosevelt en-
tertained their royal overnight
guests and 200 others with a musi-
cal program that was 100 per cent
American.

It was a whopping spectacle from
the time Mr. Roosevelt briefly mis-
sed sitting on his top hat as he took
his auto seat beside the King un-
til the procession reached the
White House after slowly proceed-
ing for the 1-2 miles of tree-lined
avenues.
The King was resplendent in
the blue and gold braided uniform
of an admiral of the fleet. The
queen wore a sun in formal
morning clothes.
Before them at the start rode a
troop of cavalry, later replaced by
a squad of armored cars. The
cavalry behind them rode the
smiling Queen and Mrs. Roose-
velt. They wore dresses of light
wool—the material for Her Majesty
having been presented by the
United States wool growers while
that worn by Mrs. Roosevelt was
presented by British wool men.
Wool might sound insignificant
but it is the lifeblood of Wash-
ington's notorious heat caused the death
of scores of spectators. But the
dresses were made of wool—protection
against heat as well as cold.
Her Majesty's full length sheer
dress was the palest of mauve.
Over it she wore a short white
jacket trimmed at the sleeves
with white fox. Her small "jel-
licoe" hat matched her dress and
was trimmed with mauve ostrich
feathers. Mrs. Roosevelt's wool en-
semble was of pale blue, with a white
trim relieving the dark blue of her
wide, straw hat.
As the royal procession of 20 cars
swayed in the crowded streets
large bombers in formation droned
overhead. Lines of rumbling
tanks brought up the rear.

Fighting Spirit Makes For Peace

WOODBRIDGE, Ont., June 8.—
(CP)—British are in fighting trim
again, says Lieut. Stanley Geary,
R. N. V. R., who made a trip
across the Atlantic for a reunion
here with his brother, Capt.
Handley Geary, V. C. The two
men had a week together and agreed
it was the fighting spirit of Great
Britain which kept the world at
peace today.
Lieut. Geary served with the
Royal Naval Volunteer Reserve
during the Great War. Before the
war he was active in organizing
the Royal Canadian Naval Volun-
teer Reserve. So eager are Britons
to serve in the navy today that
applicants have to be turned down.
Lieut. Geary said, and there is a
long waiting list.
Capt. Geary was awarded the en-
gagement award Hill 60 in April, 1917.

or Larry Alline during his year
of office.

A report of the legislation that
is pending at the Cleveland Con-

was followed with much interest
by those in attendance.
An invitation from the Halifax

unanimously endorsed by the
meeting.
Before the morning session had
concluded Past International Direc-
tor Charles Burchell of Halifax,

dress "Twenty-Five Years in Rotary"
during which he pointed out
clearly the steps that Rotary had
advanced in the quarter of a cen-
tury now past, expanding from
125 clubs in existence in 1914 to
the present huge total of 4935.
The full text of Mr. Burchell's
speech appears in another section
of this edition.
Rotarian Judge S. D. McElean
of Truro, Nova Scotia the oldest
active Rotarian in the district who
is now 87 years old was greeted
with vociferous applause as he
was called to the stage by the
Chairman District Governor All-
line. Judge McElean had been a
member of the Truro club since
its organization 15 years ago and
is still hale and hearty despite
his years. The President of this
club, Jim Perry was also
greeted enthusiastically as he
acknowledged his 15 years of Ro-
tary with the proud record of
never having missed a meeting.
Introducing a New

have been heard from Rotarian
Peabody of the Houlton Club,

listening to a masterly speech by
International Representative Wil-

Lose Monument In White River

LEWIS CO., June 8.—(CP)—City
authorities were just about ready
today to forget all about the
monument they planned to erect
in commemoration of the royal
visit here next Monday.
After days of discussion to find
a way King George might unveil
the eight-foot granite piece dur-
ing a brief stop the royal train
will make on its way to Halifax,
they learned today the monument
lay at the bottom of White River
about 50 miles away.
A truck carrying the stone to
Lewis from Riviere a Pierre quar-
ries plunged through a bridge into
the river after having travelled
only a mile or two they were in-
formed.
The city fathers admitted they
were distressed. They said it was
"too bad this had to happen just
when the unveiling was about set-
tled."

Choice Potatoes For Royal Dinner

(By The Canadian Press)
BOSTON, June 8.—With a gov-
ernment inspector standing by,
employees of a Faneuil Hall mar-
ket inspected choice potatoes to-
day for size, texture, color, and
flavor, and then packed them ten-
derly in a crate lined with tissue
paper. They were to be consigned
to Lord and Lady Walsby, St.
John's, Nfld., for a dinner to
be tendered the King and Queen.
Each of the "spuds," the inspector
reported, was an inch and a half
in diameter.
RHUBARB SAUCE
3 cups diced rhubarb
1 cup water
1 cup sugar (more if a sweet
sauce is wanted)
1-2 inch stick cinnamon
Without peeling the stalks, cut
them in 3-4 inch lengths. Cover
with boiling water and let stand 5
minutes. Meanwhile boil together
the sugar, water and cinnamon.
Add the thoroughly drained rhu-
barb and boil about 15 minutes or
until tender. Serve hot or cold as a
dessert with triangles of cinnamon
toast or cookies. Or use as the
basis for other desserts, such as
rhubarb dumplings or shortcake.
