Is there a PARADOX in this picture?

The man behind the "busy" sign is a hard-working executive. He realizes his responsibilities and often thinks about making his Will, and choosing an Executor of his estate. But... he is so busy providing for his family's future that he hasn't yet properly safeguarded his efforts.

If your own Will is yet to be made, or the conditions under which it was first prepared have changed, you should lose no time in taking effective steps. We should be glad to assist you, and as Executor or Trustee offer you the strength, reliability, and efficiency that result from forty-seven years of experience and progress.

CURRENCIES

NEW YORK, Aug. 29 (CP)— The Canadian dollar continued to set new highs for the year in foreign exchange trade today, closing 1-16 of a cent higher at a discount of 10 9-16 per cent (89.43 3-4 cents) in relation to the United States dollar.

In the final hour of trade the Canadian currency set a new 1941 high of 89.50 cents which also equalled the mark set Nov. 8, 1939. (Ottawa Foreign Exchange Control Board rate 9.09—9.91 per cent discount.)

Demand for Canadian dollars by American tourists who expect to travel in Canada over the Labor Day week-end, was said by money dealers to be one of the causes of the rise in the Dominion currency.

The pound sterling finished unchanged at \$4.03 3-4.
