Delicious Ice Cream In 3 Minutes
Consider the great convenience of having your own Ice Cream Freezer at your service when you require it. Many times during the hot summer your appetite will demand a cool, refreshing, ice cream, and when you can get it ready at home in so short a time you will appreciate it much more. Buy one of our freezers to day and so prepare for the hot days.
The Dana Peerless Freezer
This freezer is the latest out. It is strongly constructed with tubs of Cypress held securely together by welded wire hoops, which prevent the tub from swelling in any way. A very important feature in this freezer is the pressed steel frame. No gears on top of can to get out of order, all gearing is enclosed. A child can operate it without trouble. The can of the Dana Peerless Freezer is the smallest in diameter, and the tallest and has the greatest surface next the ice, which enables the cream to freeze very quickly. Note the low prices.
