Today's Races
Look 'Em Over

Four Races Will Be Pulled Off, Starting At 1.30 Sharp, With The 2.15 Trot, Followed By The 2.12 Pace, 2.26 Trot, Second Division And 2.30 Pace, Second Division.

A few words in reference to Friday's races may be of interest to our readers. Owing to the bad weather on Tuesday, Tuesday's races had to be split up so that four classes are raced on Wednesday, Thursday and Friday. Today's four should be among the most interesting of the three days' racing.

2.15 Trot
 This will have Longset, Great Scot, Little Bondman, Peter Will Tell, all tried and true trotters that will make a race interesting and one that may prove exceptionally exciting.

2.12 Pace
 This is practically a free-for-all, and will have free-for-all quality horses in it. It is probable that Mary Volo, 2.08 1/4 will start. If so you may depend on seeing some terrific brushes.

2.26 Trot—Second Division
 This has nine entries, five or six of them will face Starter Power sure. Arton Direct is a four-year-old that Harry Nevers has had in his stable for a few months. He has done nothing sensational, but has been the improving kind and is expected to do 2.16.

2.30 Pace—Second Division
 This has nine entries, five or six of them will face Starter Power sure. Arton Direct is a four-year-old that Harry Nevers has had in his stable for a few months. He has done nothing sensational, but has been the improving kind and is expected to do 2.16.

2.26 Trot—Second Division
 This has eight good horses entered and most of them will start. They are a nice bunch of trotters that it will be a pleasure to see race.

D. C. R. A. SHOOT AT OTTAWA
Good Scores Made By Island Marksmen

Good scores were made by the members of the Island team during the meeting on Connaught Rifle Range, commencing on Monday, Aug. 12, 1929, in spite of bad weather and difficult shooting conditions. Four of the team entered the magic circle of the Governor General's match—J. S. Moore, P. J. Landrigan, J. B. Andrew and R. H. Coles, and several others were close on their heels.

J. S. Moore was going strong until the last day, when he took sick and had a drop, but for this he would have made the Bisley team. Landrigan, Poole, Andrew, McCabe and McKinnon also did very well, and Huestis, Judson, Gormley and Roy McCabe made a very creditable showing indeed. The three Coles boys were doing well, and but for some trouble with rifles would have been on top. They deserve credit for doing so well with luck against them.
