IT PAYS to buy in this province.

LECTURE TONIGHT.—Tonight Mr. Bartlett will give his illustrated lecture on "Madrid" in Heartz Memorial Hall.

RAILWAY NEWS.—P. W. Clarkin, John McLeod, Harry McKay and Frank Dougan, of the P. E. I. R., Charlottetown, are assisting D. Montgomery, Station Agent at Georgetown, whilst the winter steamers are running there.

SUPREME COURT.—In the Supreme Court at Charlottetown yesterday the case of Bruce Stewart & Co, Ltd, vs Daniel Wedlock, an action to recover the price of a gasoline engine in dispute occupied the time of the Court all day and now awaits the Judge's decision which will be given this morning. W. S. Stewart, K. C., for the plaintiff, J. J. Johnson, K. C., for the defendant.

A GOOD SCHEME.—George Brister's steamer Bridgewater left yesterday for Isaac's Harbor to tow up the schooner James W., which has been detained there for a number of weeks owing to the boisterous condition of the weather along the coast, says a Halifax exchange. The schooner sailed from Murray Bay, P. E. I. about ten weeks ago loaded with produce for Black and Flinn of Halifax, but owing to the precautionary measure taken by the captain to protect his vessel from an accident, some means of getting the produce to Halifax before seed time had to be devised, with the result that the Bridgewater has been despatched to bring the vessel and cargo to this port.

SUDDEN DEATH.—George E. Full Charlottetown, received a telegram yesterday announcing the sudden death in Toronto yesterday morning of W. W. Beer, brother of G. Frank Beer, Toronto. No particulars were received except that interment would take place in Toronto. The deceased was well known in Charlottetown, where he formerly conducted a dry goods business as a member of the firm of Beer Bros. He has been absent from this Province for about fifteen years and since leaving here has been engaged in mercantile pursuits in Toronto. He was a successful business man and was highly esteemed by all who knew him. His death will be learned with deep regret.

NEW STEAMERS.—The Guardian has received from the Allan Line its handsome booklet setting forth the magnificence, grace and beauty of their two steamers the Alsatian and Calgarian the sailing dates of which are to be announced shortly. These steamers are equipped with the most modern machinery that money can purchase and brain design, while the furnishing and conveniences surpass all descriptive powers and should prove great drawing cards for ocean travellers on their first trip. The Alsatian and Calgarian will run on the St. Lawrence-Liverpool service and will establish a new standard for steamers in the Canadian trade. Provincialists contemplating an ocean voyage should write for the firm's descriptive booklets.

REVISING PRAYER BOOK.—The committee of Anglican churchmen and laymen appointed to consider the revision of the Book of Common Prayer and to formulate a report to be submitted to the next meeting of the General Synod, that will hold its session at Vancouver, B.C., in January, 1914, met at Quebec last Wednesday. There were present His Grace Archbishop Hamilton of Ottawa; Bishop Farthing of Montreal; Bishop Thormlin of Algoma; Archbishop Armitage of Halifax, N. S.; Rev. Canon Plumptre; Rev. Canon F. G. Scott, Rev. Canon Simpson and Mr. Justice Fitzgerald, Charlottetown; Rev. Dyson Hague, Matthew Wilson, Toronto, and Robert Campbell, K.C., Quebec. The meeting like all others to follow was held behind closed doors and nothing whatever will be made public until the committee formulates its report and it is read before the Vancouver session of the General Synod in 1914. The committee meet three times a day until their duties come to a close.
