SCHOOL CLOSED. St. Anne's School, Lot 22, was closed last Tuesday on account of the illness of the teacher, Mr. Peter LeClair.

RECOVERING. Mrs. Jeremiah Peters of Mayfield who has been ill for the past month or two, is rapidly recovering. She is now able to be up and around.

IMPROVING. Mr. Augustin Dorton of Toronto, Lot 23, is now laid up with an attack of pleurisy but his friends will be pleased to hear that his condition is improving somewhat.

ARRIVED HOME. Mr. Frank Dorrion, of New Orleans recently returned from the United States where he had been working for some time. He is going into farming again and is getting things in order for the spring's work.

EXPECTED HOME. Mr. and Mrs. Theophilus Gallant of North Andover Mass., intend to return to their old home at Toronto Lot 23 in the near future. It is thought that Mr. Gallant intends to go into farming again this year.

ROADS.—There is still a considerable quantity of snow on some parts of the roads in the vicinity of St. Ann's but on the whole they are in fair condition for wheeling and have dried up considerably during the last few days.

ARRIVALS.—Mr. and Mrs. Cyrus Gallant lately of West Newton, Mass., arrived at Toronto Lot 23 (Mr. Gallant's former home) last week. It is understood that they intend to remain around here all summer at least and perhaps may make Toronto their future home.

CAUTION.—A number of Torontonians (Lot 23) took upon themselves the duty of fixing up a bridge in their district, without orders from the Roadmaster and now they are wondering where their pay is going to come from. This ought to be a fair warning to anyone who does not care to do a public work free of charge.

THE PARK ROADWAY.—The Roadway to Victoria Park is undergoing repairs. Yesterday several men were engaged in the work of filling in the washouts on the foot path along by the breastwork and the ruts and hollows in the road and generally getting it in readiness for the summer traffic.

FOXES FOUND. Messrs James Andrews and Charles Brown of Hope River, while roaming through the woods in search of a Mrs. Reynard and her family, were successful in locating her den but only managed to secure two young foxes out of a litter of five or six. The mother also made her escape. The young foxes are doing as well as can be expected under the care of their foster-mother (some neighbor's cat).

ENJOYABLE TIME.—A delightful "soiree" was spent at Mr. Theophilus LeClair's, Mayfield, Monday evening, the 20th instant. Nearly all the young people in the vicinity were in attendance. The night was spent chiefly in dancing, but there was also some good vocal and instrumental music rendered. Excellent music for the dance was supplied by Messrs William and Peter LeClair. A special feature of the evening was a step-dance by Mr. Stephen Gallant of North Rustico. It is certainly a treat to see Mr. Gallant dancing for there is nothing in this vicinity that can come up to him. The party broke up about four o'clock in the morning and each one returned to his or her home well satisfied with the night's entertainment.

L.O.L.—The quarterly meeting of Orange Blossom Temperance Lodge, Farming Brook, was held on April 25th. The night began all that could be desired as the hall was well filled with both young and old good-templars. The new staff of officers were elected and installed, the majority being young and inexperienced but filled their position creditably. Following was the staff elected:—Wendell Jay—C. T.; Loreta Jay Peakes Station—V. T.; Henry Douglis, Hd. Hillsboro—P. C. T.; Frederick Jay—C.; Margaret Jay—R. S.; Paulon Douglas, Hd. Hillsboro—A. M. S.; Betrice Birt, St. Peter's Rd.—M. M.; Robert Jay—S.; Ella Jay—Bessie Leard Praeger; Organist: J. W. Birt.—L. D.; Daniel Ritt—F. S.

VICTORIA DIVISION S. OF T.—Last night's meeting of this Division was one of unusual interest. Three new candidates were initiated. The finals of the musical and literary contests were presented and the judges reported Bro. Samuel Campbell as winner of the prize in the musical contest. Owing to a very close competition for the literary prize the decision as to the winner was reserved until next Friday's meeting, when the prizes will be awarded. There was a complete and interesting programme of music, speech and song, and a pleasant evening was spent.

THE PRINCE EDWARD.—There was an exceptionally large attendance at the Prince Edward Theatre last night when an exceptionally good program of entertainment was presented. No doubt the great drawing card was "Capt. Kidd," a thrilling story from the life of this notorious pirate. The dramatization was excellently acted and well presented with appropriate scenery. It was one of the best photo-plays shown at the Prince Edward for some time and ought to be the means of drawing

large houses to the Theatre tonight. "A Brand of the Burn," was a good drama also shown and appreciated. Cupid's Close Shave," was a "rugal ar scream," and was greatly enjoyed. Mr. Cairns, by request, sang "Tostis' "Good bye," in a manner that did full justice to this grand ballad.

THE PEOPLE'S.—The feature of last night's picture programme at the People's Theatre, which was crowded as usual, was the first instalment of the pictorial reproduction of the story, "The Adventures of Kathlyn," which is now appearing in weekly serial in the columns of The Guardian, thus affording the public the opportunity of reading the story and following its dramatic presentation on the screen at the People's Theatre. There is consequently no necessity to go into a description of the plot, but it must be remarked that the play is being enacted most capably and is elaborately produced; the gorgeous eastern scenes forming a worthy setting to the thrilling story that was begun to be unfolded last night. The three reels that comprised the first instalment of the story fairly took the spectators into the entrancing vortex of Kathlyn's wonderful adventures. Other features of the programme were "The Other Woman" and "The Hidden Treasure Ranch," two light and interesting dramas. Besides the pictures, Mr. Priestman Cameron gave two amusing songs which were much appreciated, and the orchestra rendered enjoyable music. At today's matinee, commencing at three o'clock, the Kathlyn reproduction will be repeated and two new pictures shown.
