

### DIAMOND DYES

are Home Protectors.

Imitation Dyes Are Vile Deceptions.

The thousands of women in our Canadian cities, towns and farming districts stand in need of the protection afforded by the never-fading Diamond Dyes. These marvellous coloring agents have been before the public for over twenty years, and have always been true to name and promises made. The magnificent

colors and shades produced by Diamond Dyes are everywhere extolled, and the colors have in every case proved fast under the action of sunlight and soap. The plain and simple directions on every package of the Diamond Dyes enable a child to use them with perfect success.

There are imitations of Diamond Dyes sold by some dealers for the sake of long profit. These imitations are deceptions, and whenever used they cause annoyance, ill temper and loss of money and valuable materials. The colors are muddy and dull, and they cannot stand washing with ordinary soap.

To insure protection and security, ladies should ask for the Diamond Dyes and take the trouble to see that the name "Diamond" is on each package. A little care in this direction will save a vast amount of trouble.

DEAR SIRS.—I was for seven years a sufferer from Bronchial trouble, and would be so horse at times that I could scarcely speak above a whisper. I got no relief from anything till I tried your MINARD'S HONEY BALSM. Two bottles gave relief and six bottles made a complete cure. I would heartily recommend it to any one suffering from throat or lung trouble.
