Gains Registered On N. Y. Market

NEW YORK, Dec. 13— (AP)— Real progress in today's stock market was confined to a smattering of utility and industrial leaders while many issues elsewhere did little or remained in lower ground.

Gains of fractions to 2 points or so were well distributed at the close, although declines of as much held the majority.

Canadian issues turned downward. Hiram Walker slipped 3-8, Distillers Seagram 1-8 and Canadian Pacific 1-8. Both Dome Mines and McIntyre were down 1-4. On the curb, Canadians showed gains, with Giant Yellowknife up 3-8 and Lake Shore 1-8.

Better performers were Gimbel up 2 7-8 at 46; Union Pacific 3 1-2 at 132, American Telephone 2 1-8 at 167 1-2 in the wake of the Bell systems application for increased rates in 11 states; Monsanto Chemical 2 at 57. Engineers Public Service 1 1-8 at 32 1-2, U. S. Gypsum (off sharply in two previous sessions) 2 1-2 at 103 1-2, Union Carbide 1 1-4 at 93 3-4, and Du Pont 1 1-4 at 186 3-4. Dunhill was up 78 at 19 1-2 on the first disbursement since 1930.

Modest gains were retained by U. S. Steel, Goodyear, U. S. Rubber, Electric Power and Light, Columbia Gas, American Water Works, Sears Roebuck, Montgomery Ward, Anaconda, Kennecott, Armour, Colorado Fuel, American Can, General Electric, Standard Oil (NJ), Great Northern and Southern Railway.

Casualties included Johns-Manville, off 3 at 132; Eastman Kodak 2 at 221, Pullman 1 1-8 at 52 7-8 Allied Chemical 1 3-4 at 167 and Woolworth 7-8 at 48 1-8. Other retreaters were Bethlehem, General Motors, Chrysler, Goodrich, Consolidated Edison, International Harvester, Douglas Aircraft, Philip Morris, Texas Co., American Smelting, Pennsylvania Railroad, Southern Pacific and Chesapeake and Ohio.

Price Trend Down On Montreal Market

MONTREAL, Dec. 13 — (CP)— Apart from a few strong spots, trading pattern on the stock exchange and curb market today followed those of similar indecisive sessions during the week. Losses had an advantage over gains. Industrials and golds were higher in the indices, papers and banks were lower and utilities were unchanged.

Active and firmer in industrials were Massey issues. Massey Common was up more than a point for a while but lost a part of its gain. Massey Preferred moved up a fraction. Market students, attempting to account for the actions of the stocks, suggested a dividend announcement by the company was being anticipated. Sherwin-Williams added a point to yesterday's gain. Others ahead were Asbestos, Cockshutt, Cement Preferred, Fleet, H. Bridge, B. Products and Gypsum, N. S. Car, C. Sugar, Tar, M. Locomotive and Nuclear edged back. D. Bridge was even after moving both ways. Wabasso firmed in textiles. In beverages, Sicks was up and lower were Seagrams. C. Breweries, Walker and Labatt, Commercial Alcohols lagged.

Gatineau and Power Corporation improved in utilities. Quebec Power was higher and Brazilian softer for a time and weaker were M. Power and B. C. Power "A". Commerce advanced in banks and Montreal, Nova Scotia and Royal inched back. P. Transport pushed up in carriers and C.P.R. slipped.

Noranda was a winner in metals Smelters and H. B. Mining tumbled and Nickel wiped out a deficit. B. A. was better in refineries. Petroleum failed to hold a lift and Imperial dipped.

B. C. Forest was in demand in papers and worked up a major fraction. In the balance of the group, M. and O., International and St. Lawrence posted increases and retreating were Abitibi Preferred, Greak Lakes, Powell, Brown and H. Smith. Abitibi Common, Price and Consolidated recovered from stumbles.

E. Sullivan and Sullivan were active in junior golds and mines. East Sullivan lost most of a 20 cents boost and Sullivan converted a gain into a loss. Madsen, Heva and Joliet were in higher ground and off were Premier, Nechi, O'Brien, Band Ore, C. Cadillac and Inspiration.

Lake of the Woods, Orange Lambert and I. Metals were on the upside in miscellaneous and Ogilvie, Famous Players, Chemicals and W. Grain were pointed down.

Trading box score: Total sales: 120,700 shares; mines, 87,100; industrials, 33,600; stocks lower 54; higher 41; unchanged 59; new highs 0; new lows 8.

POWER RATIONING

Thanks Again For Your Help --

Our thanks are extended to householders, store operators, and business houses who by their sincere efforts to voluntarily ration their use of electricity are aiding us in maintaining continuous service. Your community minded efforts are very much appreciated.

HOWEVER --

Many customers have failed to respond to our appeal to reduce their requirements as evidenced by the following figures, recorded at our plant switchboard over a two week period.

Weymouth Circuit	(South End)	5 Per Cent. Decrease
Queen Circuit	(Business District)	34 Per Cent. Decrease
Longworth Circuit	(Eastern End)	21 Per Cent. Decrease
Brighton Circuit	(Western End)	NO CHANGE.

Fair or Unfair?

Those who continue to make no restrictions on their use of electricity will in all likelihood cause further blackouts which will involve customers who are trying to avert this happening.

REMEMBER--

There is enough for all if you will share it fairly.
