CH'TOWN BOY MAKES "HIT" IN HALIFAX

"Diver" Riggs Takes Part In Boxing Tourney — Knocks His Man Out In First Round.

HALIFAX, N. S., May 20.—Four lively bouts for the Royal Canadian Navy Volunteer Reserve champions were staged at the Army and Navy Vets' gymnasium last night before a fairly large sized audience. All the bouts were billed for three rounds, and were interesting.

J. Cruise started off the sport for the evening by flattening George Young in the first round. It was a technical knockout victory. Moulton, of Halifax, and Hull, Montreal went three lively rounds, the local man getting the palm.

Riggs, of Charlottetown, had too many guts for Crosswell, of St.

John and the S'ter City man bit the dust in one short canto. Willie "Kid" Ferguson, of Halifax, easily out-pointed H. Lee, of St. John, a contestant for title honors at the amateur tourney here, in three fast rounds.

More bouts will be staged Friday night.

Romance, Adventure And Thrills Await The Citizens Of Charlottetown

H. R. H. Prince of Wales Tour of Africa and S. America Coming.

All the delights that any boy and girl might get from the books or stories of famous travellers are compressed in the wonderful film which the British Admiralty has made of the last tour of H. R. H. the Prince of Wales.

First, a life on the ocean waves. There are the sailor scenes attending the Prince's long ocean voyages on the Republic that will give thrills to any boy who dreams of the British navy as the ideal career of adventure.

Then there are the marvels of Africa, revealed in their primitive savagery for the first time in motion picture history. The Prince has opened what has been to the world a closed book, and from the pages of this volume pour hundreds of thousands of Zulus and other native tribesmen, in a great and barbaric pageantry. Thousands of horsemen and warriors take part in the ceremonies and there are incidents both dramatic and comical.

The reception accorded the Prince in South Africa by Boer and Briton was one unending triumph

The MOST Powerful 1-Ton TRUCK CHASSIS Available at its Price

INSPECT this truck. You will see a rugged, six-inch channel steel frame swung low to insure a height level with milk platforms and loading docks. You will see heavy-leaved, semi-elliptic springs. You will see the powerful Chevrolet truck axle, a husky, over-size unit with spiral bevel driving gears encased in a one-piece, pressed steel housing—and scores of structural details typical of the finest truck construction in Canada.

Note the big motor. Neither hills, sand, mud, nor sustained second gear work will tax its capacity—for it offers the super-power of valve-in-head design and the stamina that has made Chevrolet famous the world over.

Chevrolet has become the world's third largest truck builder because Chevrolet trucks are proving their economy on the sound basis of low first cost, low maintenance cost, and low depreciation. Decide on that basis—and you, too, will buy a Chevrolet.

For the lighter loads the Chevrolet Commercial Chassis offers a 1,000-lb. capacity and typical Chevrolet quality with a shorter wheel base.
