—EGG DAY.—Following suggestions made Monday the 24th of April was advertised as "Egg Day" by the Ladies Aid of Prince County Hospital. This means that the people are asked to send the proceeds of the eggs of that day for the hospital. For the convenience of the people the "Ladies Aid" suggests that the money be paid to the Clergy of each parish whom they would ask to kindly forward to the matron of the hospital and the same will be duly acknowledged with thanks.

—NARROW ESCAPE.—Yesterday Messrs Dawson & Clark, contractors for the Board Ice Mail service, nearly lost a valuable span of horses on the ice while bringing the men, mail and boats ashore and only for the alertness of Coxswain Fred McInnis both horses would have been lost forever. Mr. Clark, who was in charge of the team at the time, was somewhat injured, but not seriously. The trip made across the straits Wednesday in a cold, blinding rain storm, by Capt. Thos. Howatt and Capt. McWilliams in the interests of the country is almost without parallel.

—HOLMAN'S SPRING AND SUMMER CATALOG has just been received, and is without doubt the most attractive yet issued by that progressive firm from an artistic standpoint. The frontispiece forms a very striking and effective combination. The Women's Ready-to-Wear section is a succession of surprises from first to last. The styles are right and the prices are right. Garments fairly bristling with style are represented in this shopping book, all exceedingly moderately priced. The 146 pages are crowded with reasonable values that will interest every member of the family. Furniture, Groceries, Dry Goods, Boots and Shoes, Hardware of all kinds are listed in Holman's latest Catalogue to excel the previous one to such a degree that it is hard to wonder if there is any limit to the ambitions and progressiveness of this creditable Island institution. Islanders sometimes think of Holman's as doing a growing mail order business in Prince Edward Island alone. Few realize that Holman's ship carloads of goods every month right into the territory of other mail order houses. There is not a City, Town, or Village in Eastern Canada but what Holman's receive business from regularly, and it is safe to conclude that this statement could not be made unless Holman's prices and service were right. R. T. Holman, Limited are accomplishing more than most people realize, in the way of keeping the "Garden of the Gulf" before the people of other Canadian provinces.
